

Compound: 3-(4-Hydroxyphenyl)Propionate

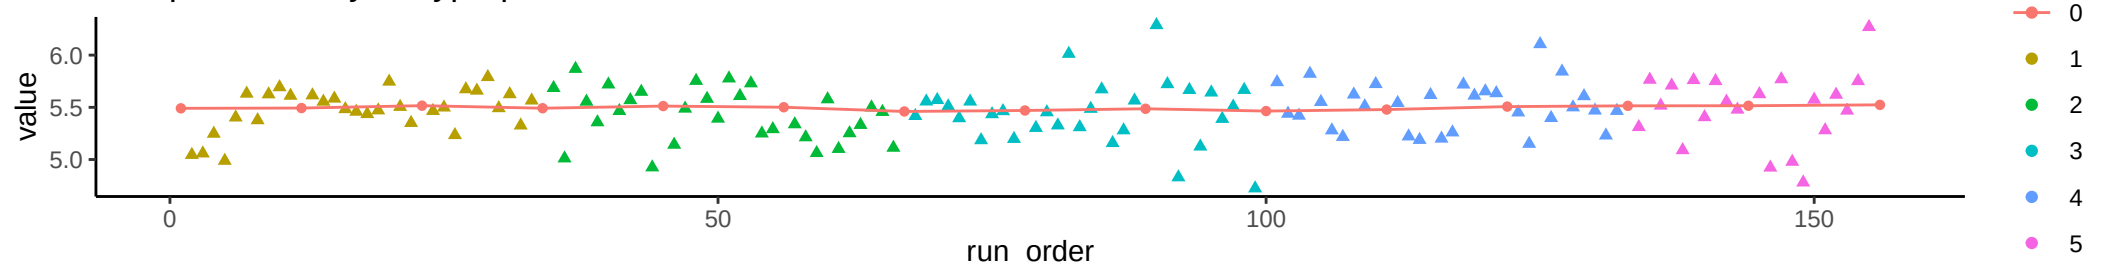

Compound: 3-Aminoisobutyrate

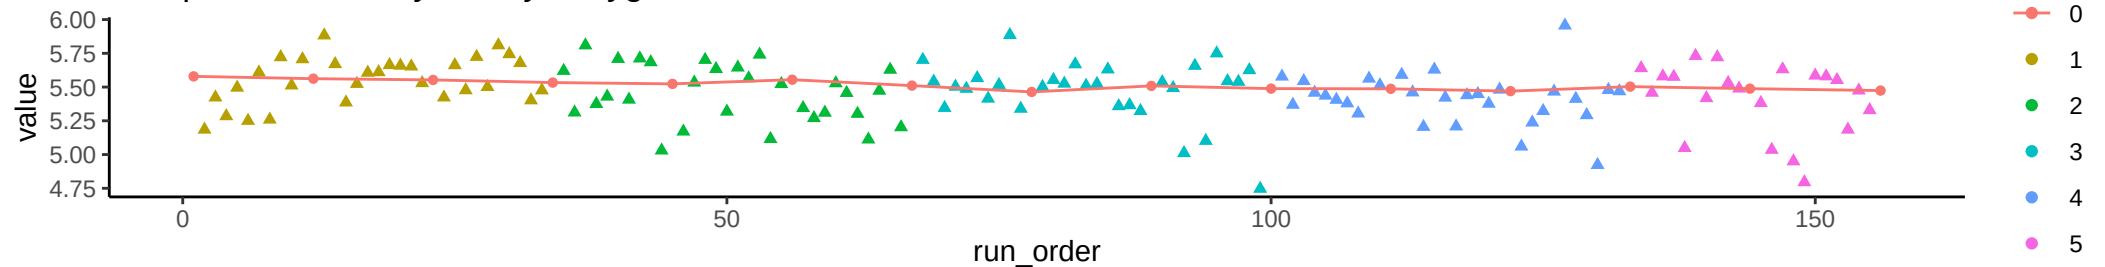

Compound: 3-Hydroxyisovaleric Acid

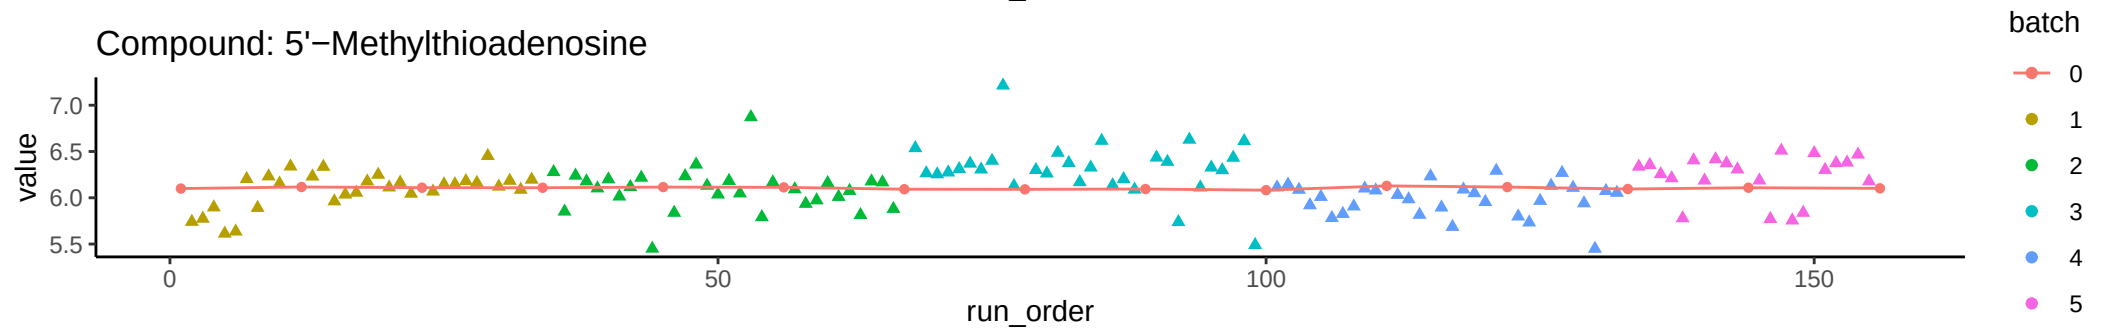

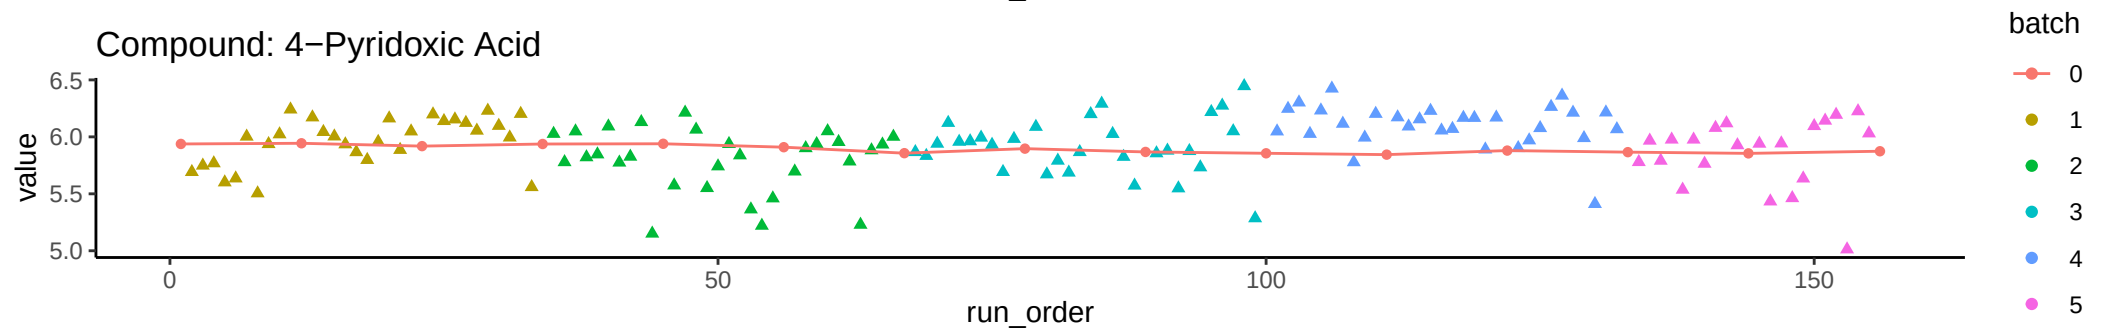

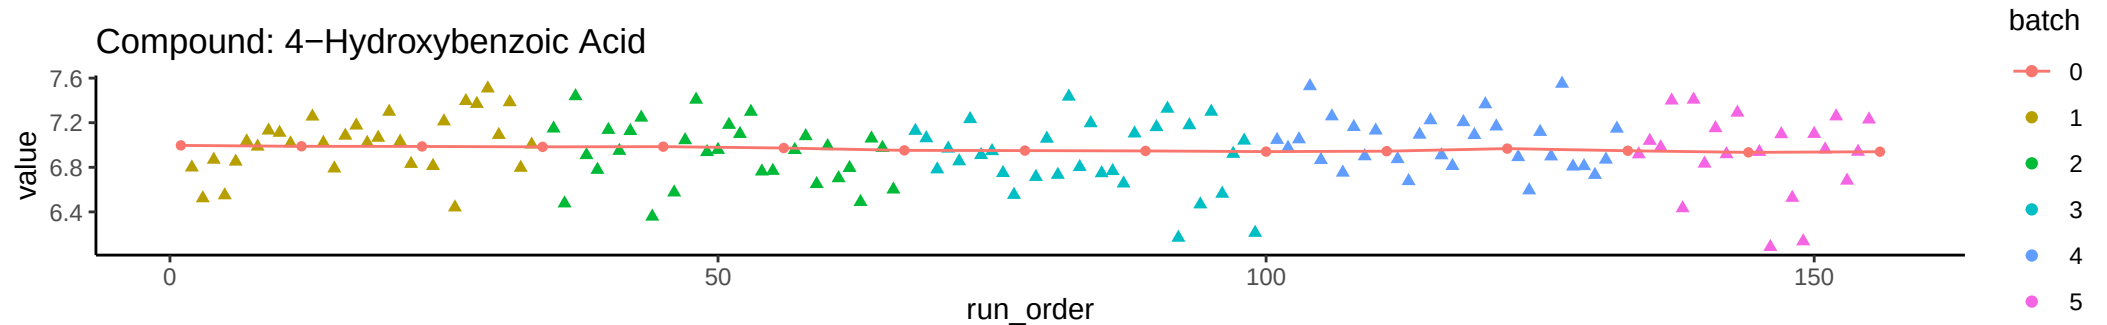

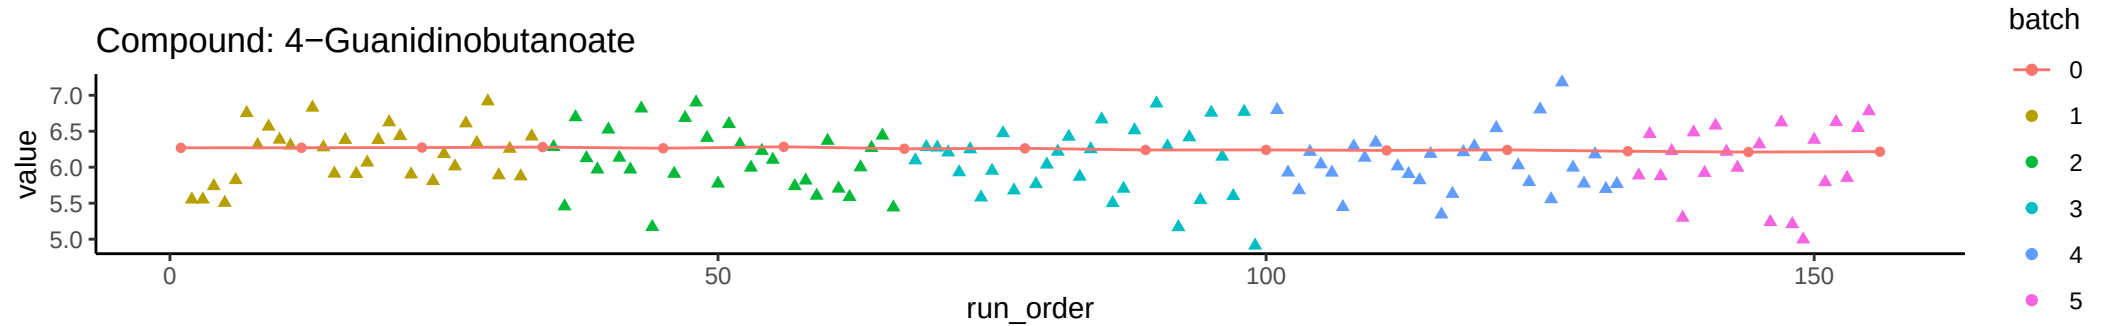

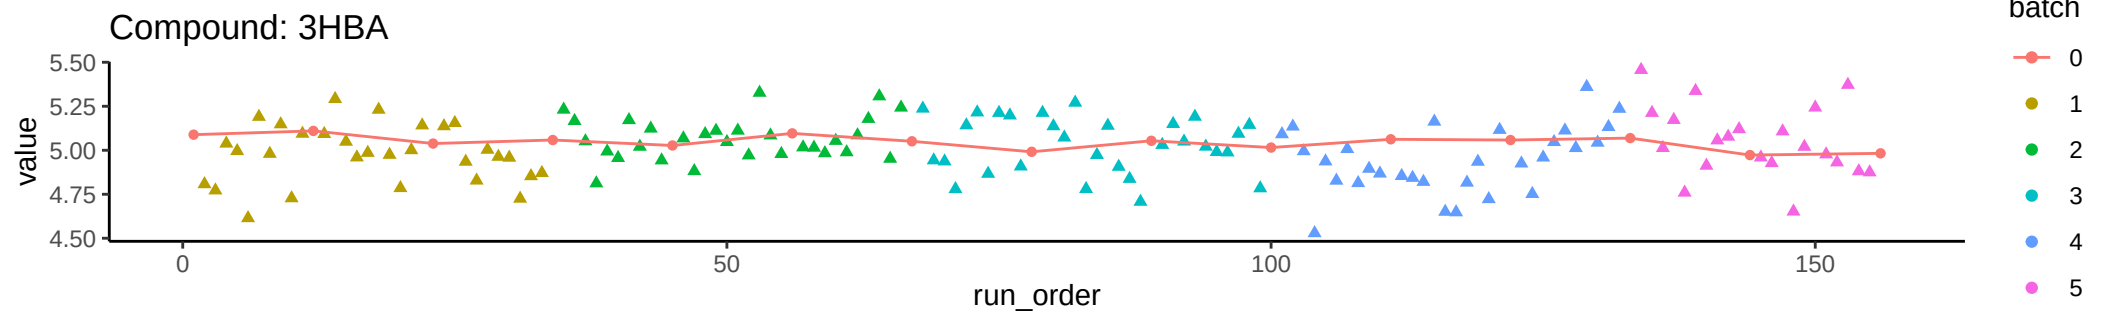

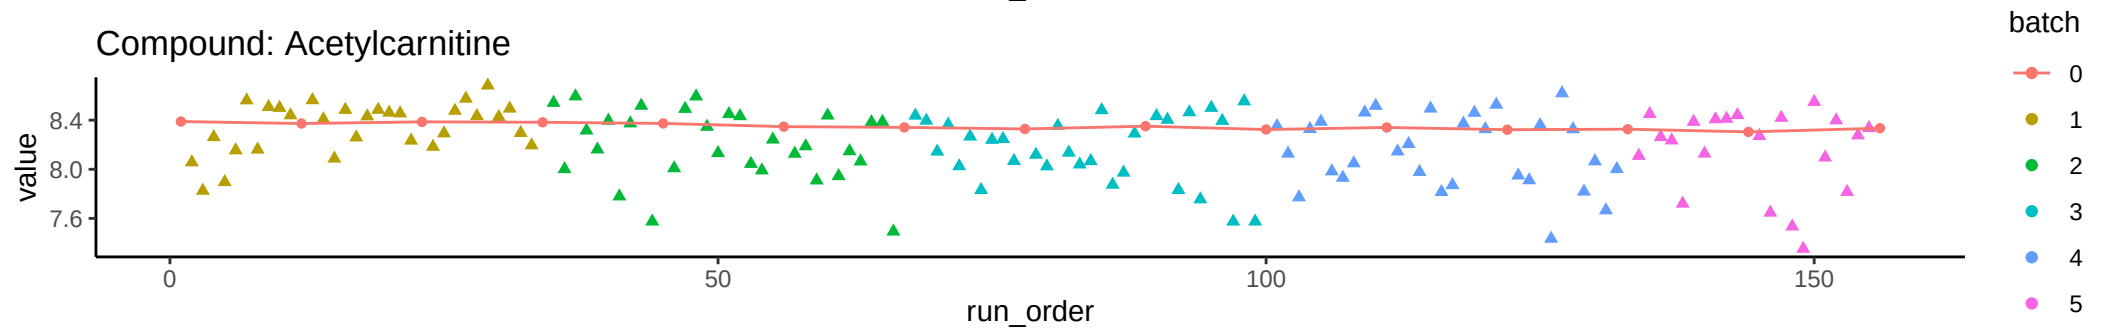

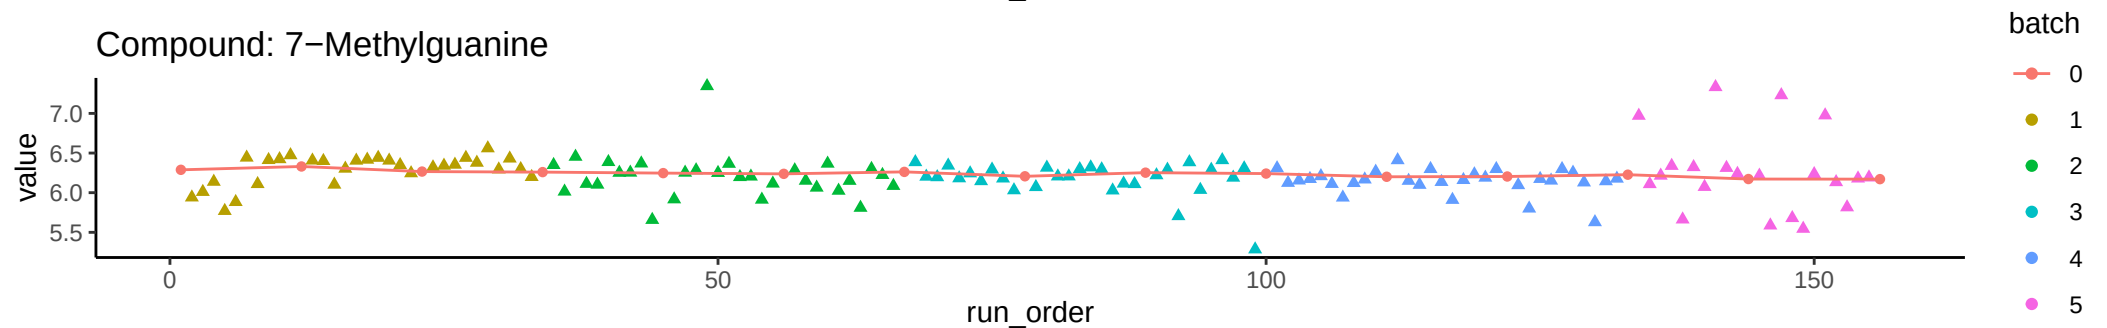

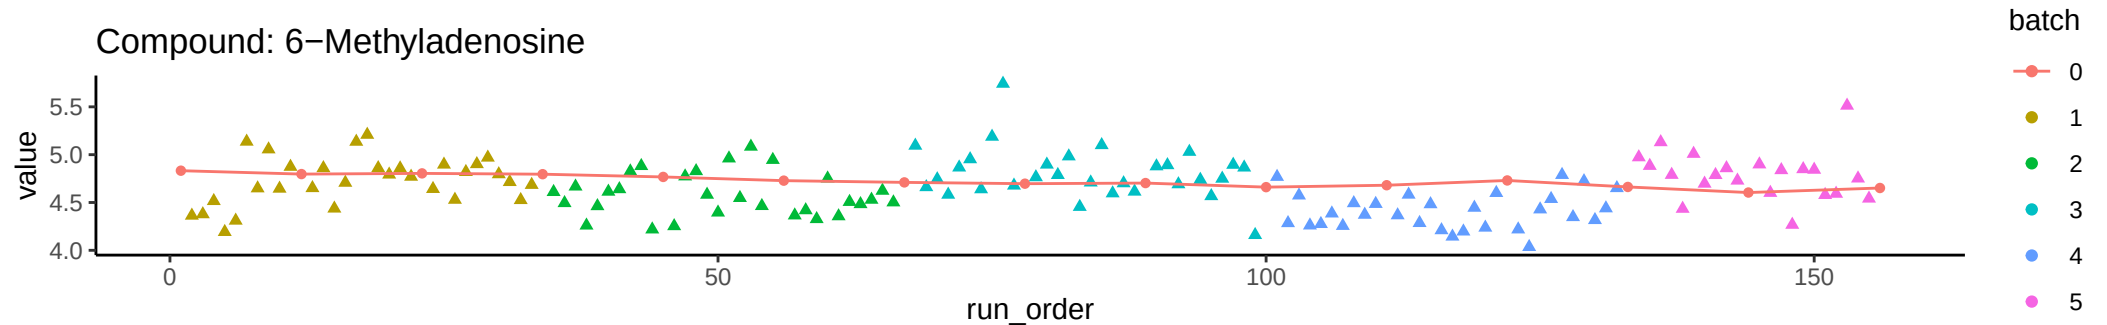

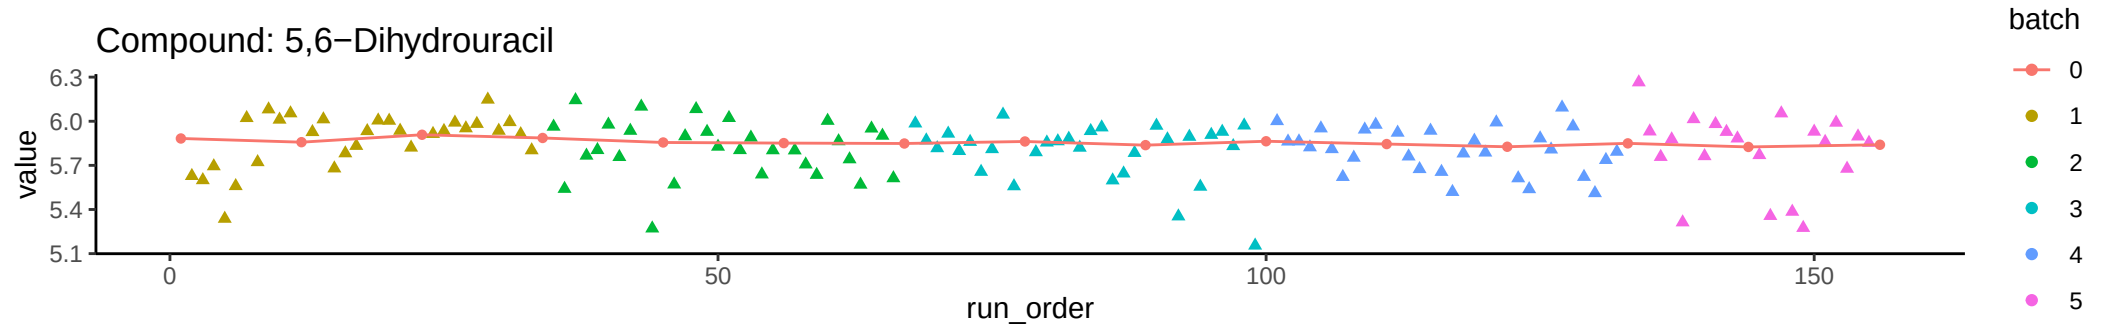

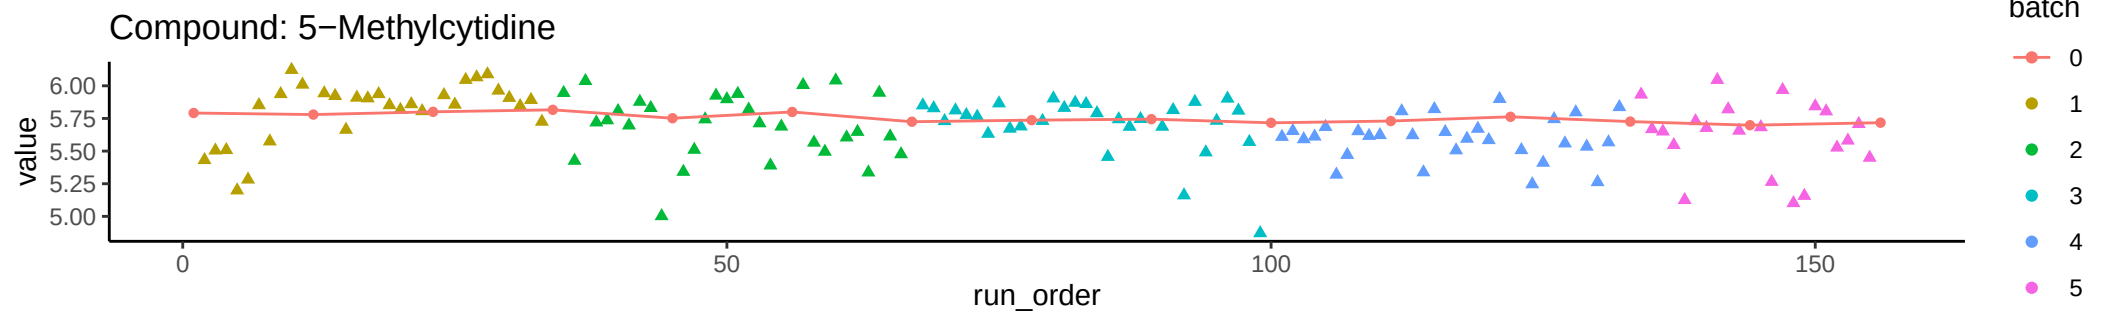

Compound: 3-Hydroxypropionic Acid

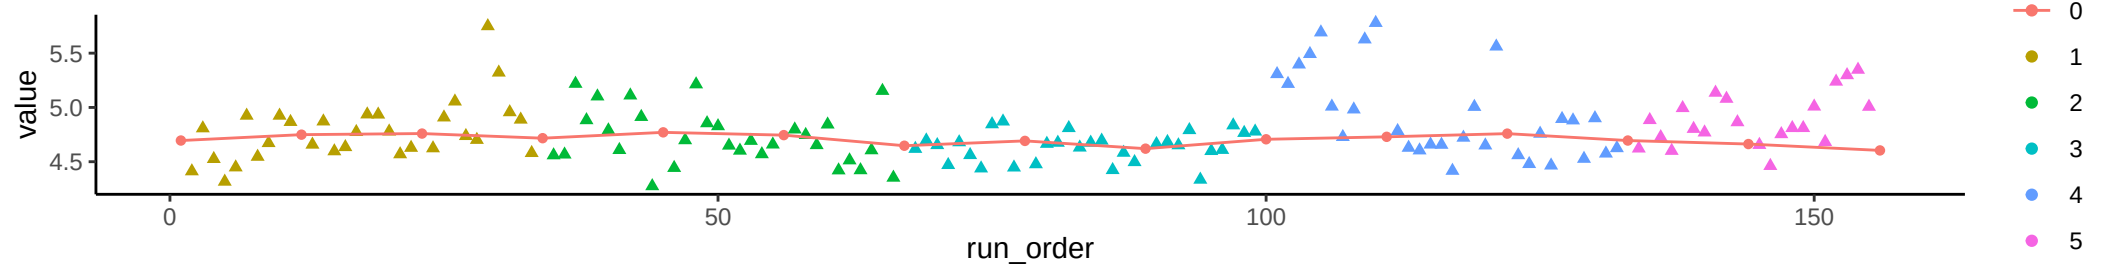

Compound: 3-Methyl-3-Hydroxyglutaric Acid

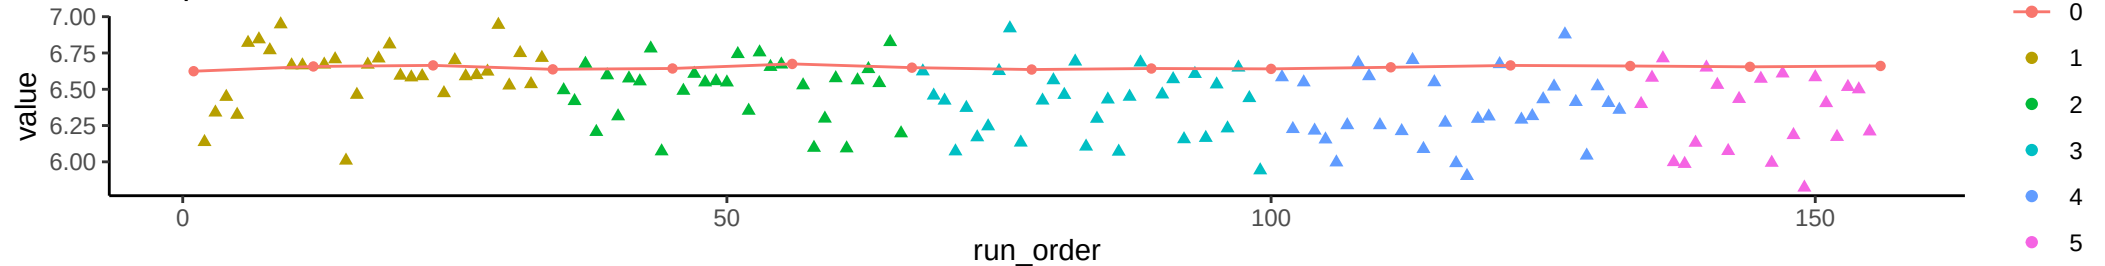

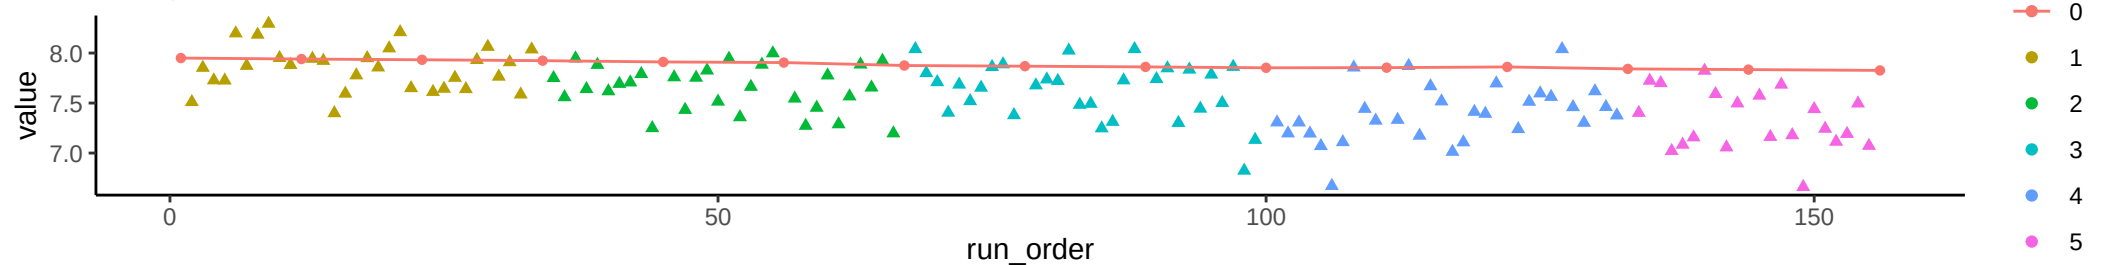

Compound: Acetylcholine

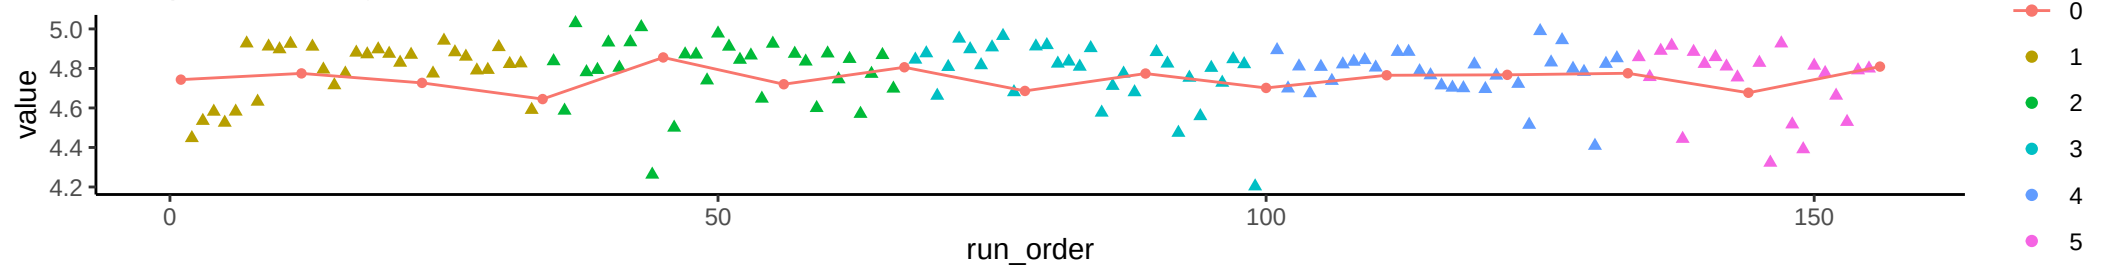

Compound: Adenine

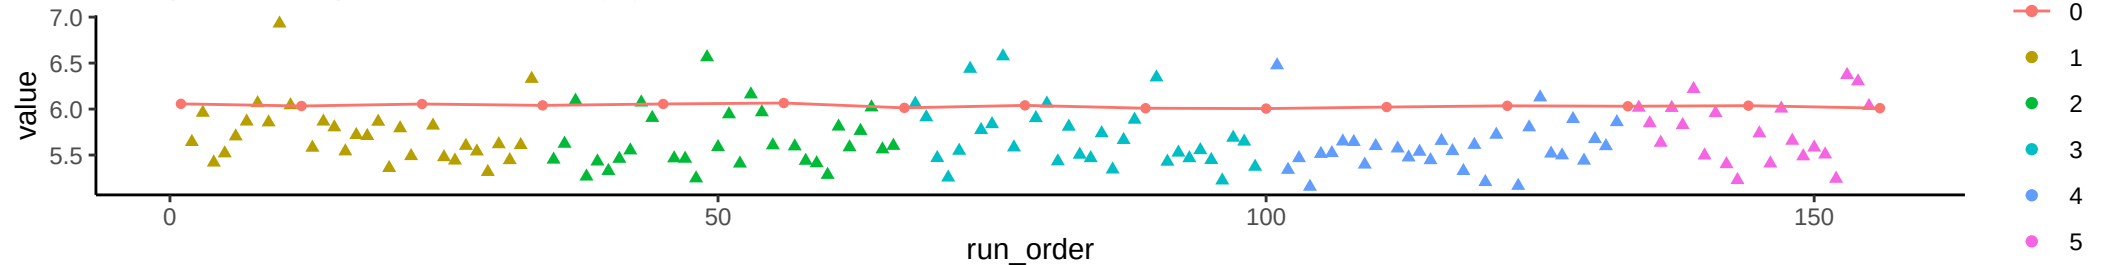

Compound: Adenosine

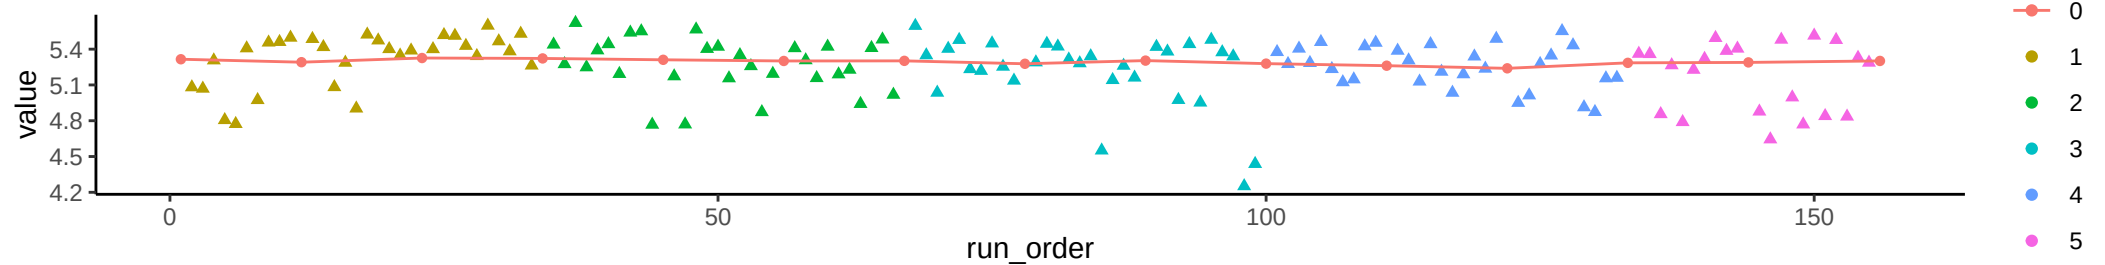

Compound: Adenylosuccinate

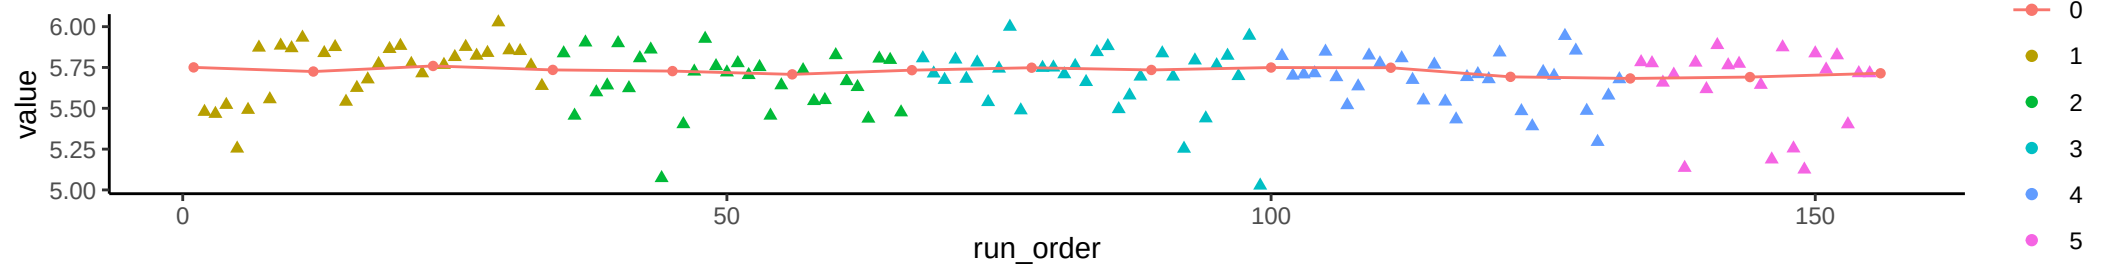

Compound: Adipic Acid / 3-Methylglutaric Acid

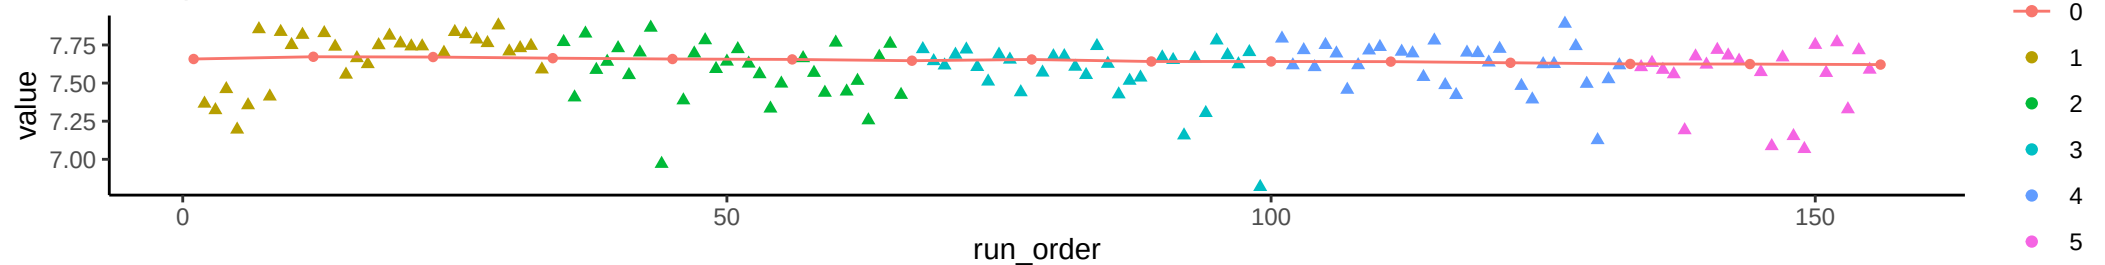

Compound: ADP

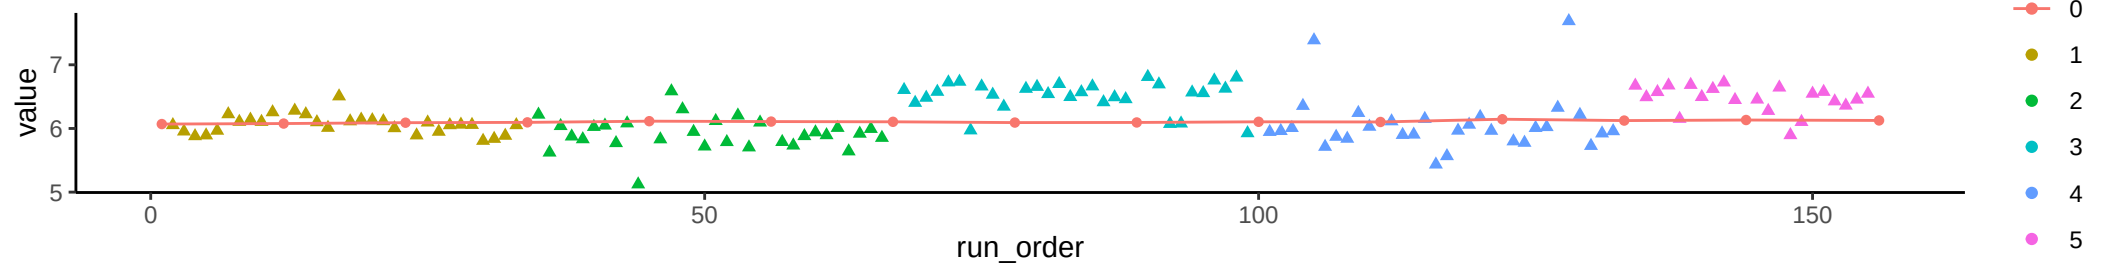

Compound: Agmatine

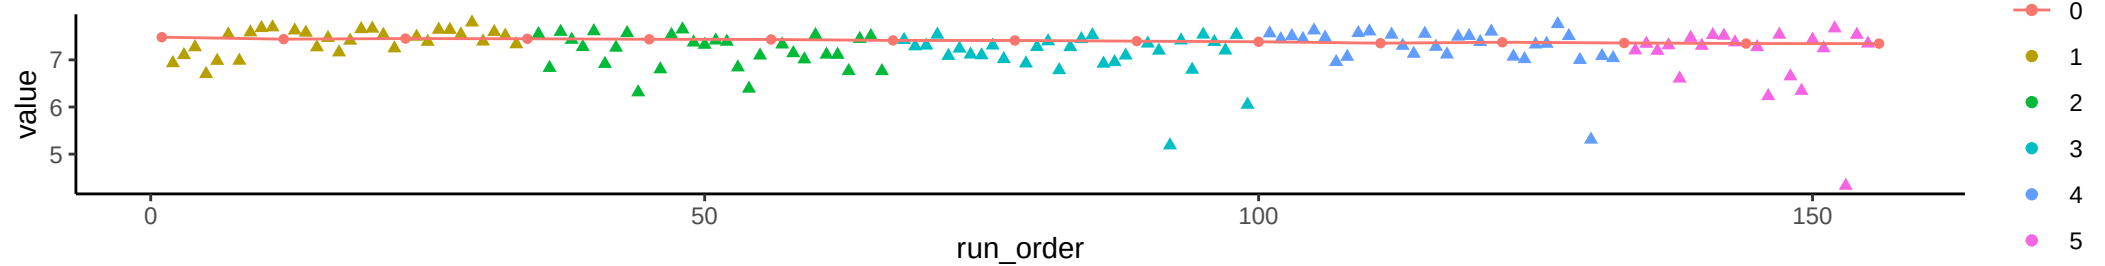

Compound: Alanine

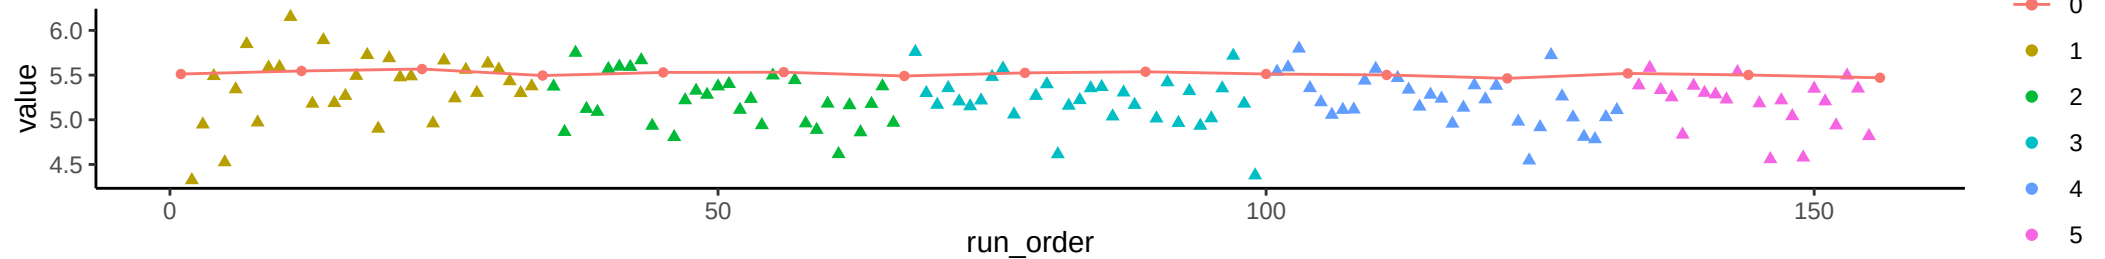

Compound: Allantoin

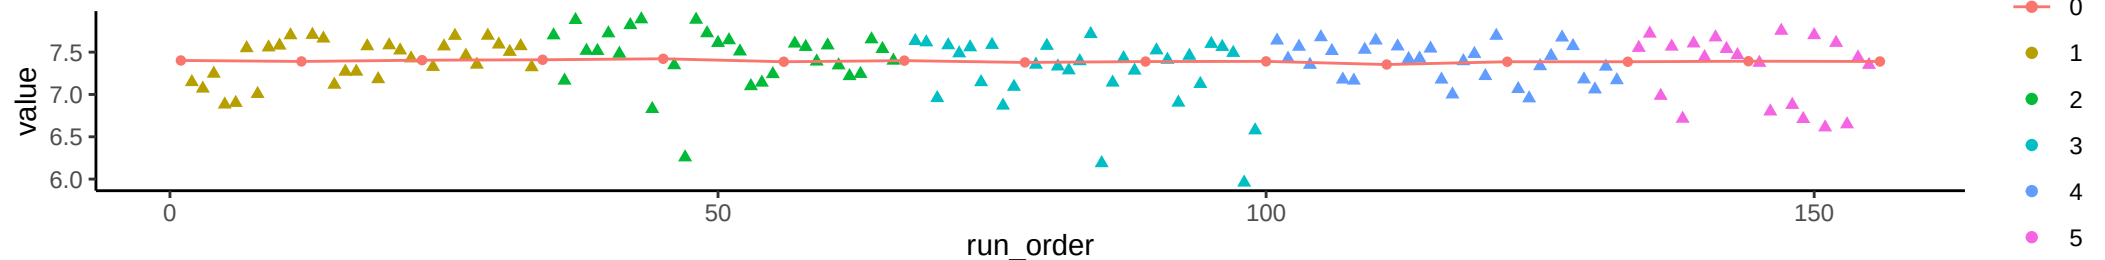

Compound: Alpha-Ketoglutaric Acid

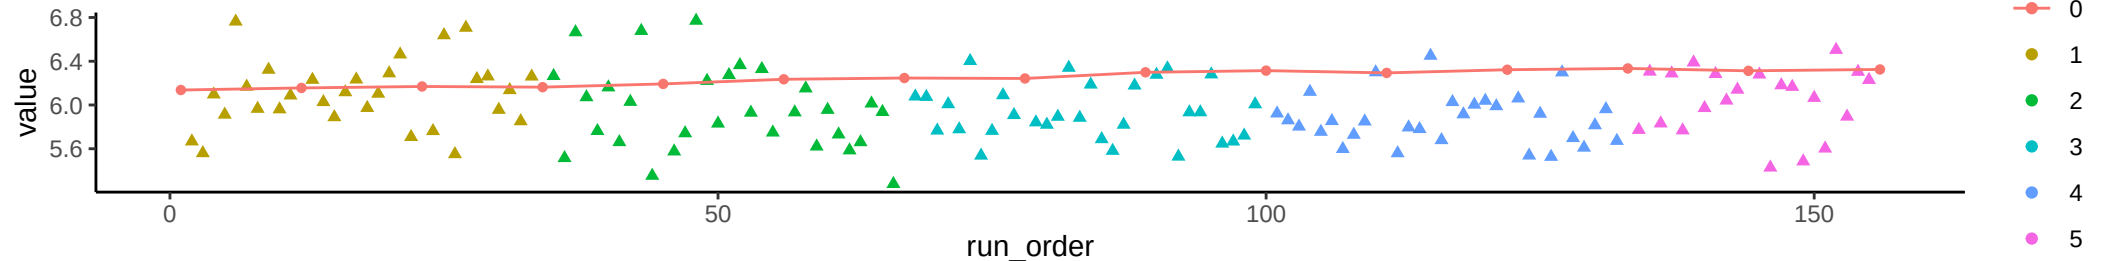

Compound: Aminolevulinate

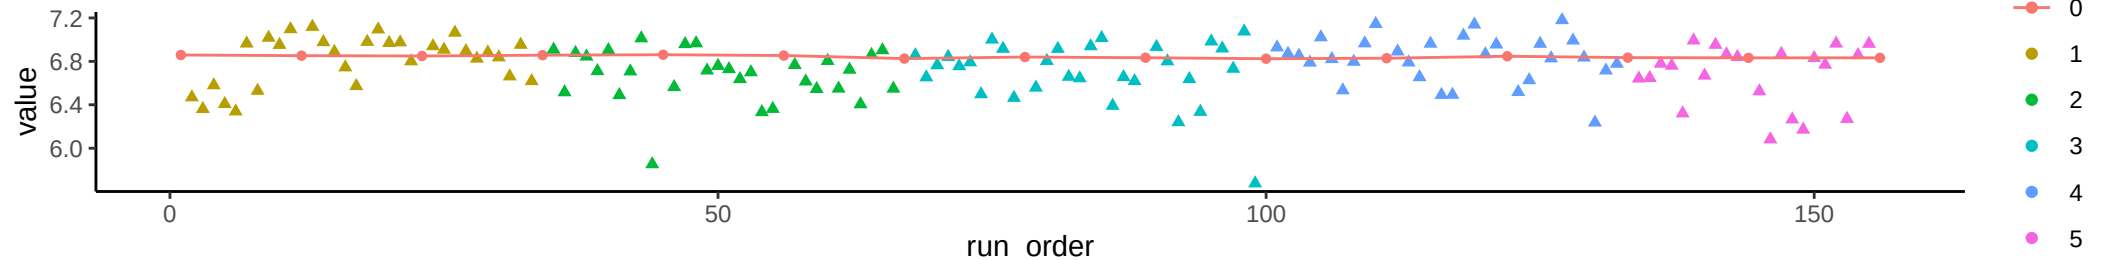

Compound: AMP

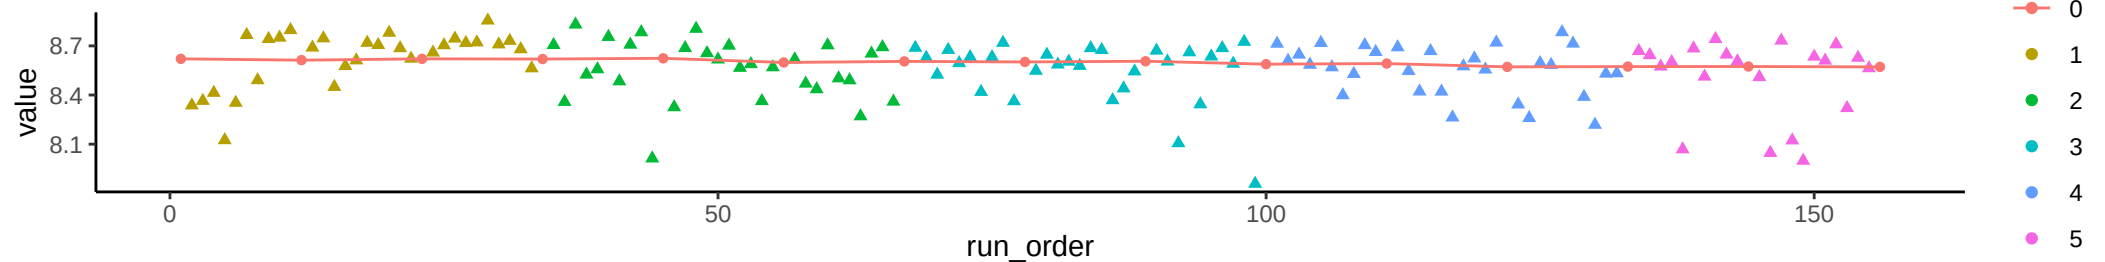

Compound: Anthranilic Acid

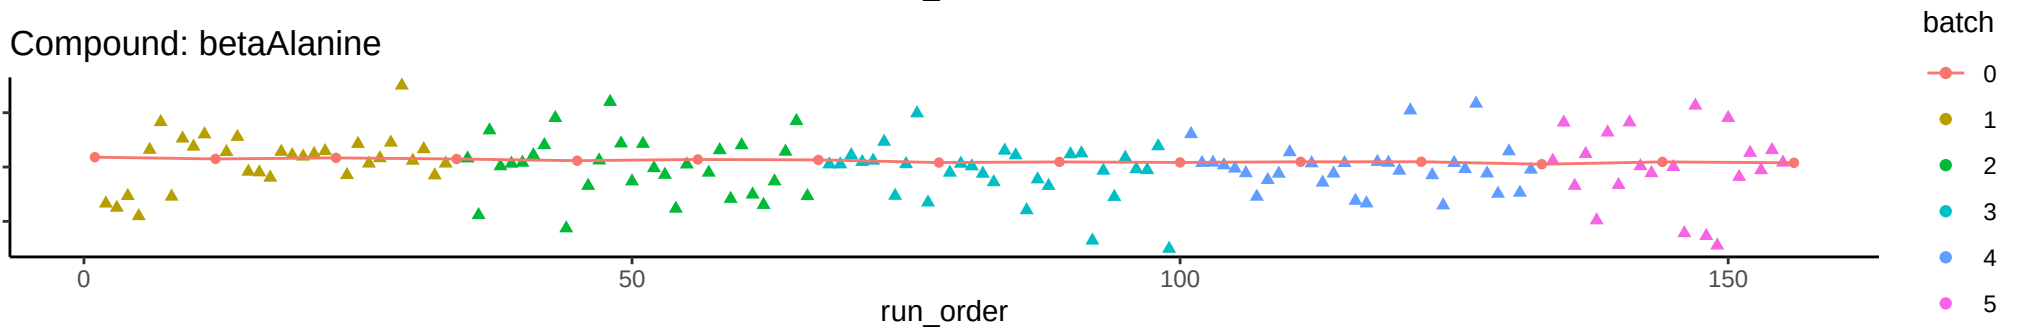

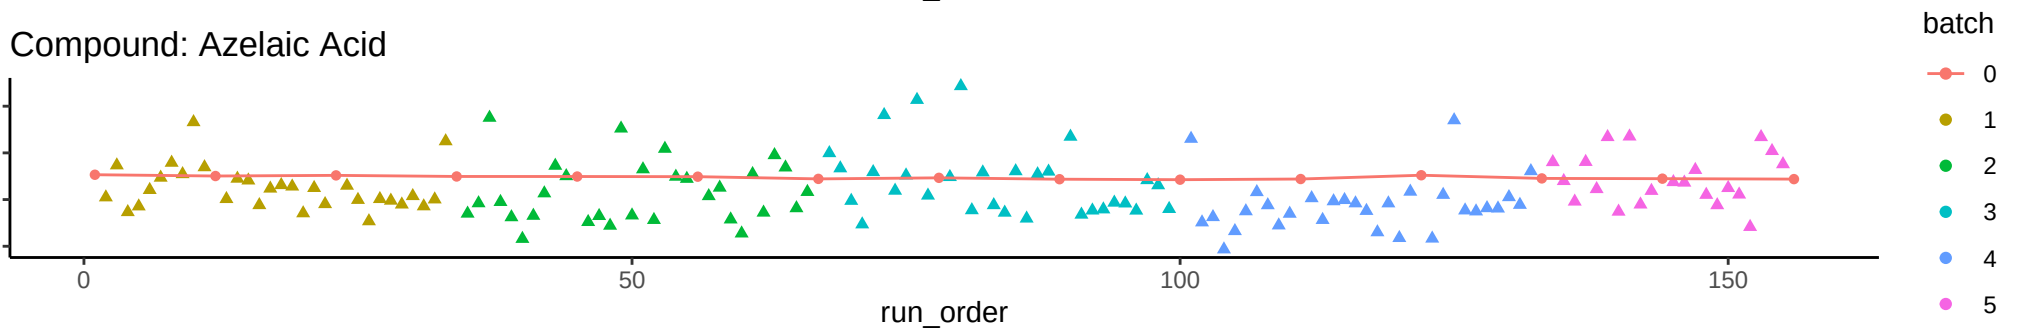

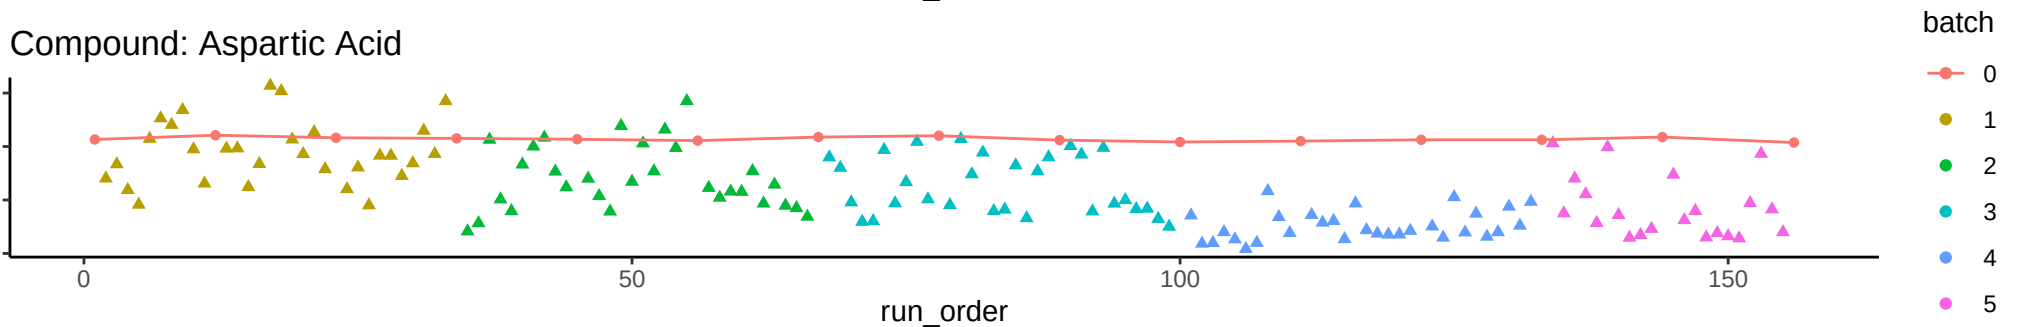

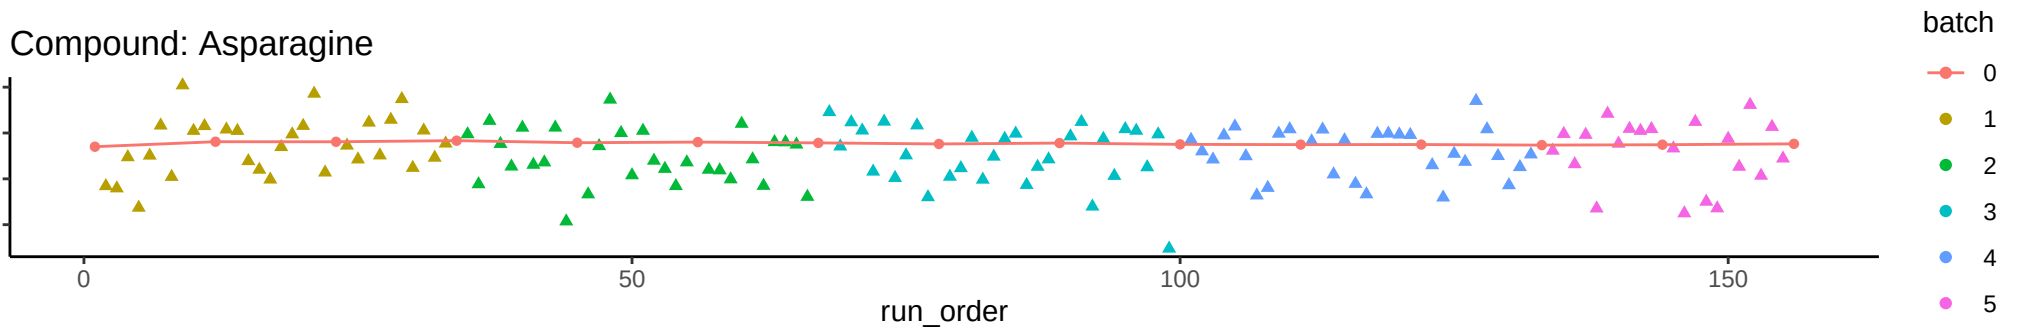

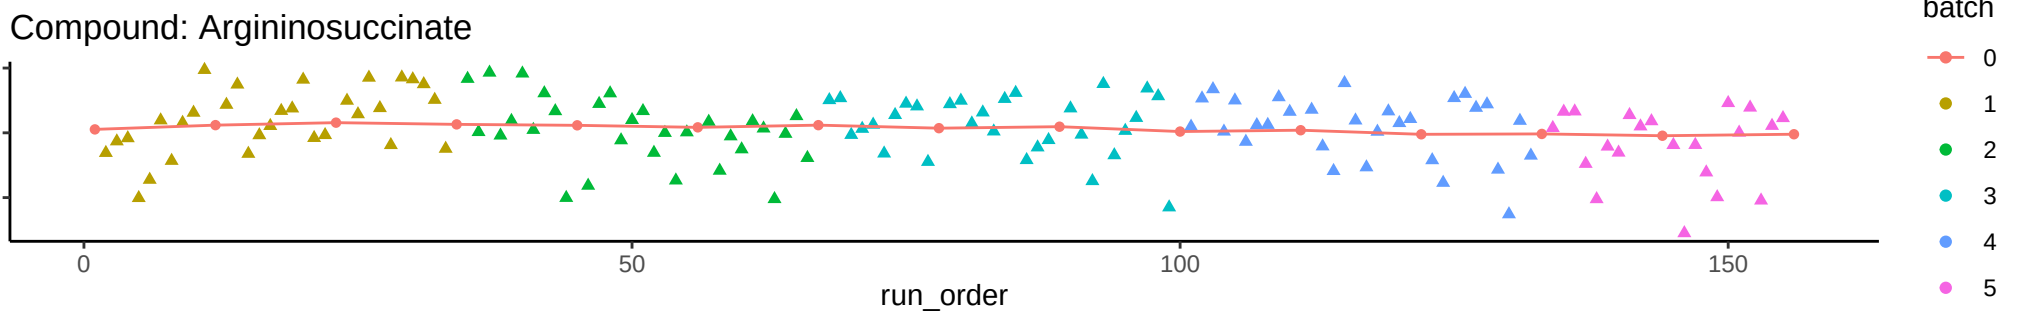

Compound: Arabitol/Xylitol

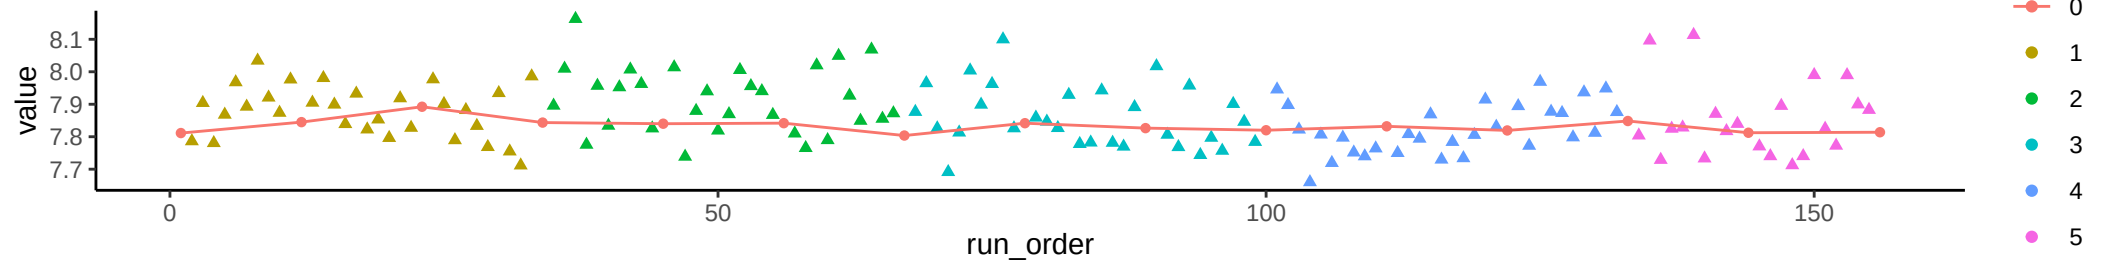

Compound: Arginine

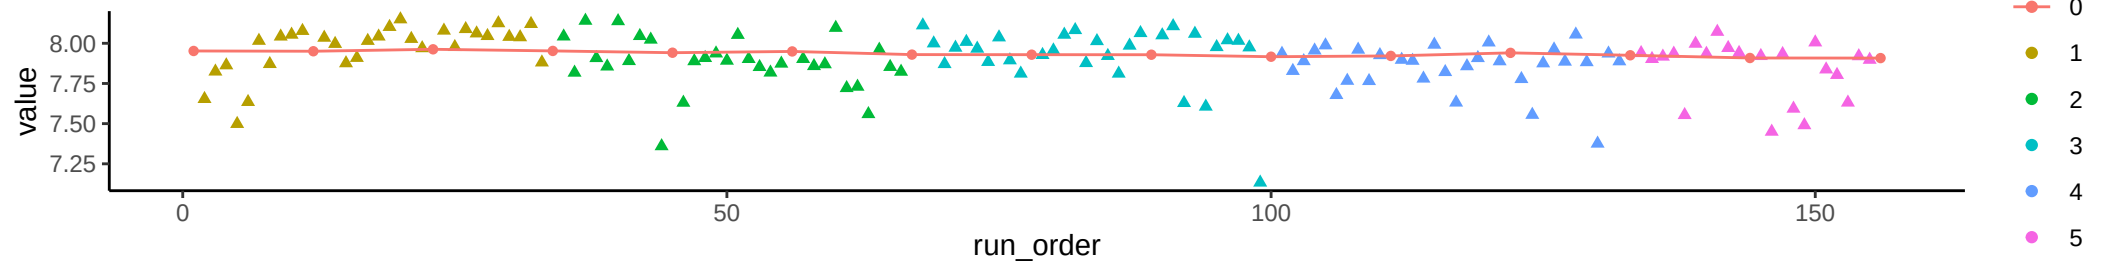

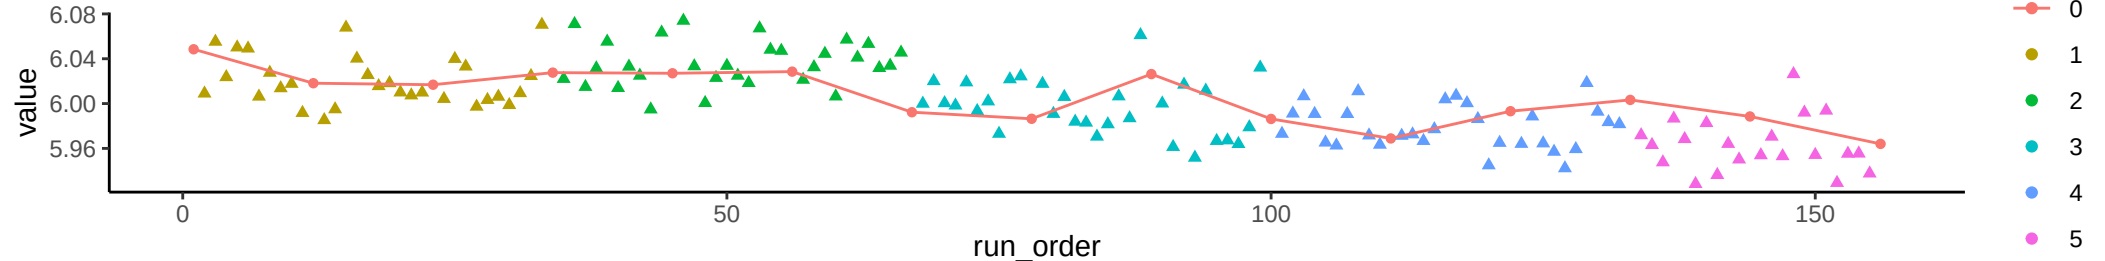

Compound: Betaine

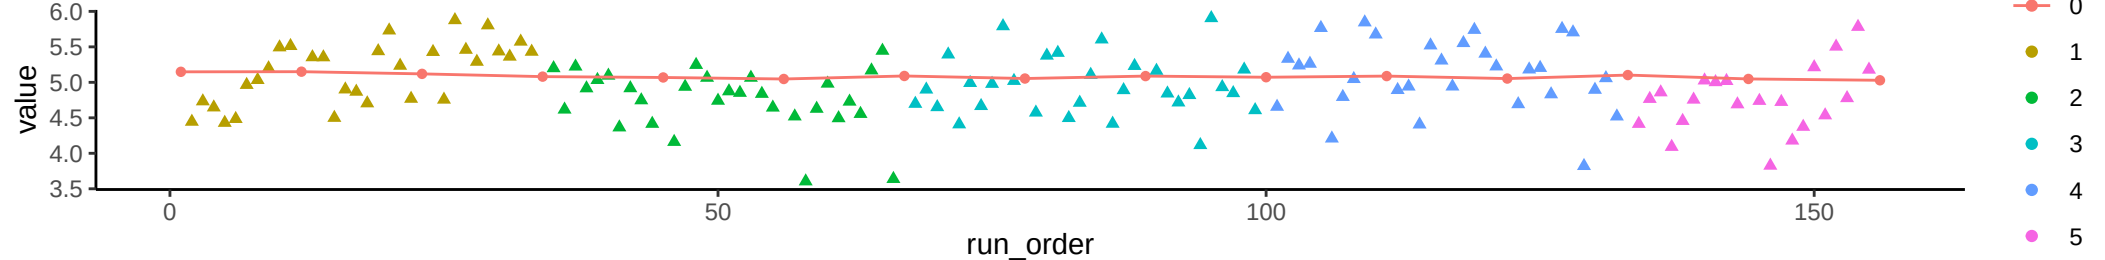

Compound: Biopterin

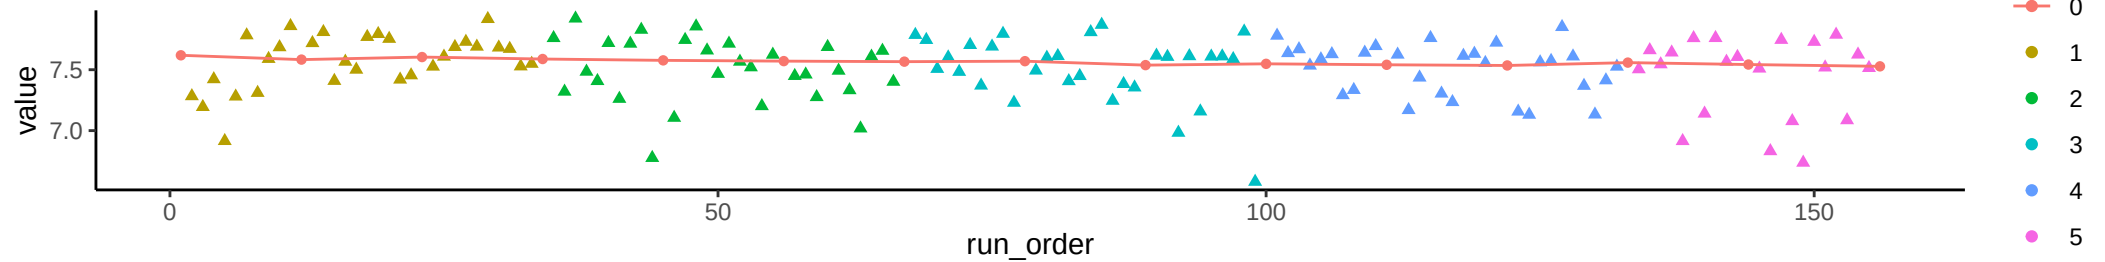

Compound: Cadaverine

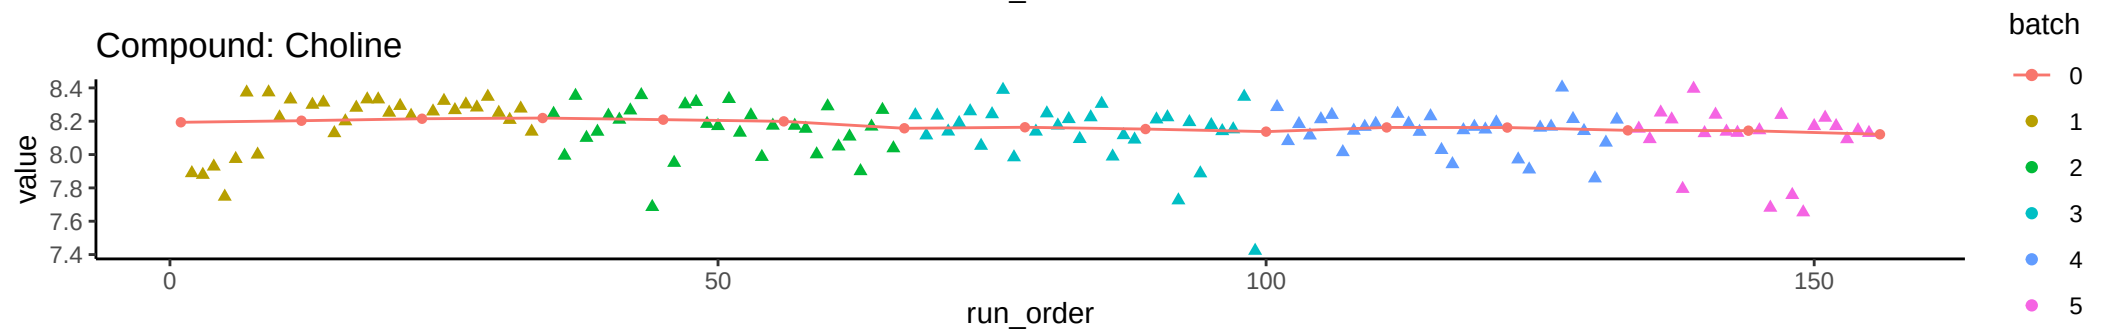

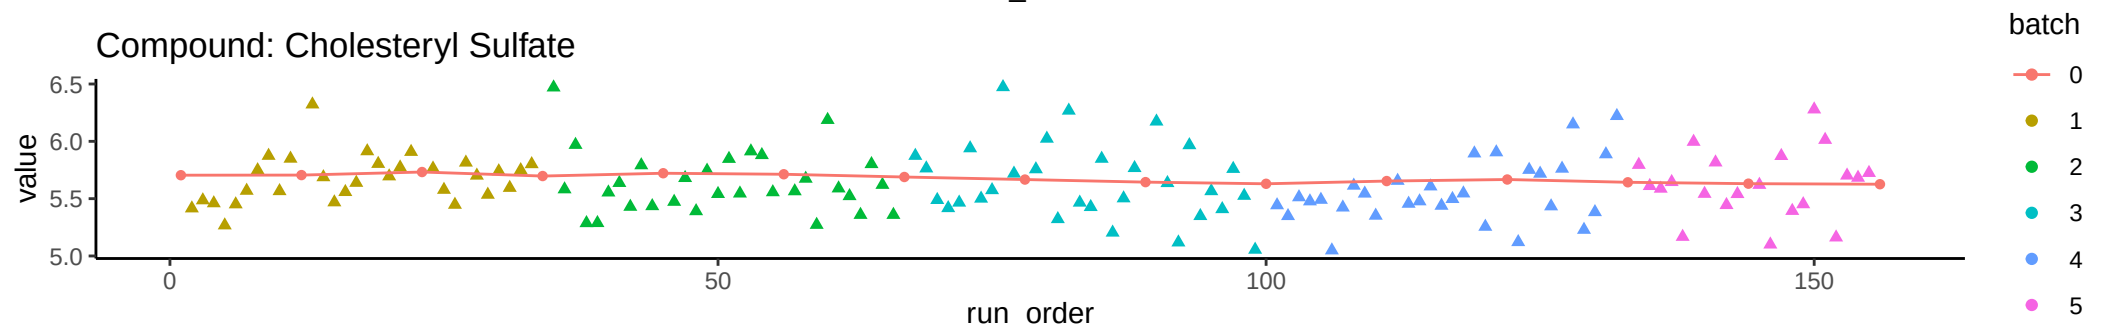

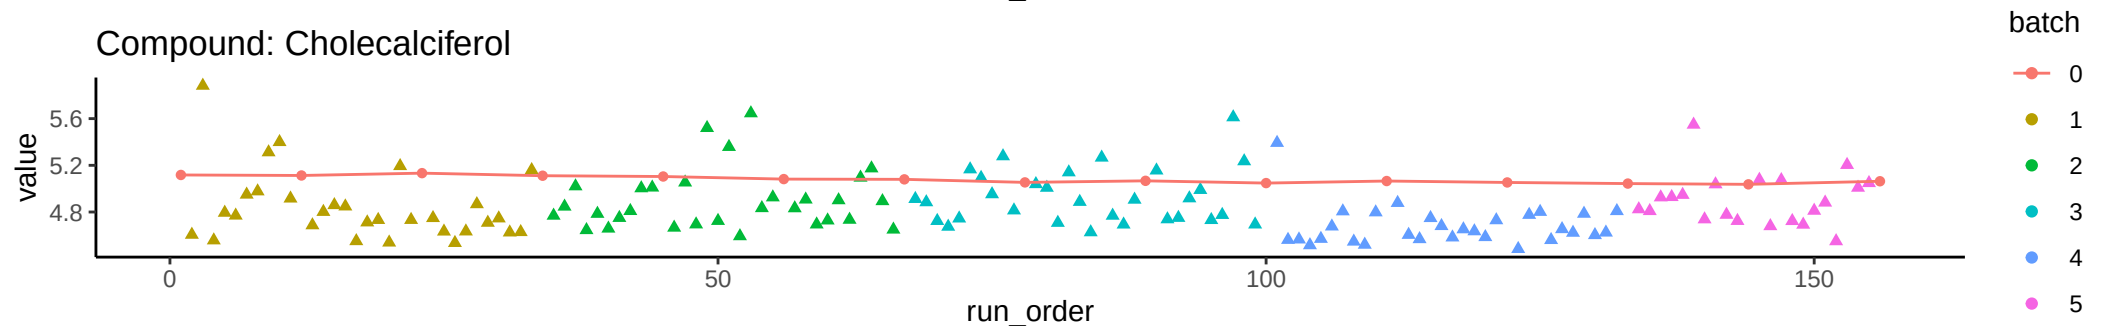

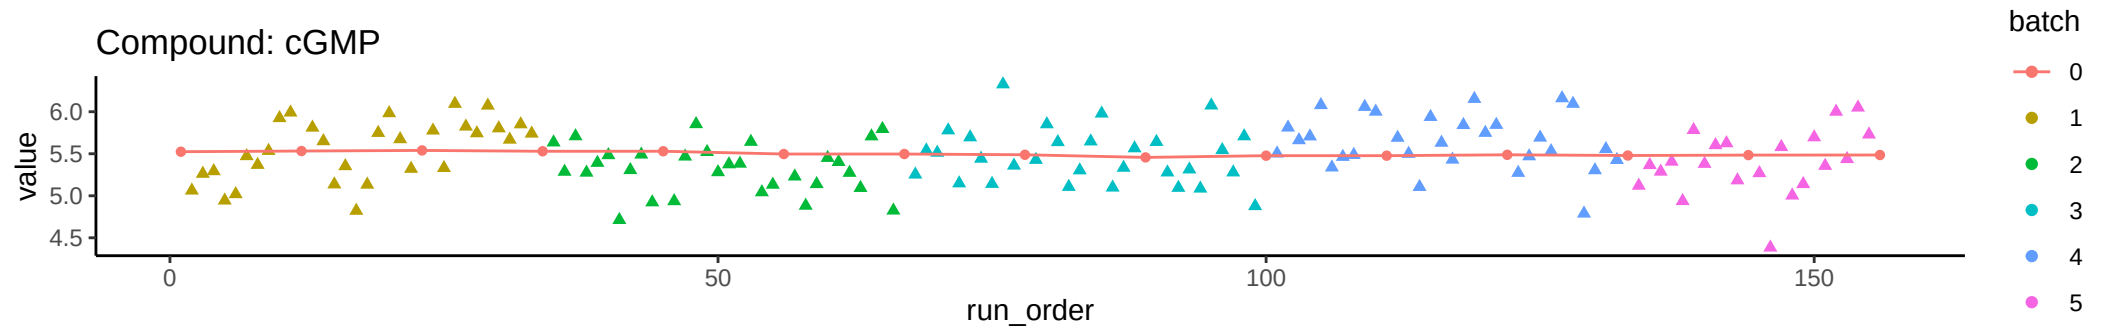

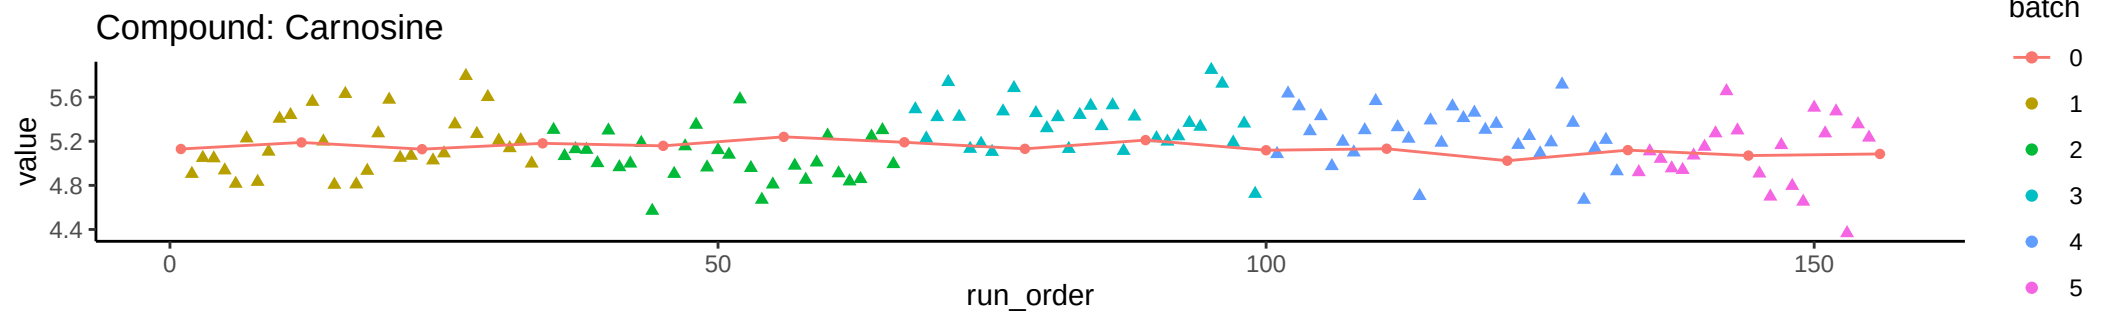

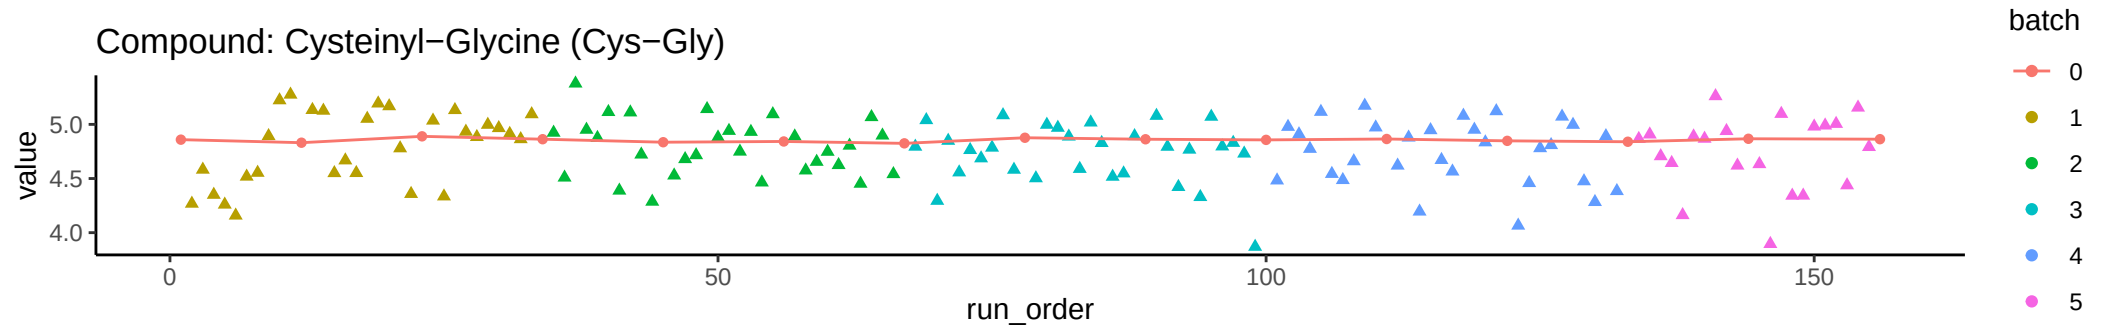

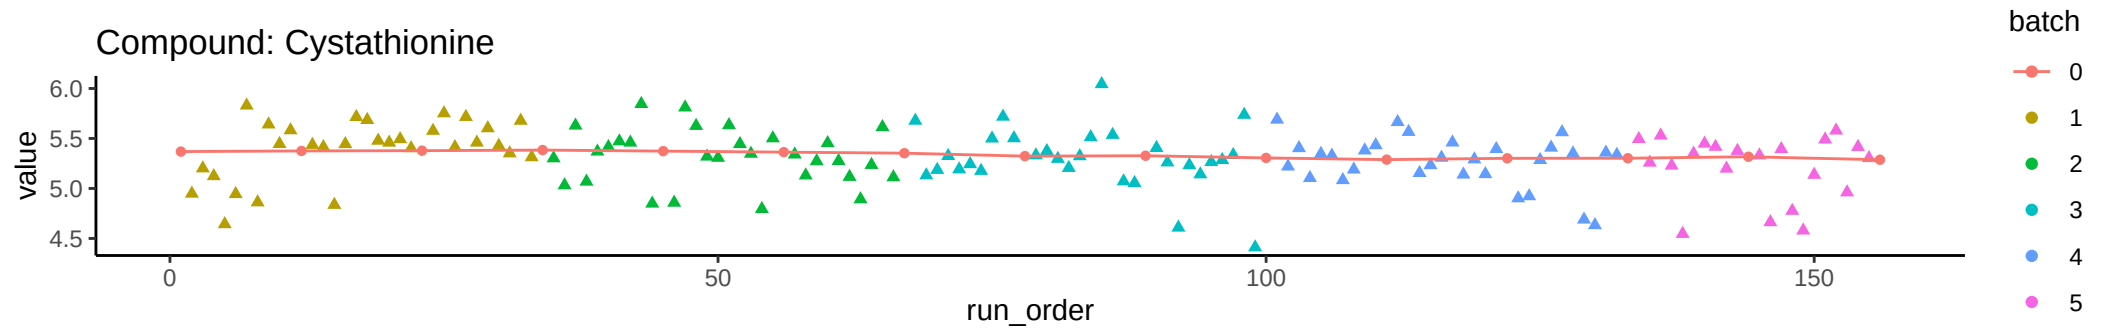

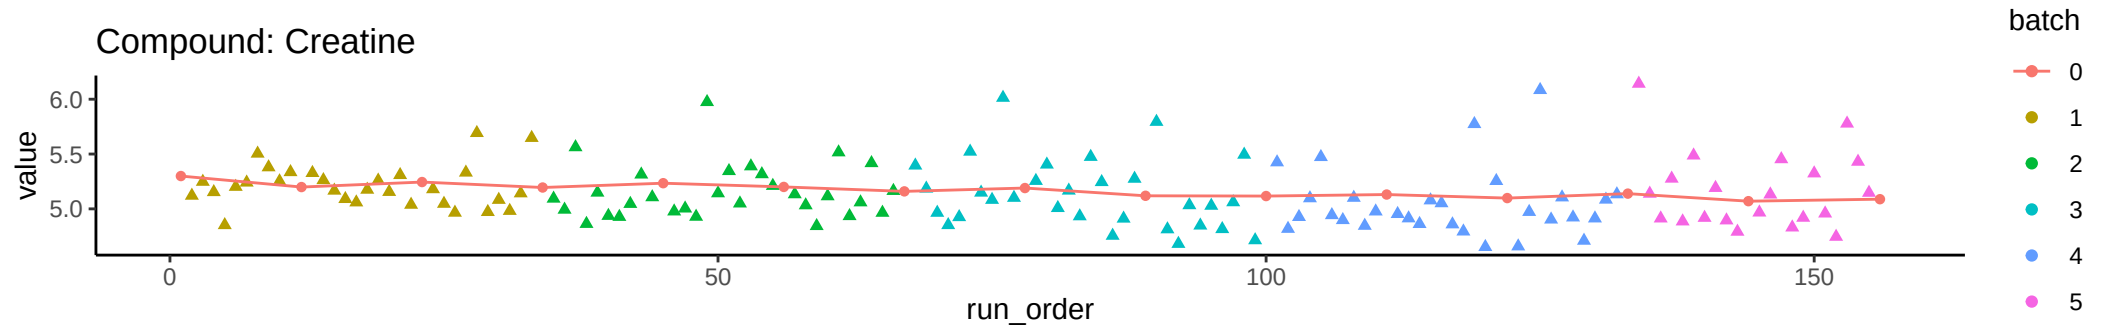

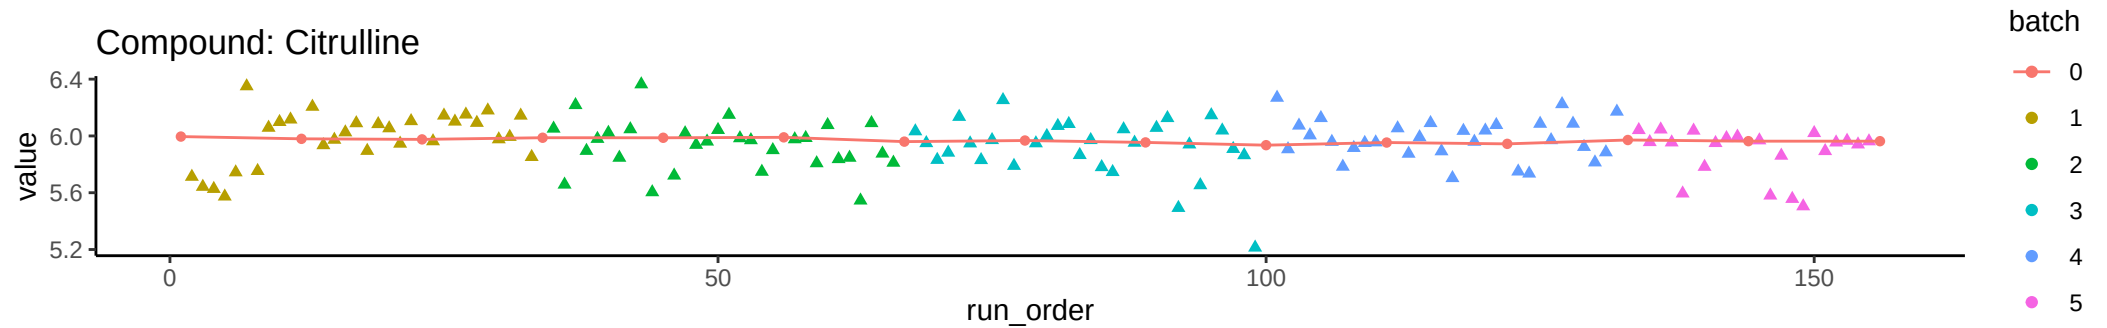

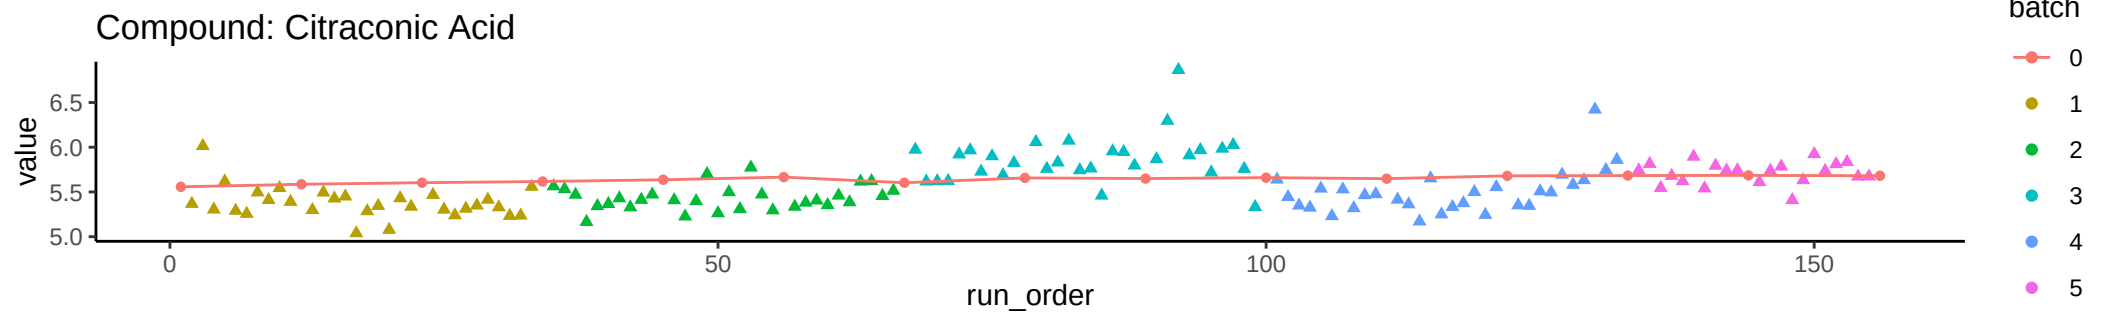

Compound: cAMP

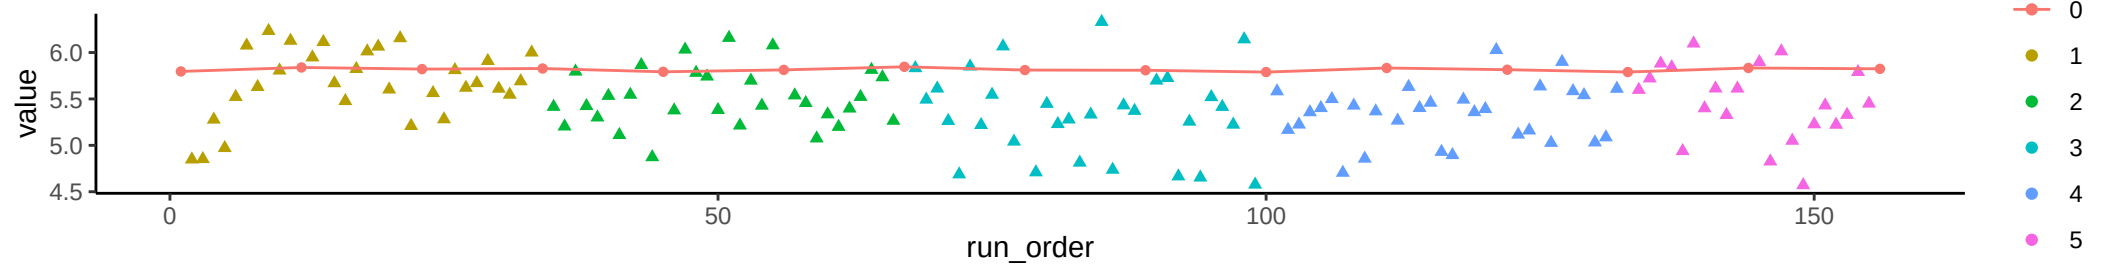

Compound: Carnitine

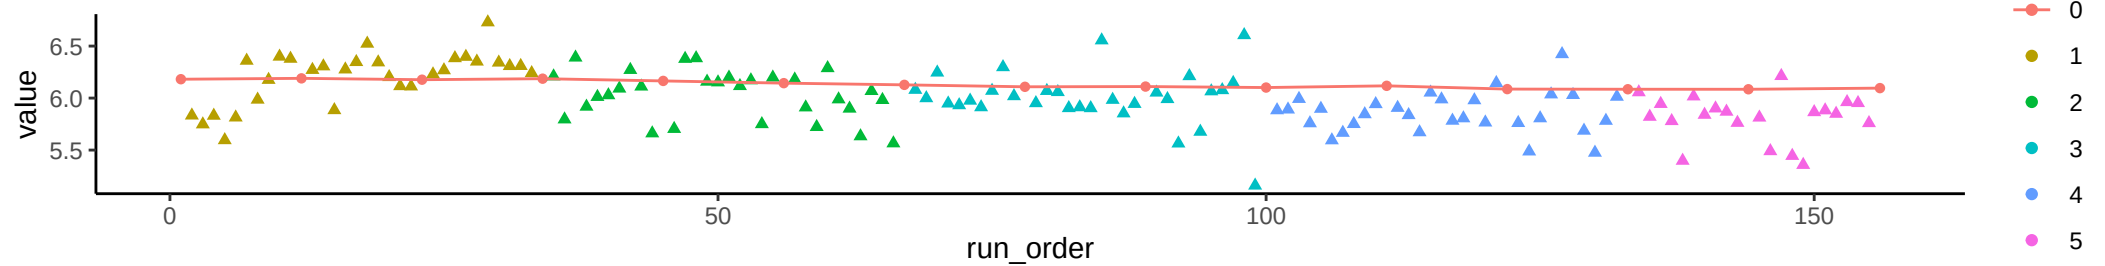

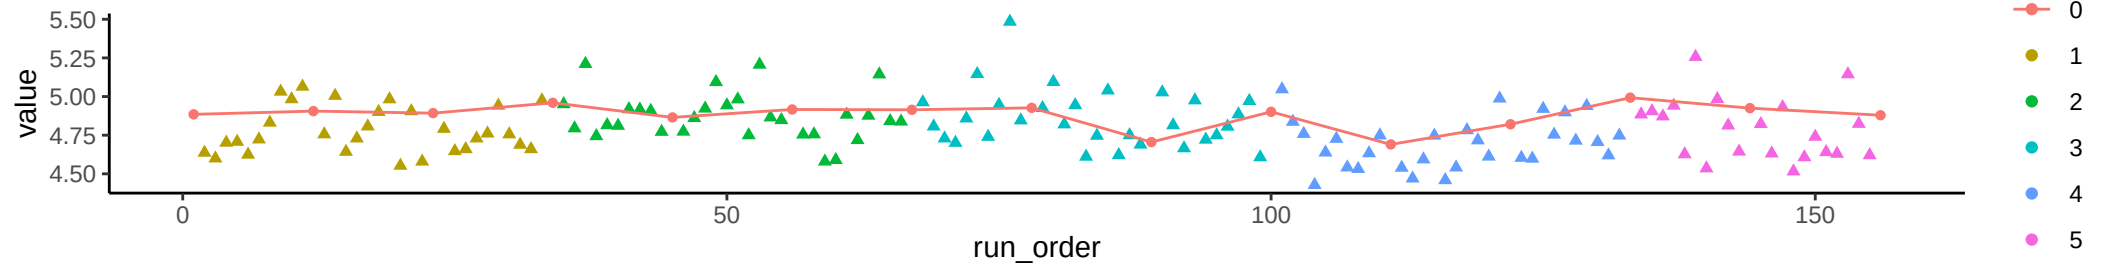

Compound: Cystine

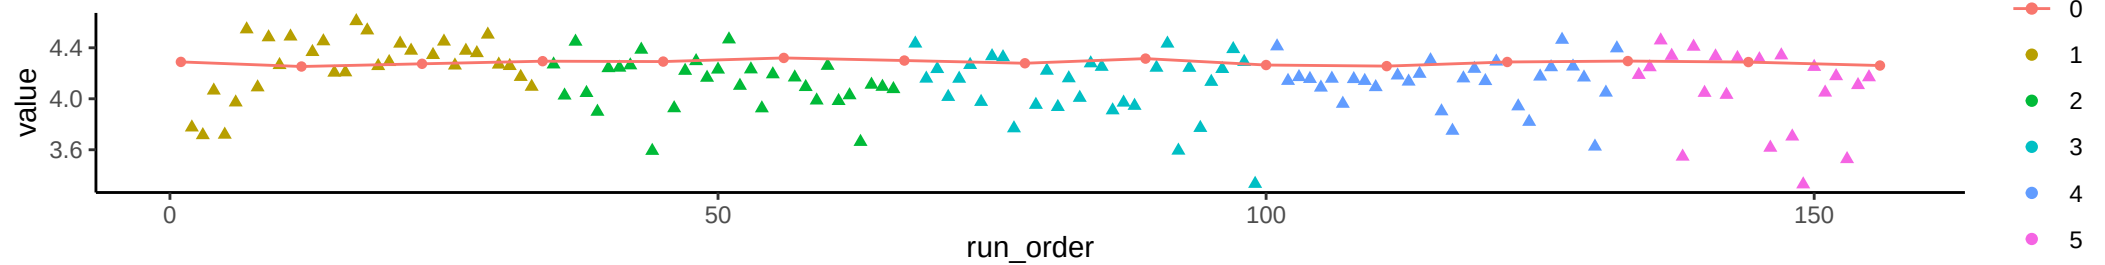

Compound: Cytidine

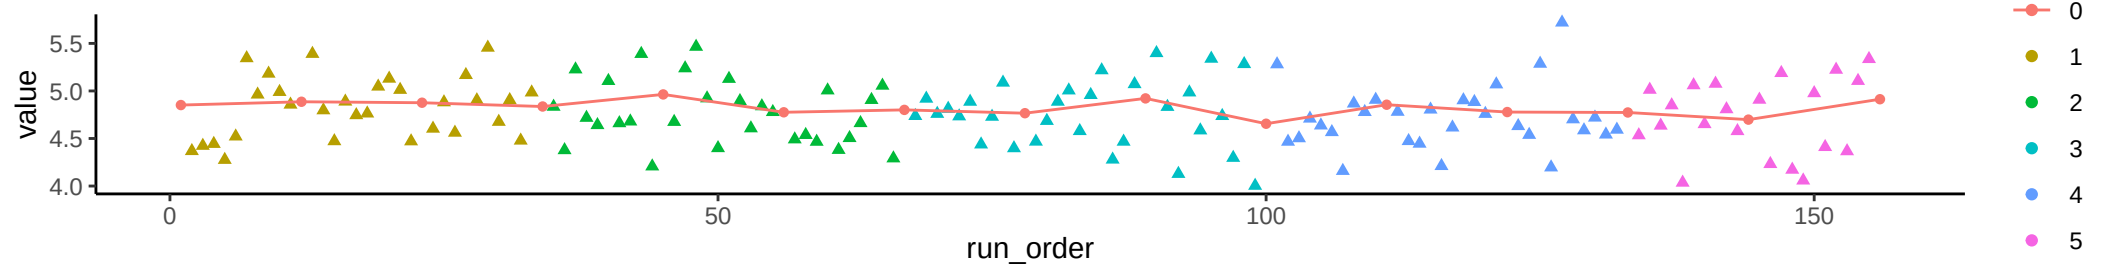

Compound: D-Leucic Acid

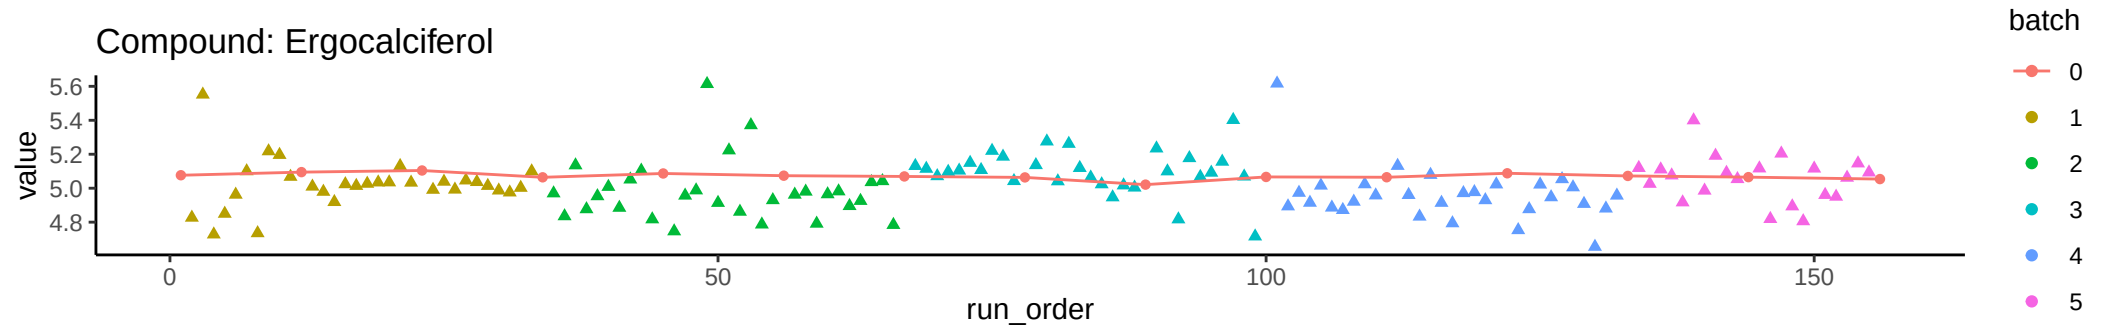

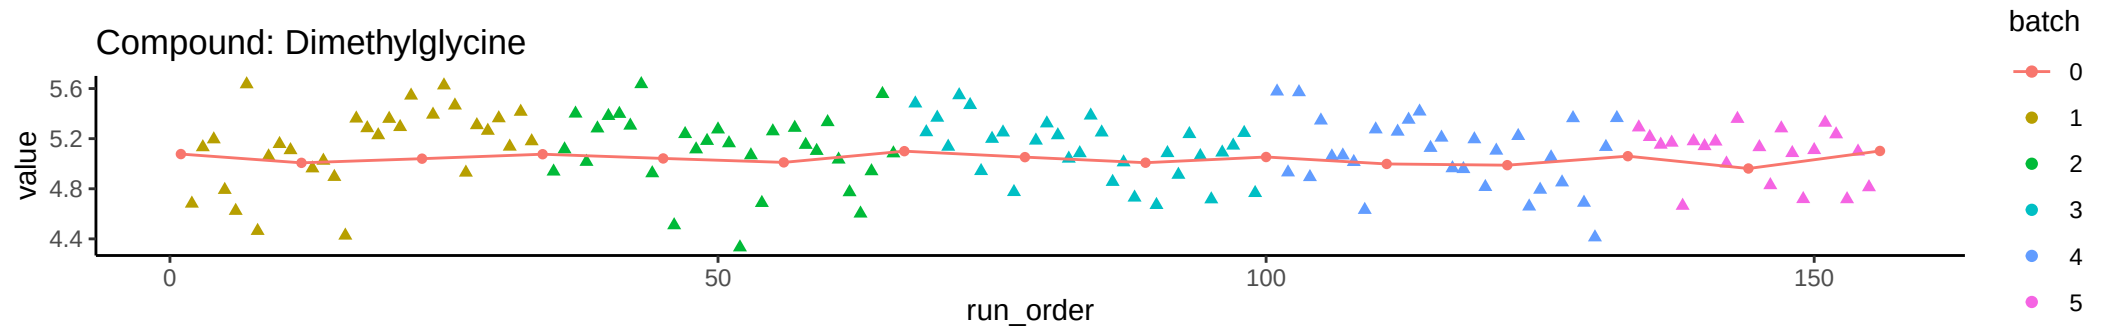

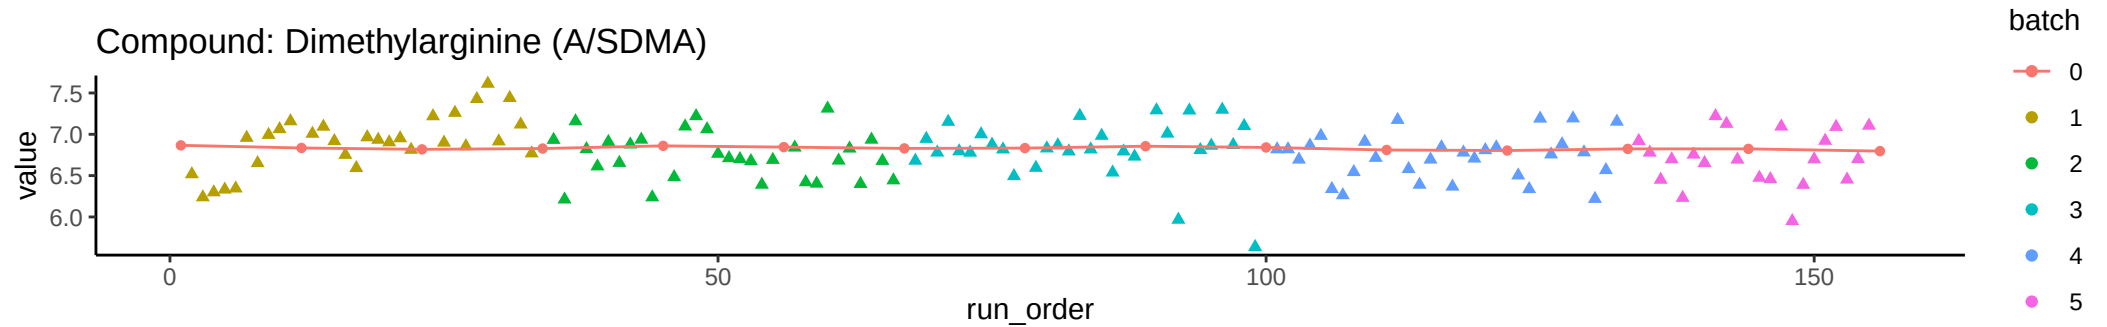

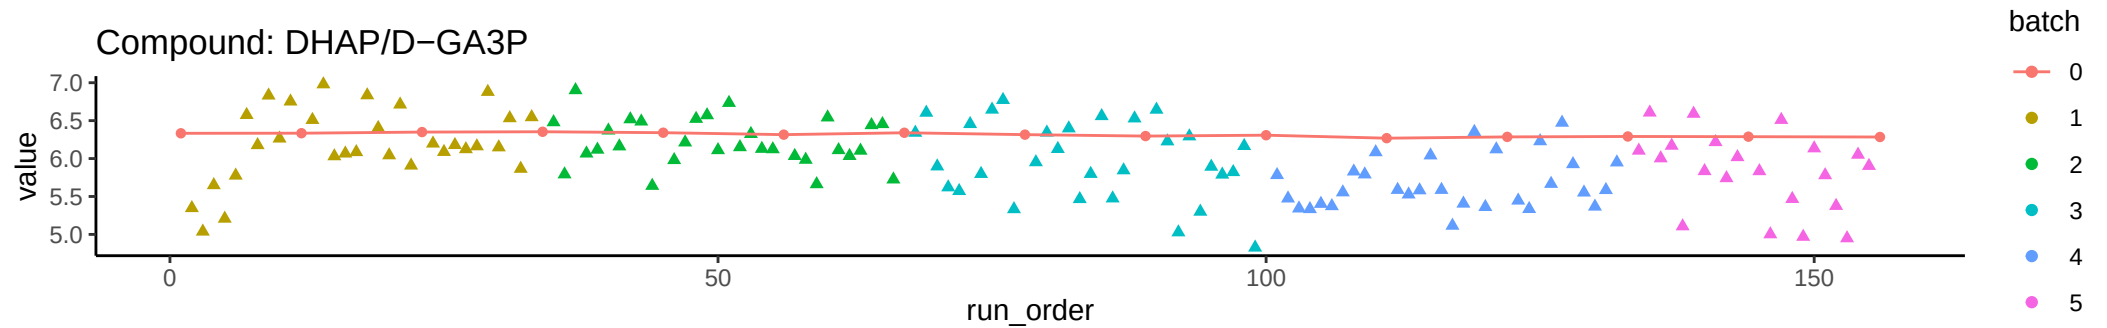

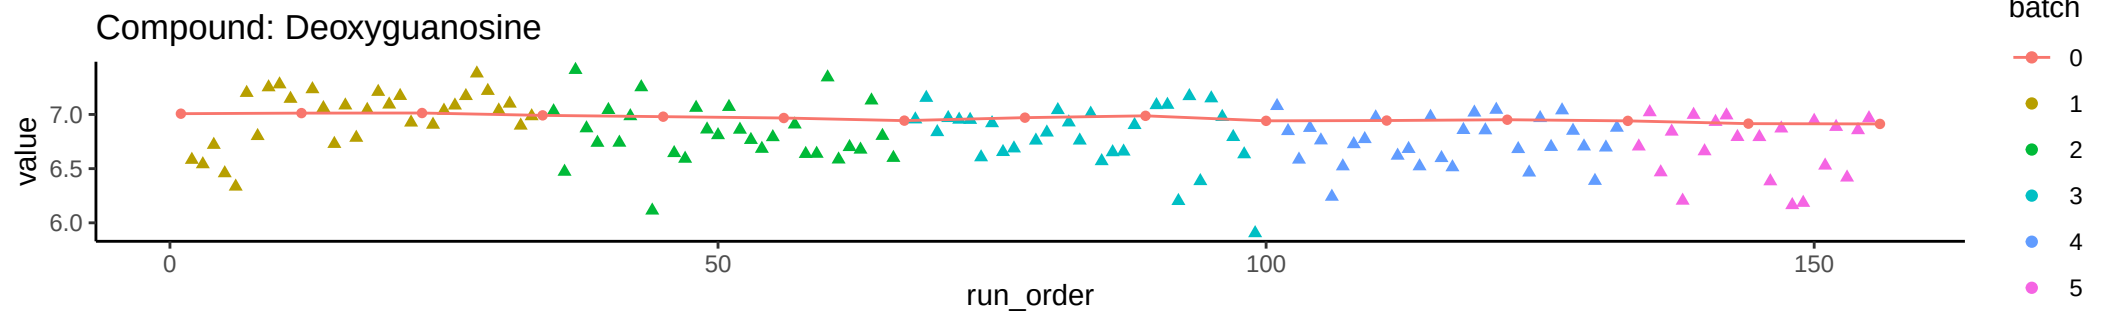

Compound: DCDP

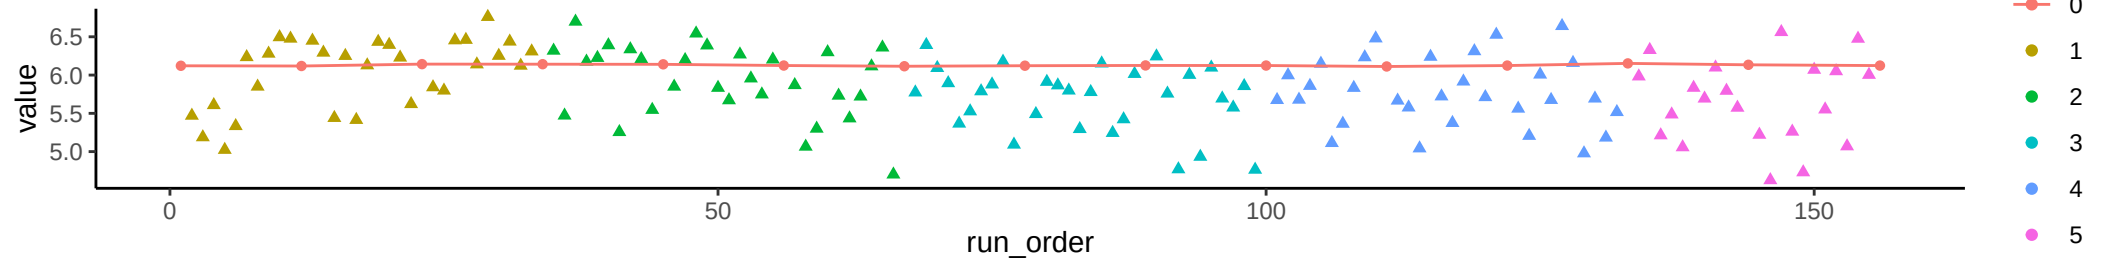

Compound: Deoxycarnitine

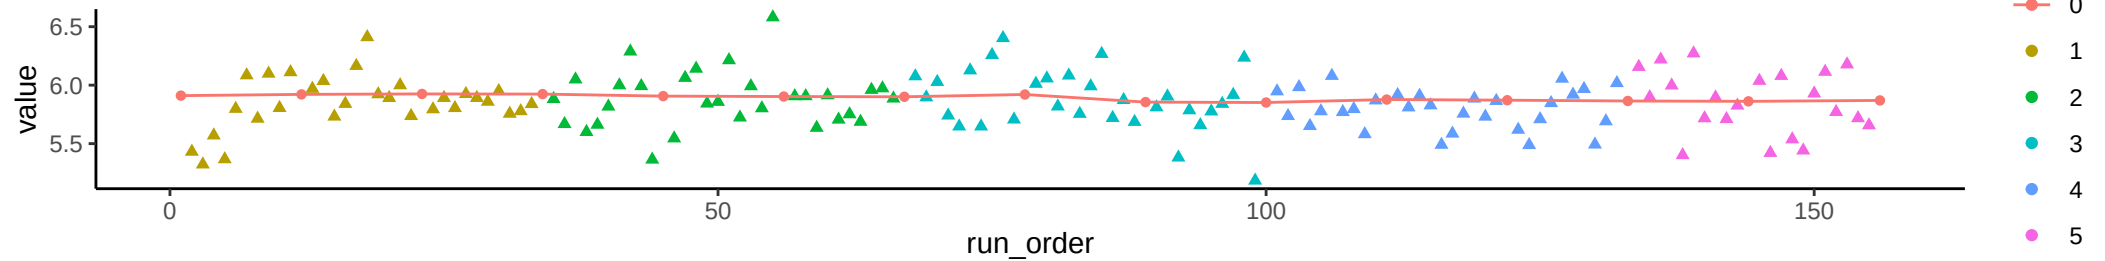

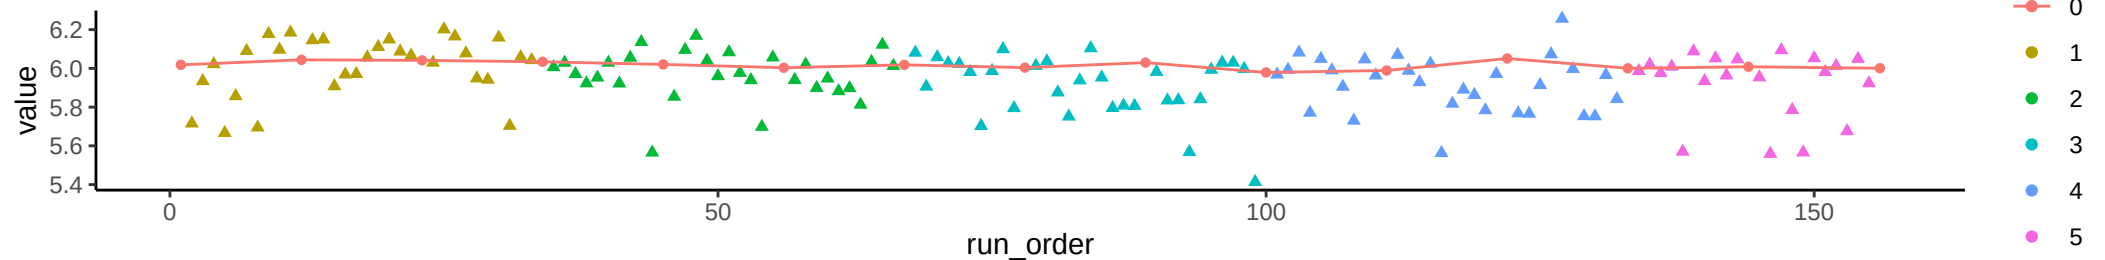

Compound: Erythrose-4-Phosphate

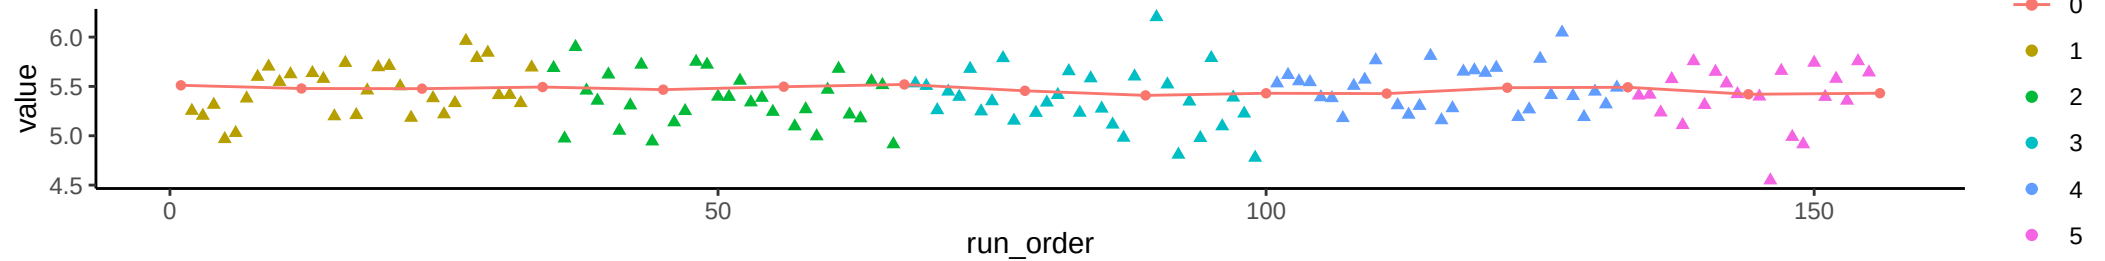

Compound: Ethanolamine

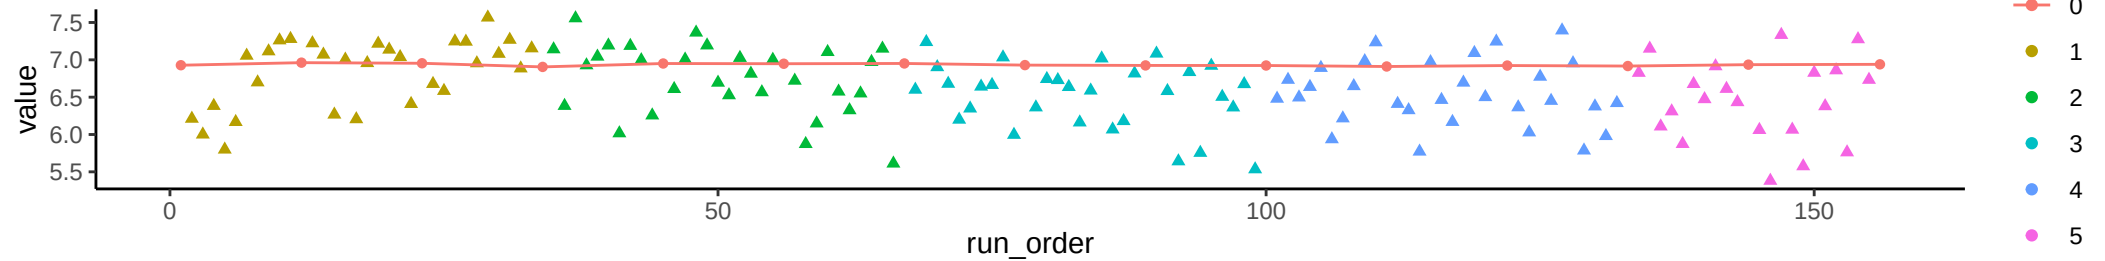

Compound: FAD

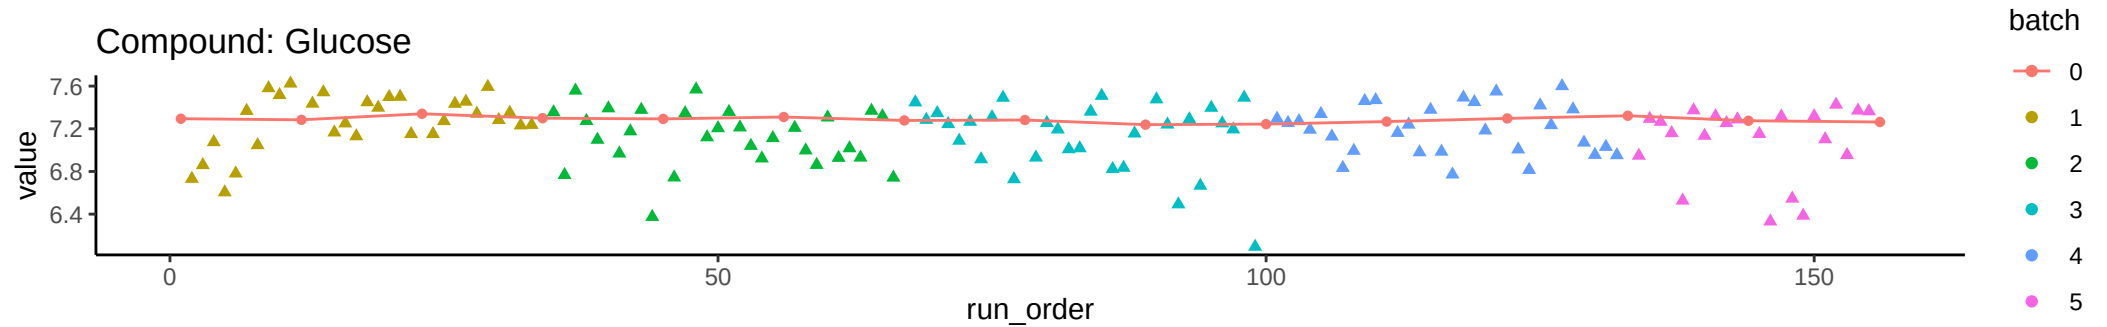

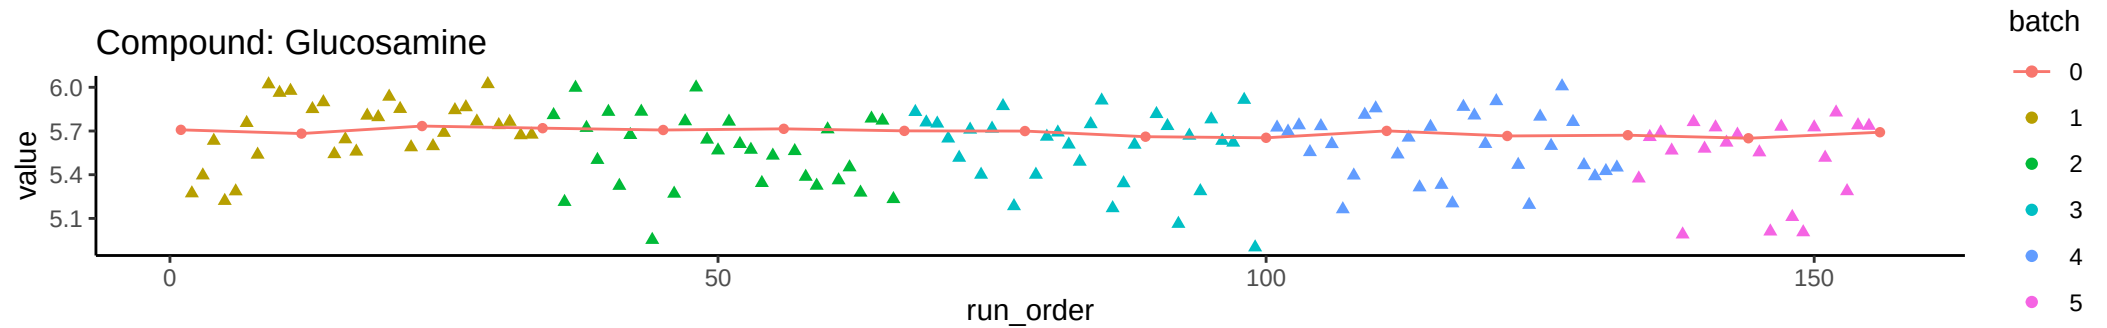

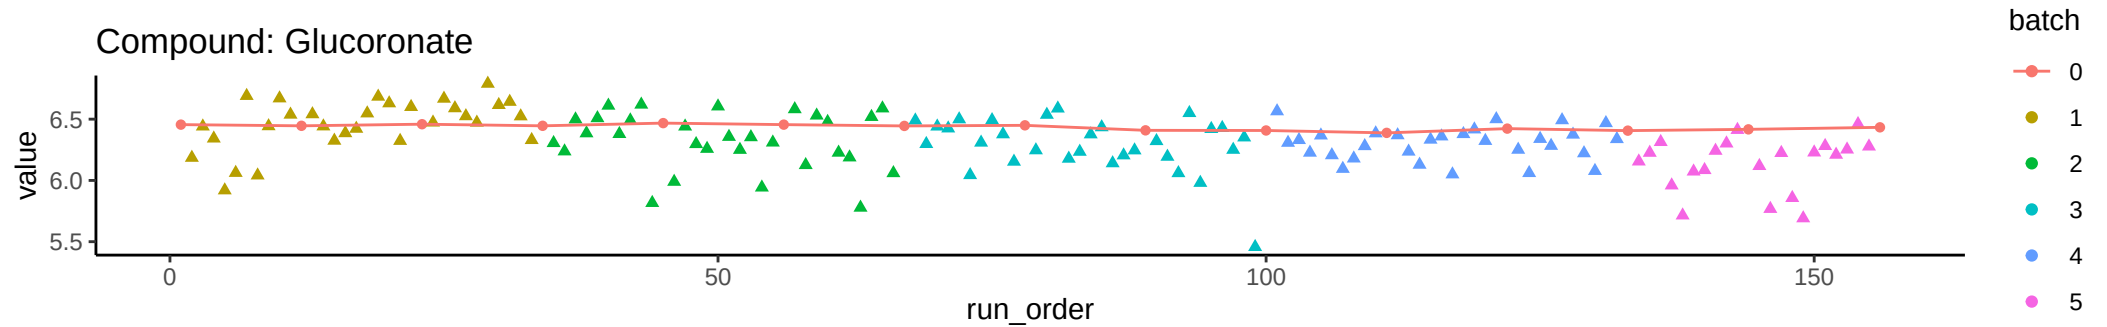

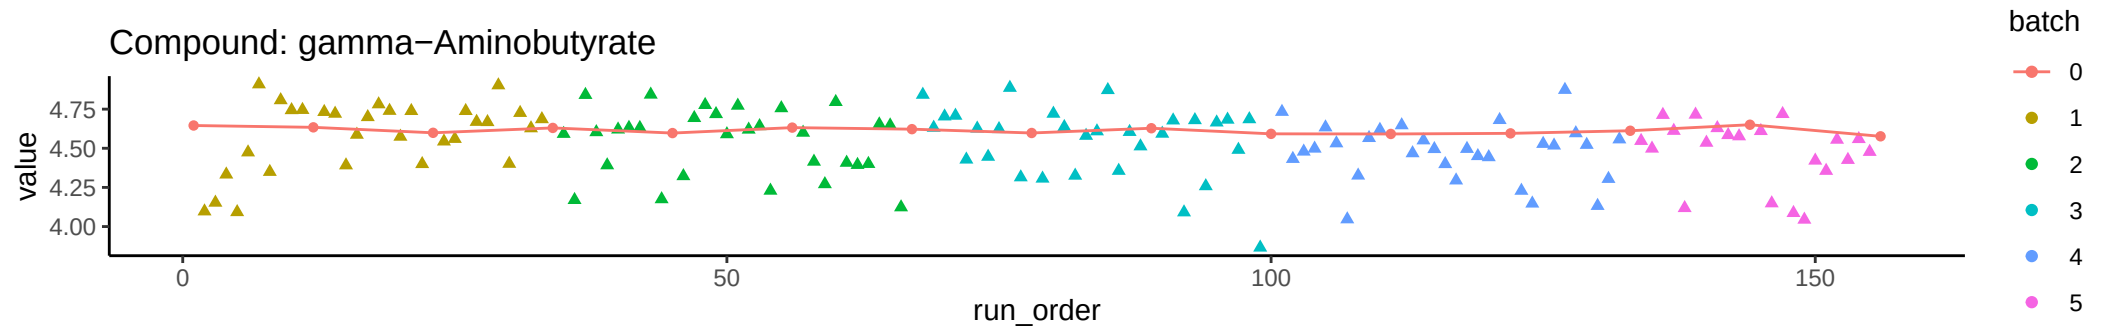

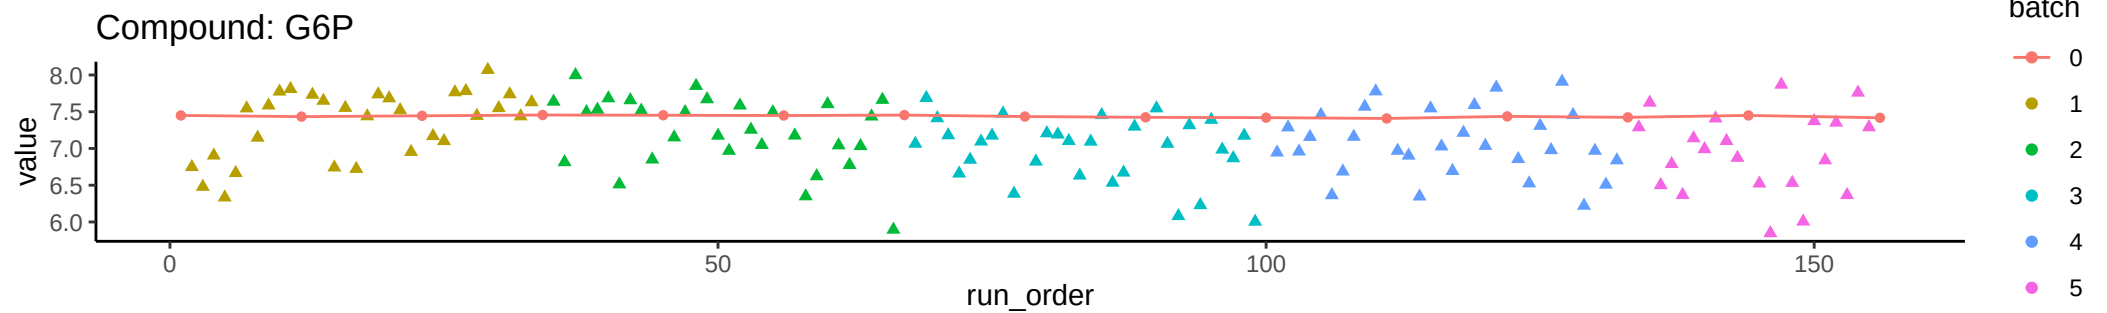

Compound: Fructose

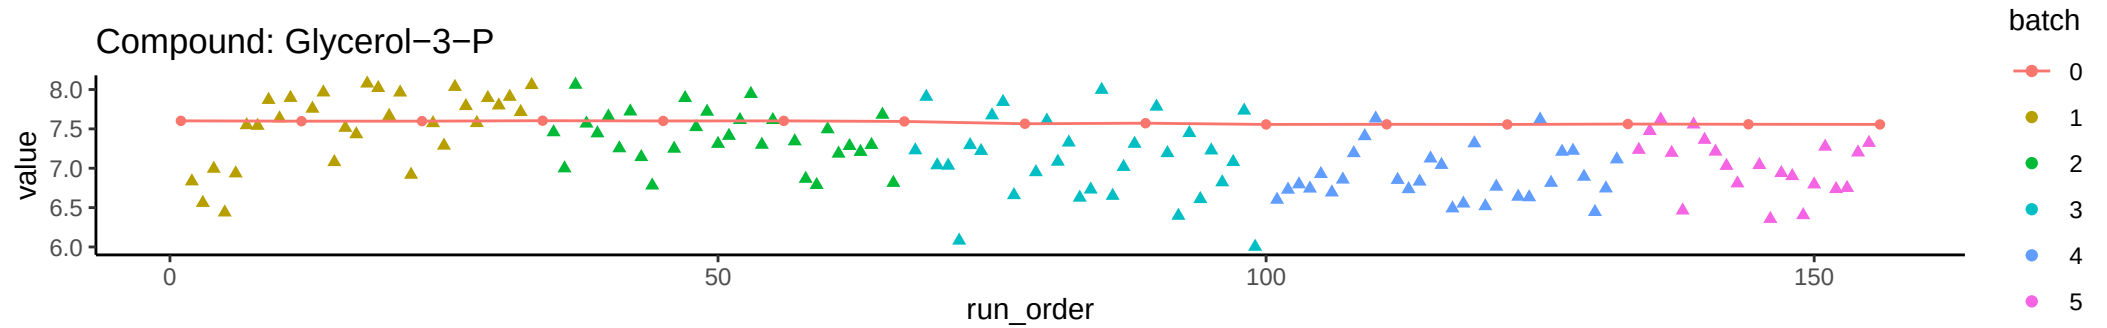

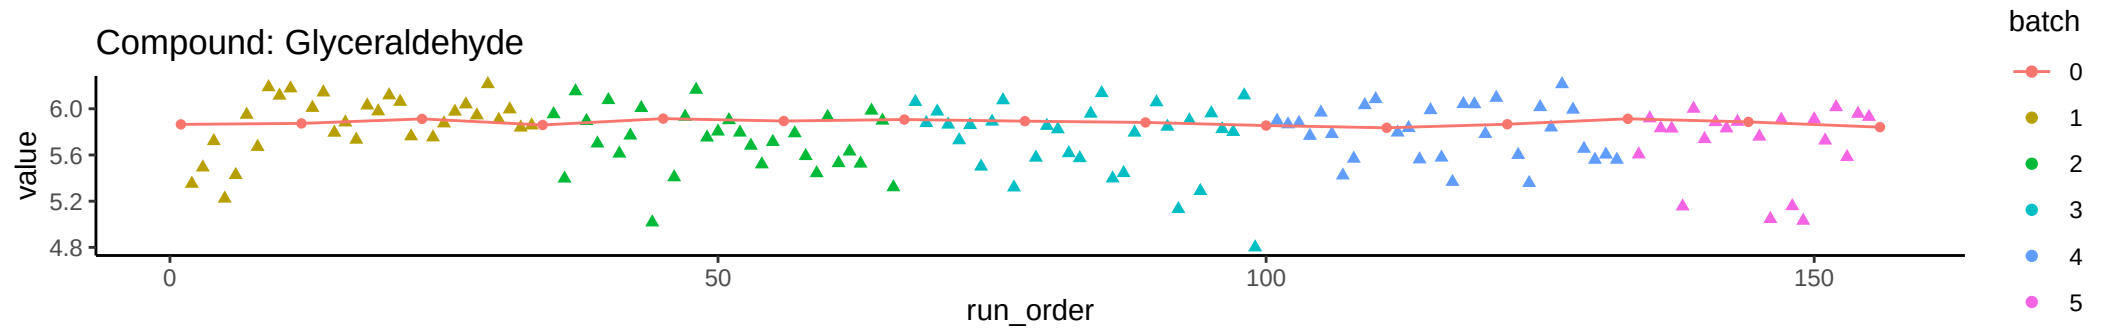

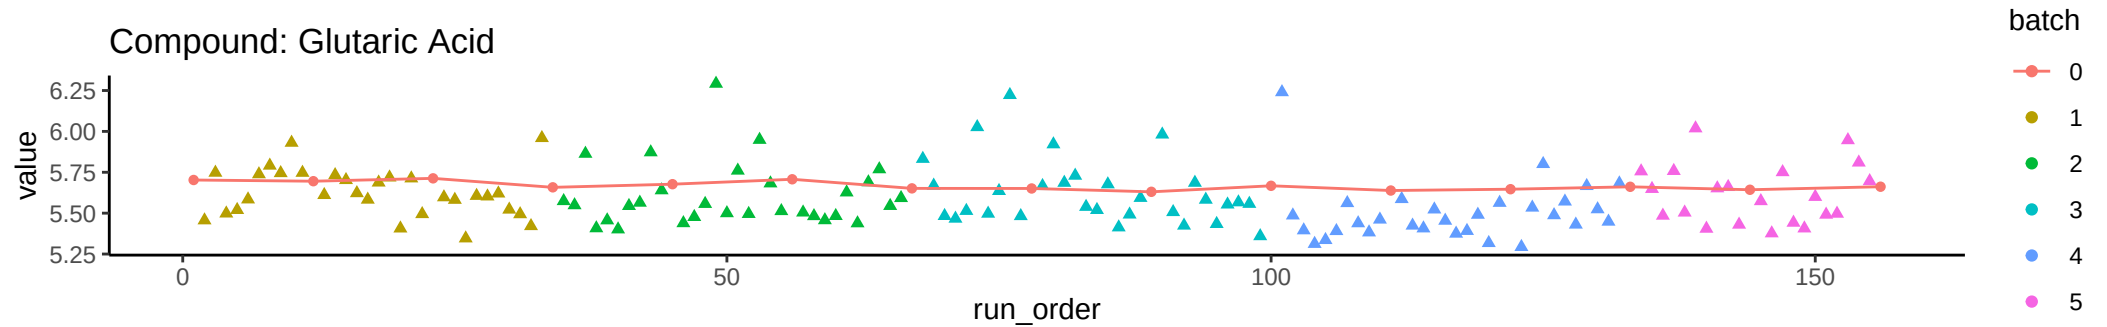

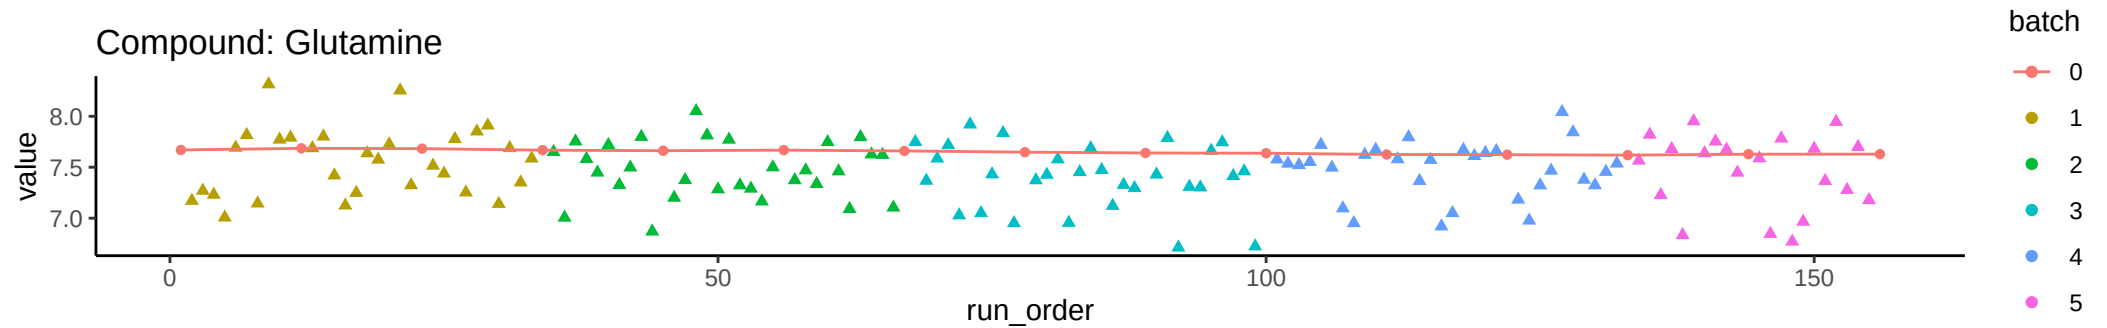

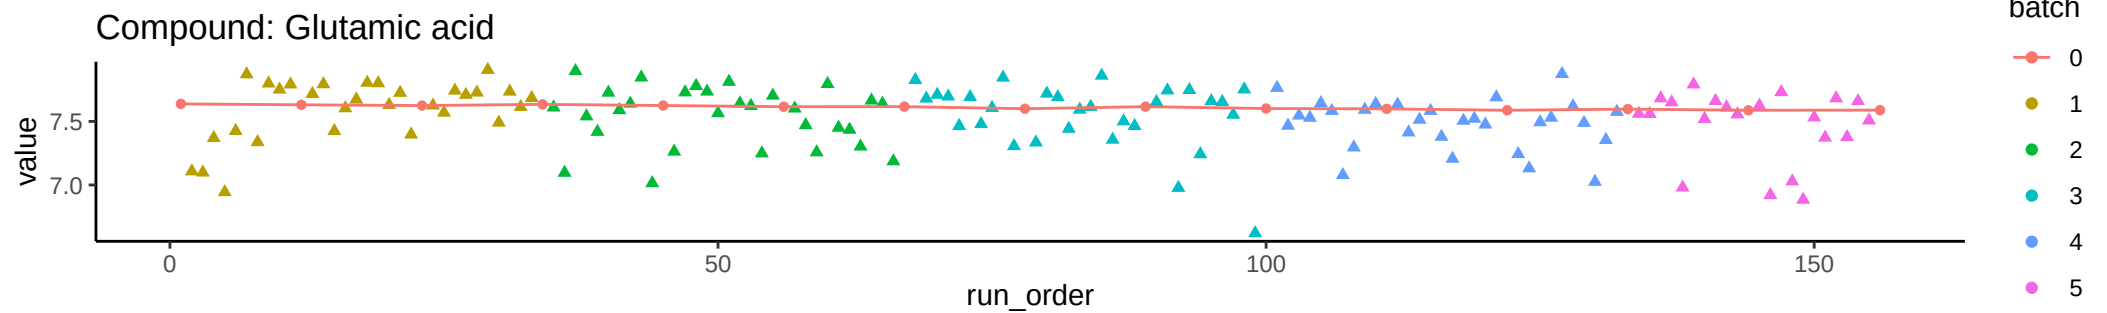

Compound: G1P/F1P/F6P

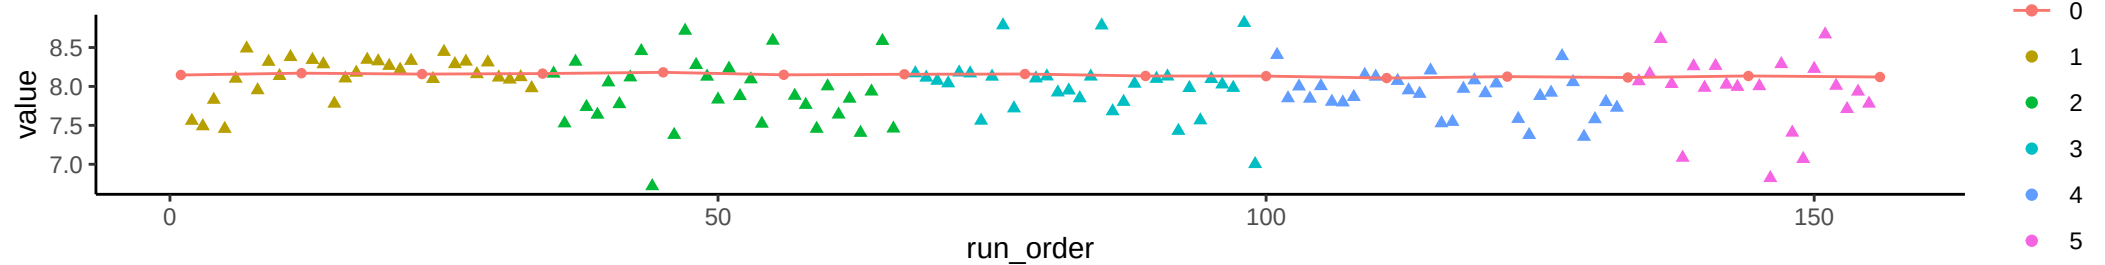

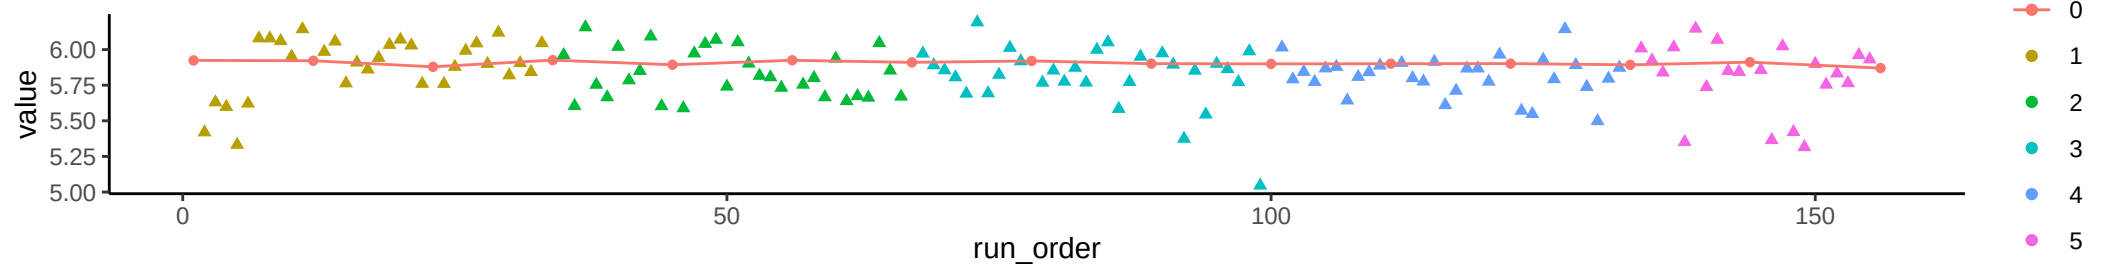

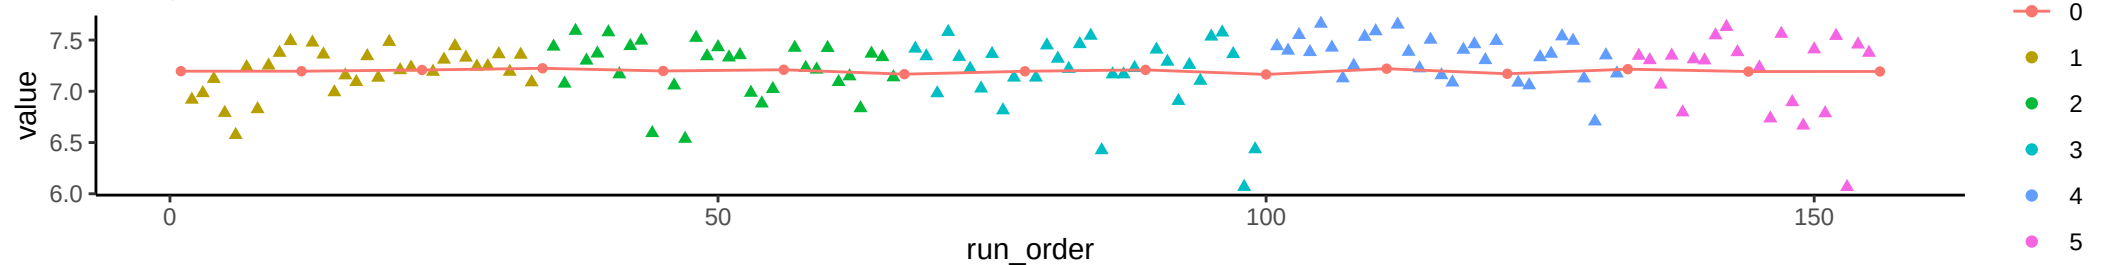

Compound: Glycerophosphocholine

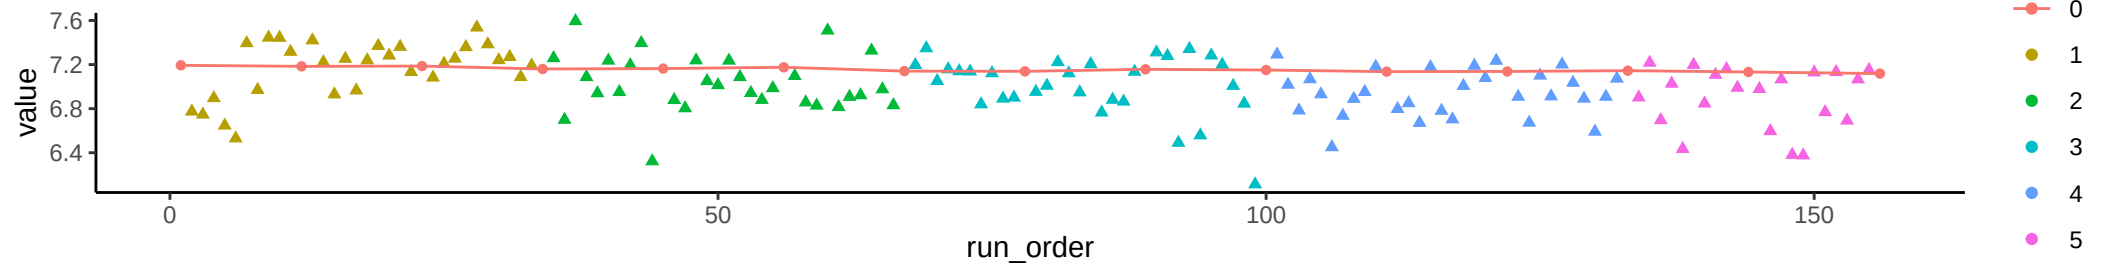

Compound: Glycine

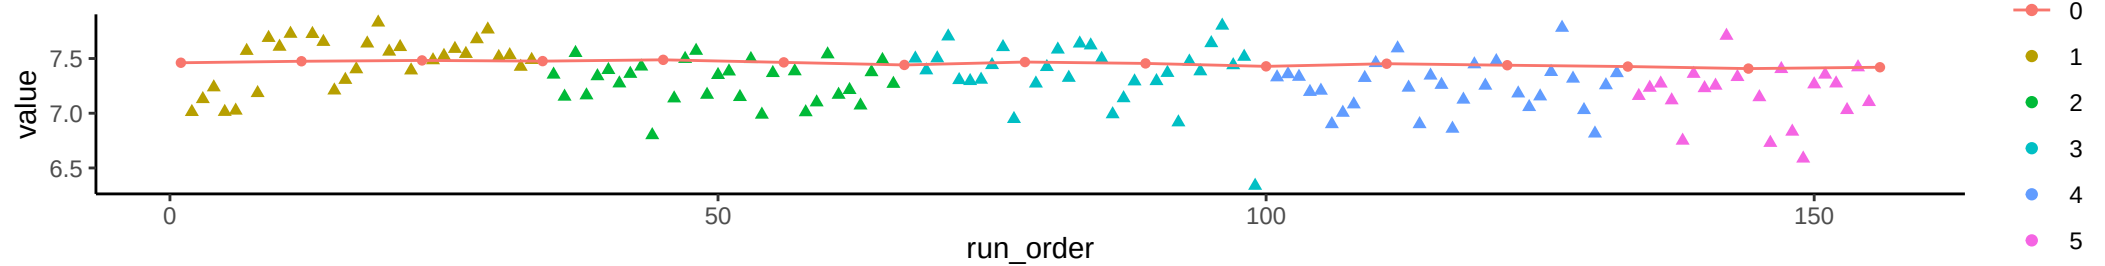

Compound: GMP

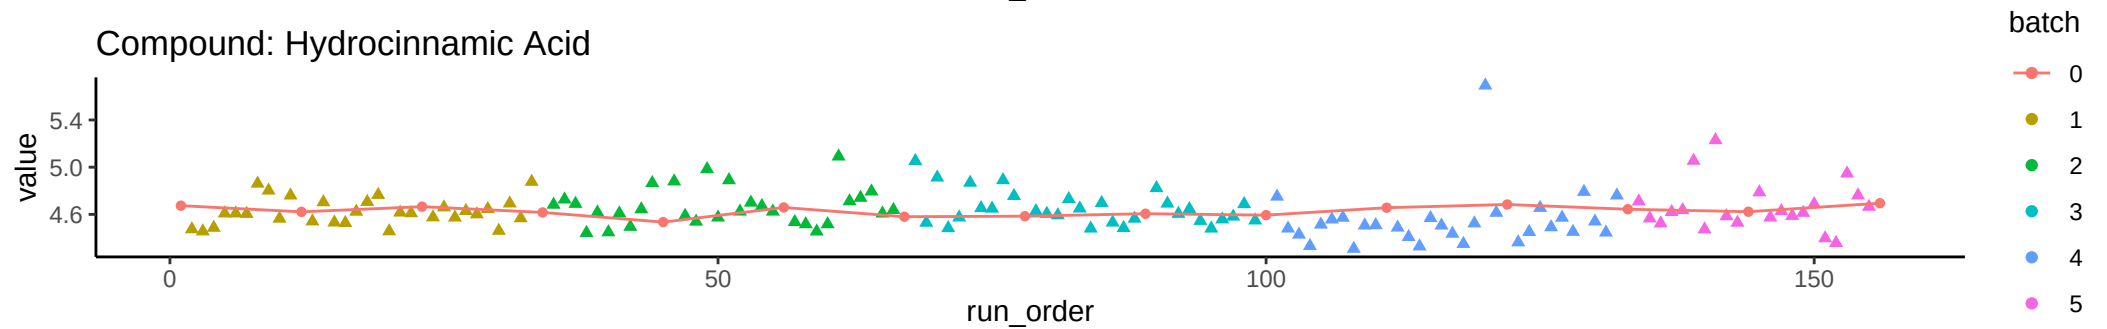

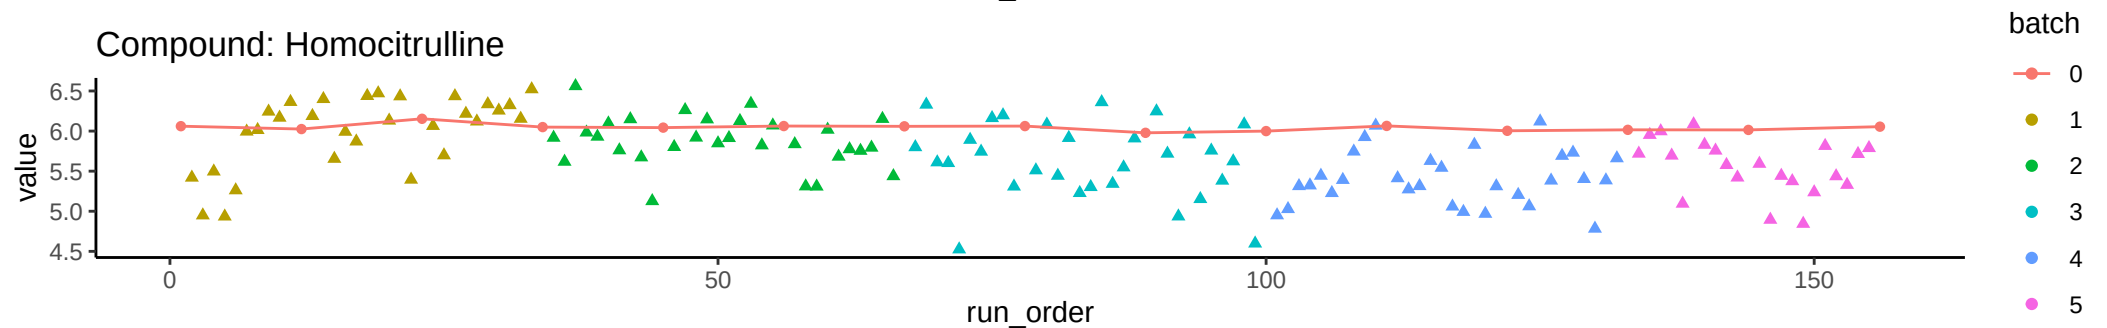

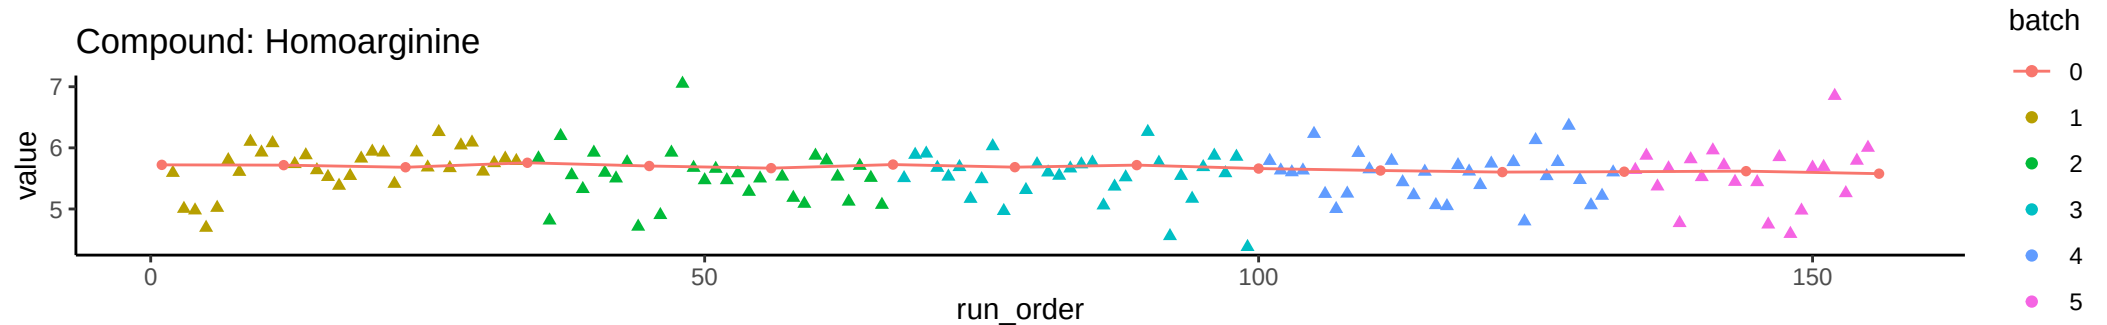

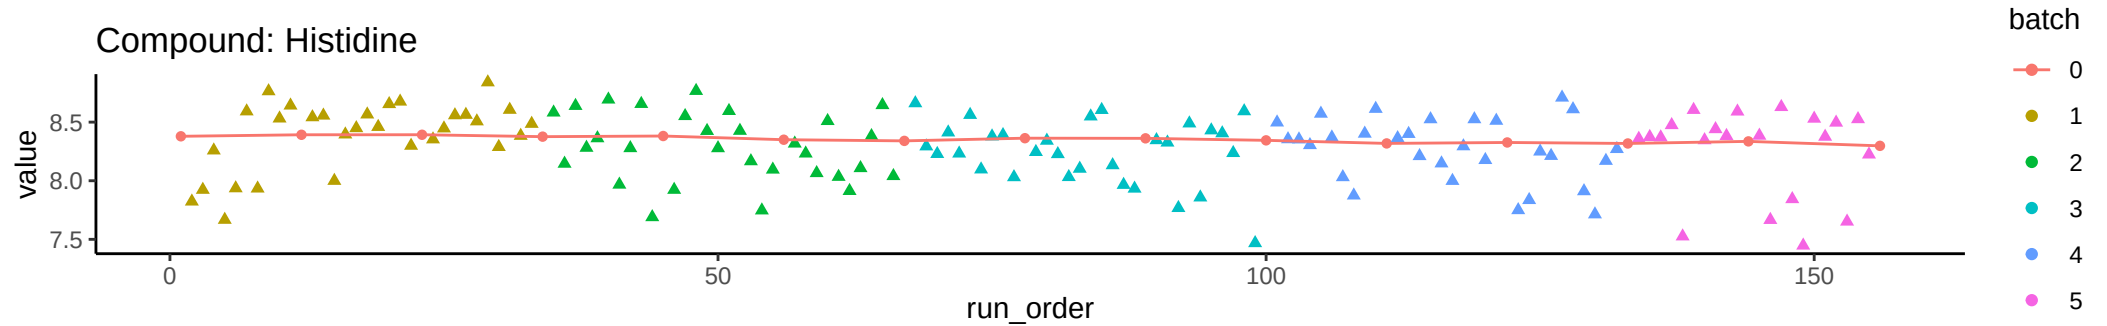

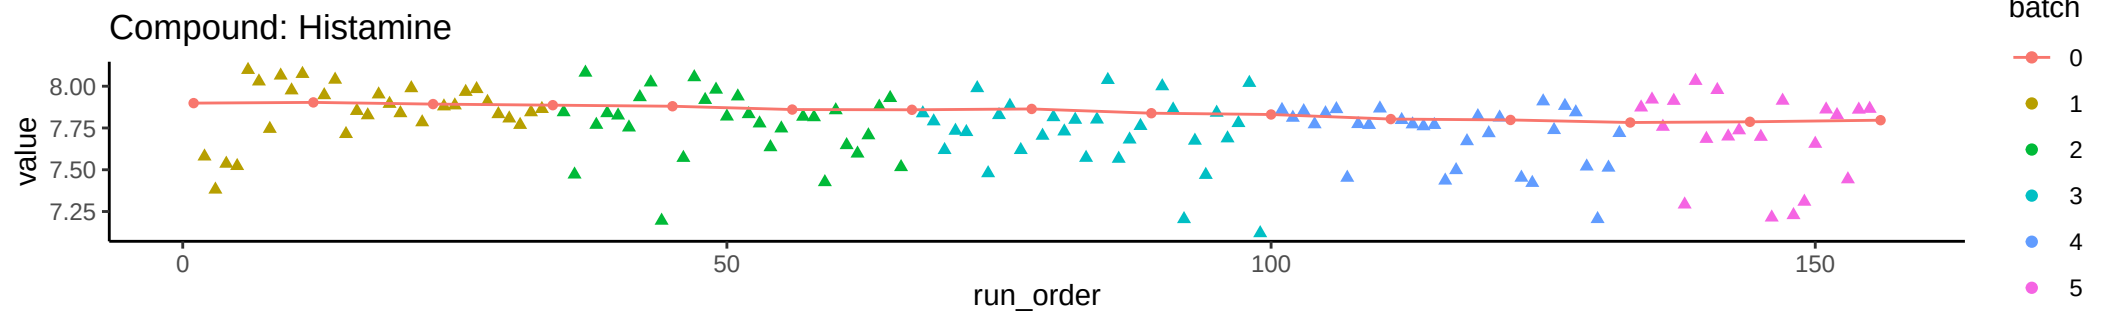

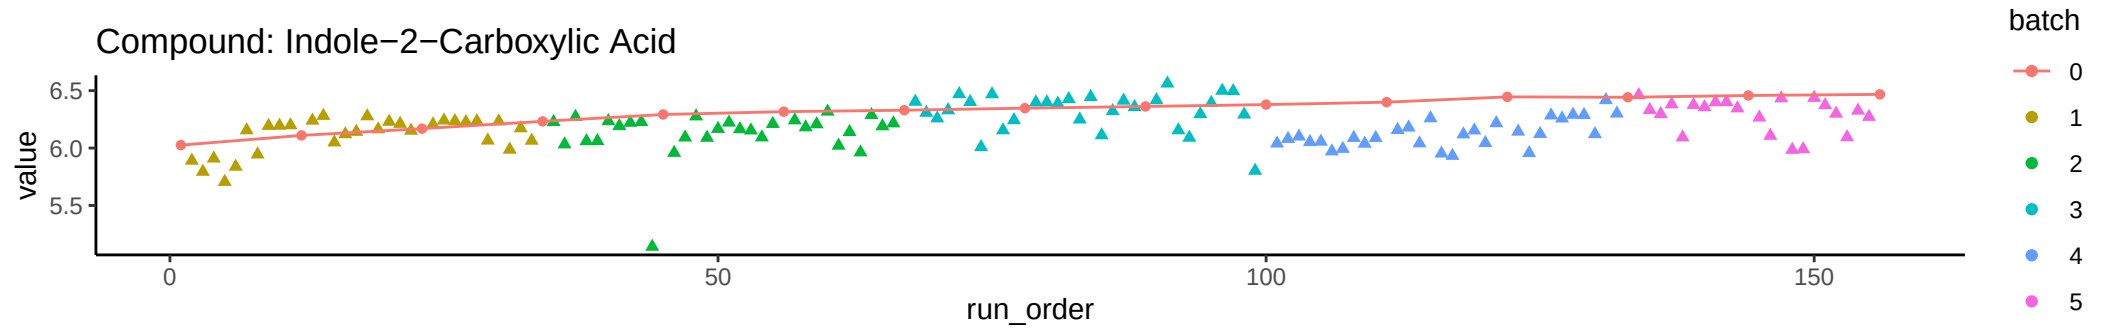

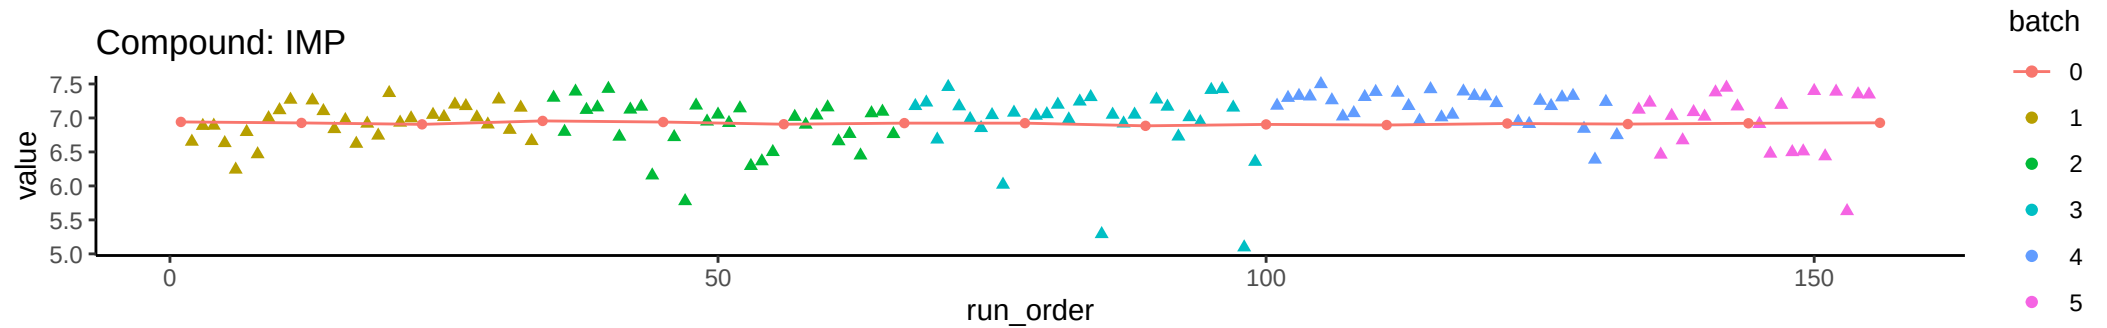

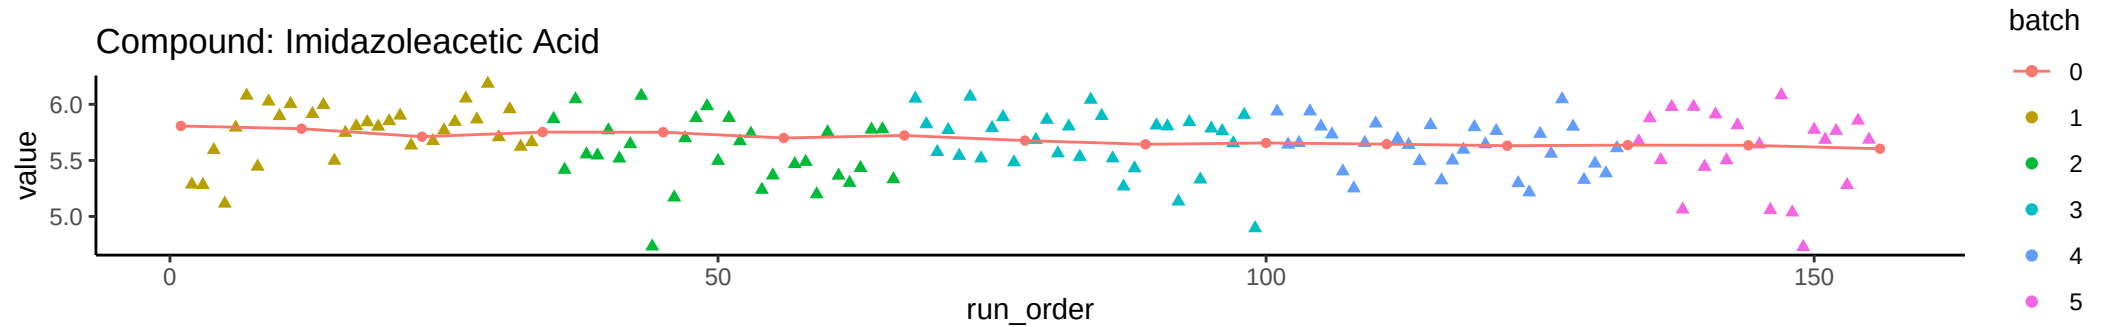

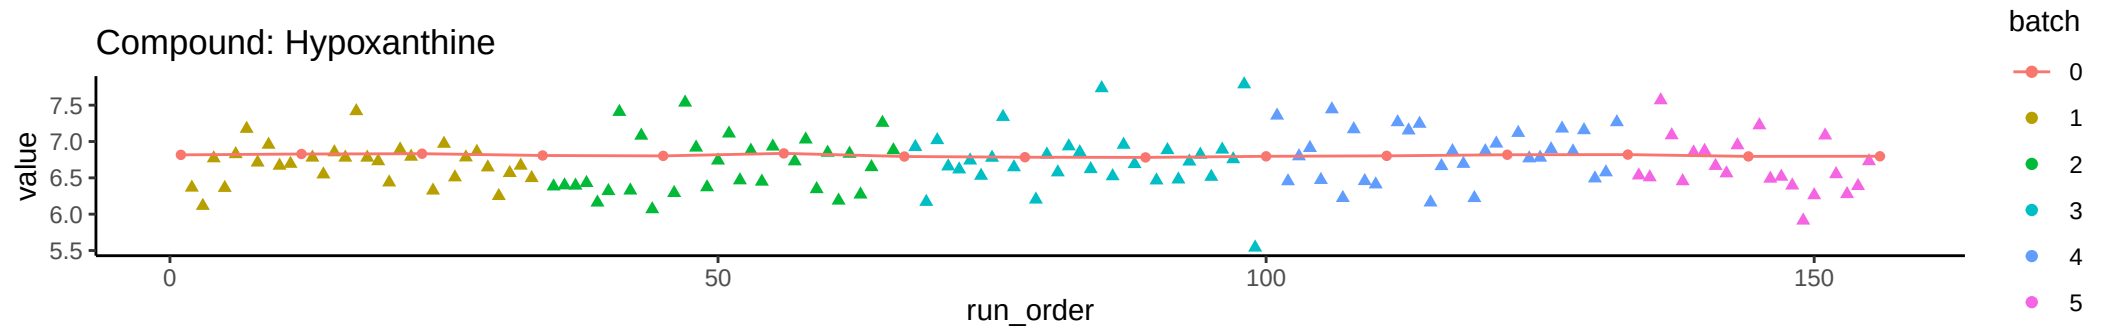

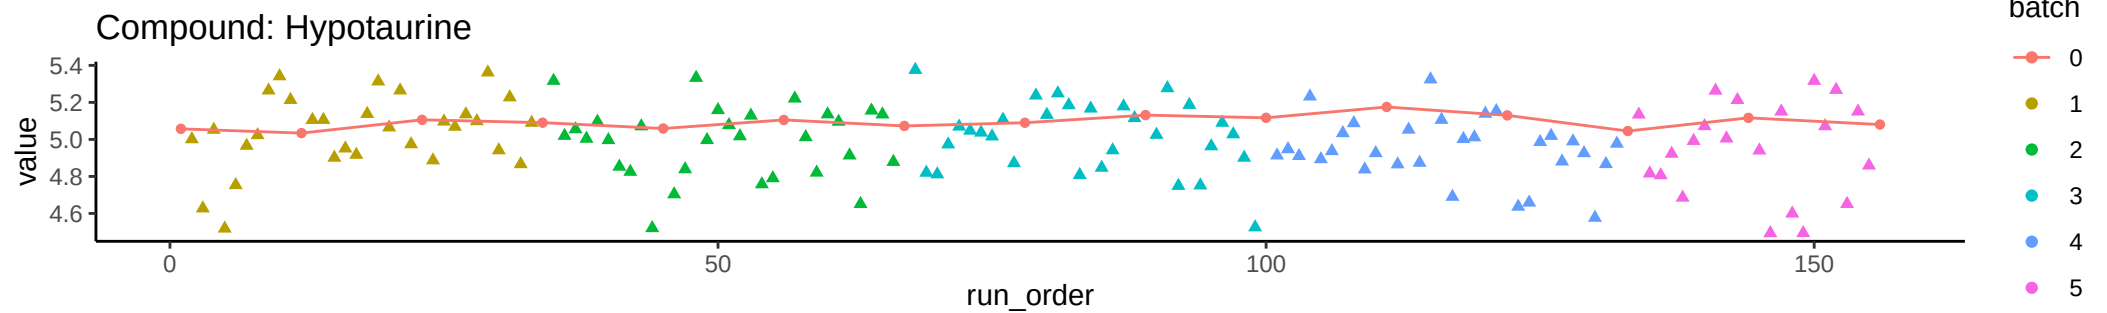

Compound: Guanine

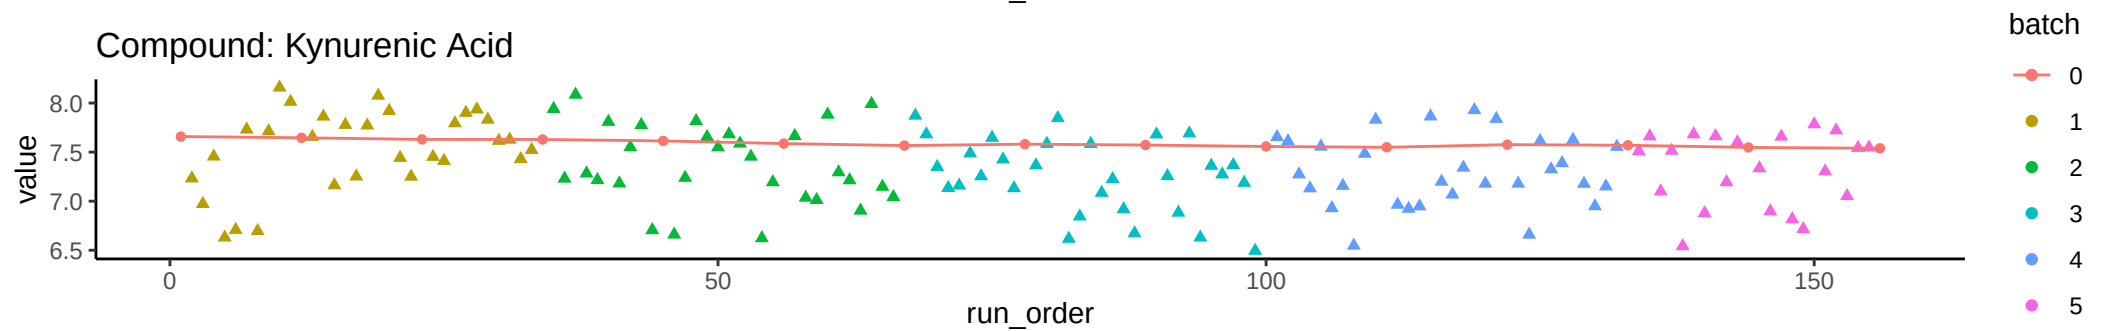

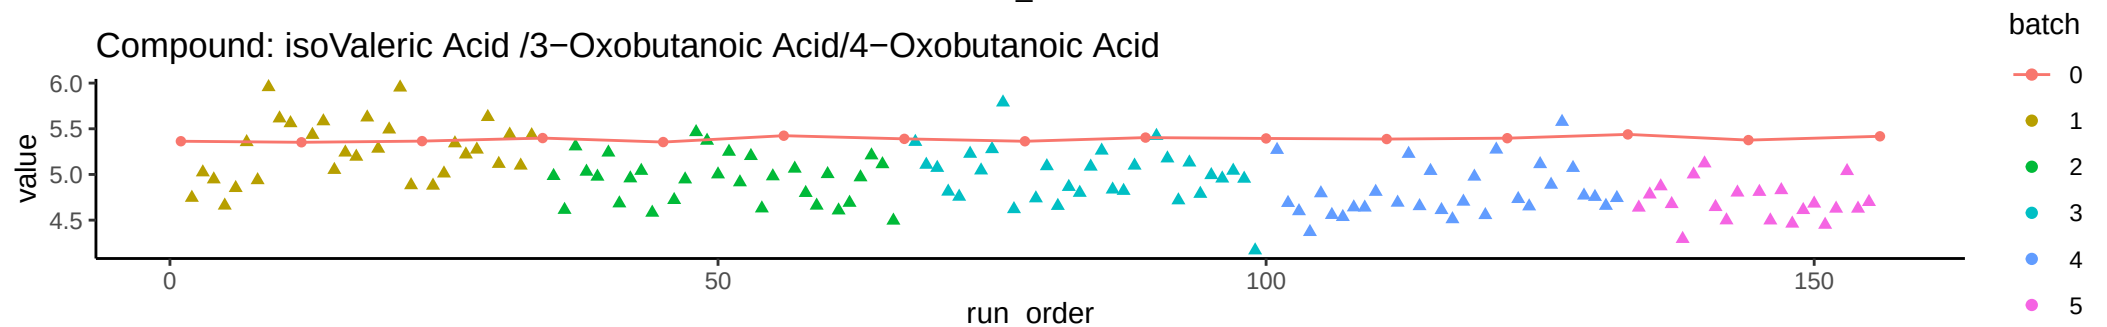

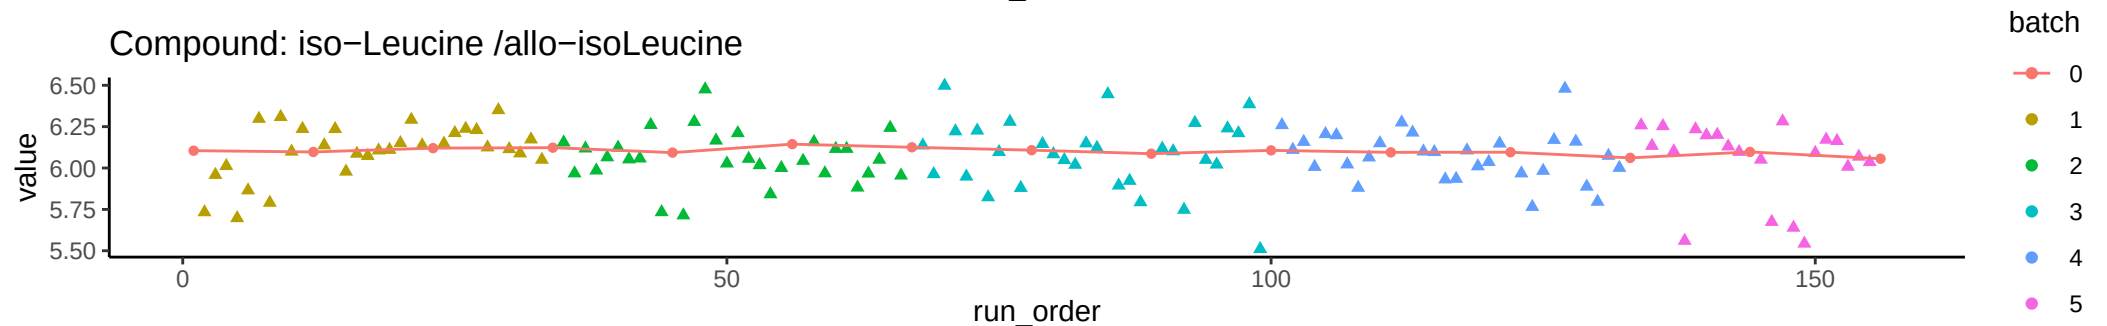

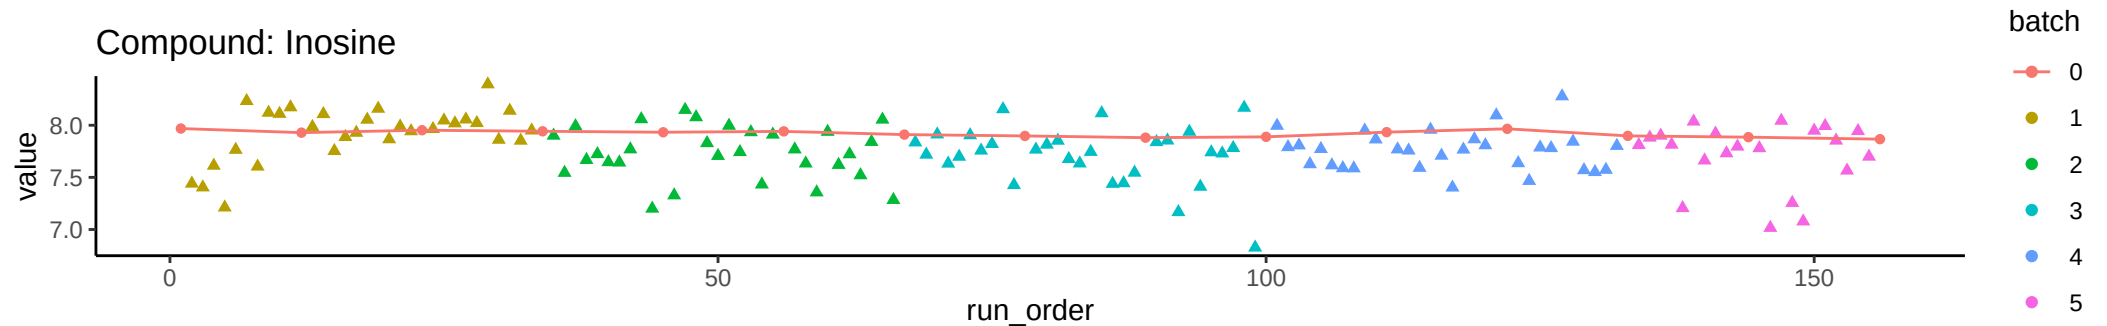

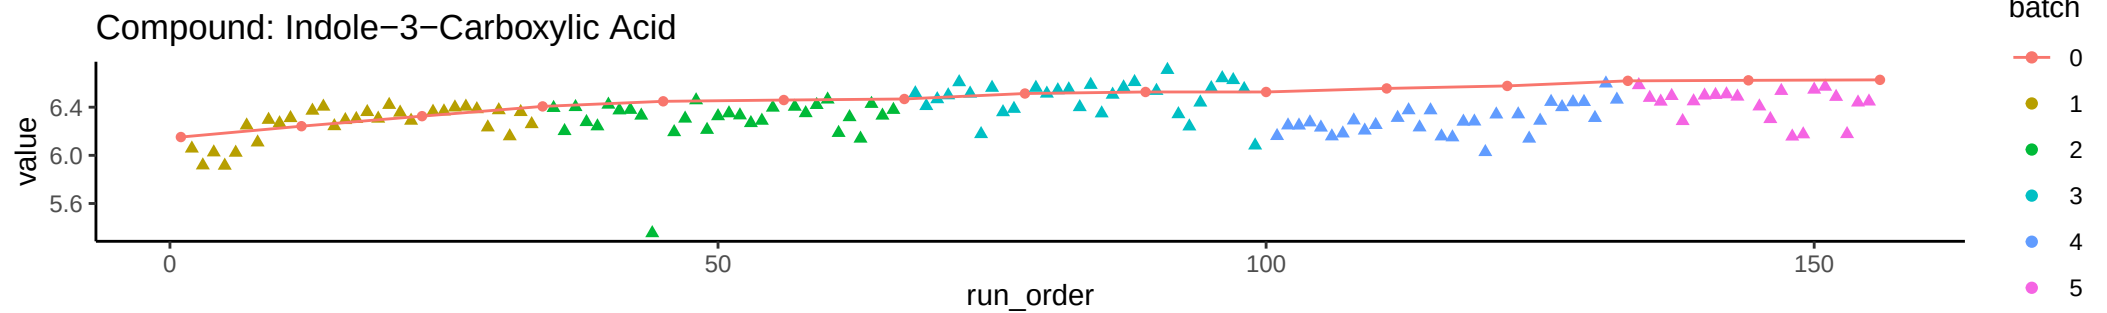

Compound: Guanosine

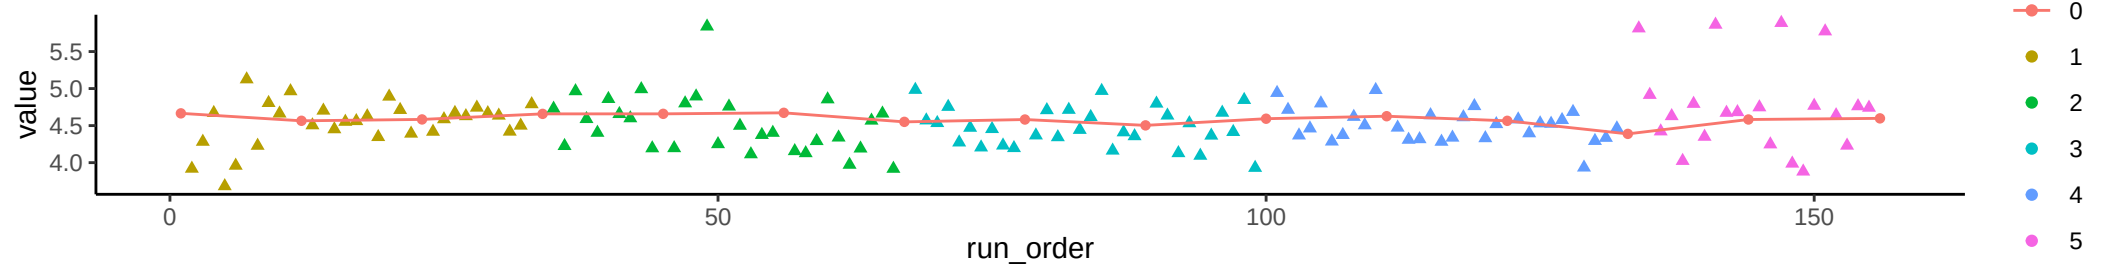

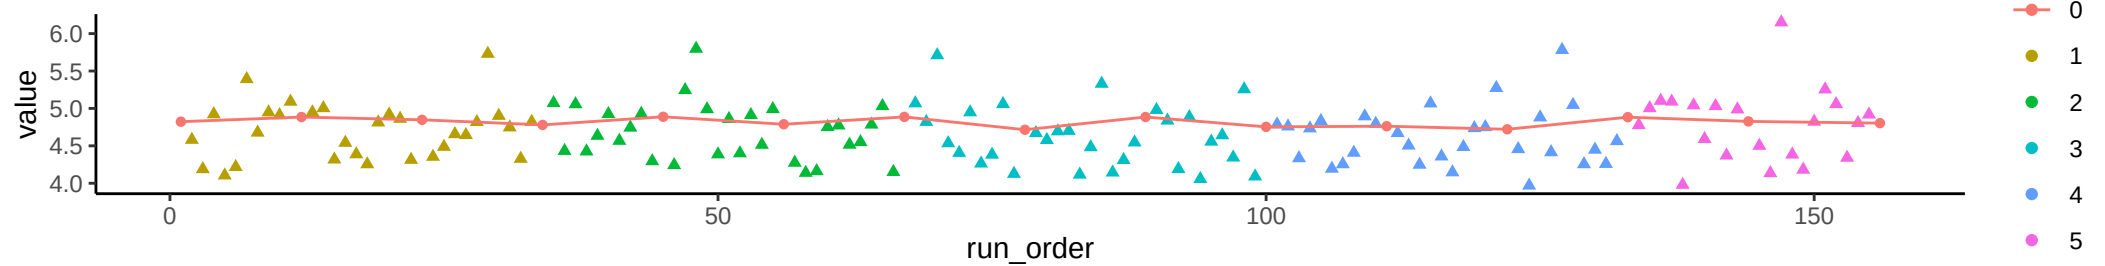

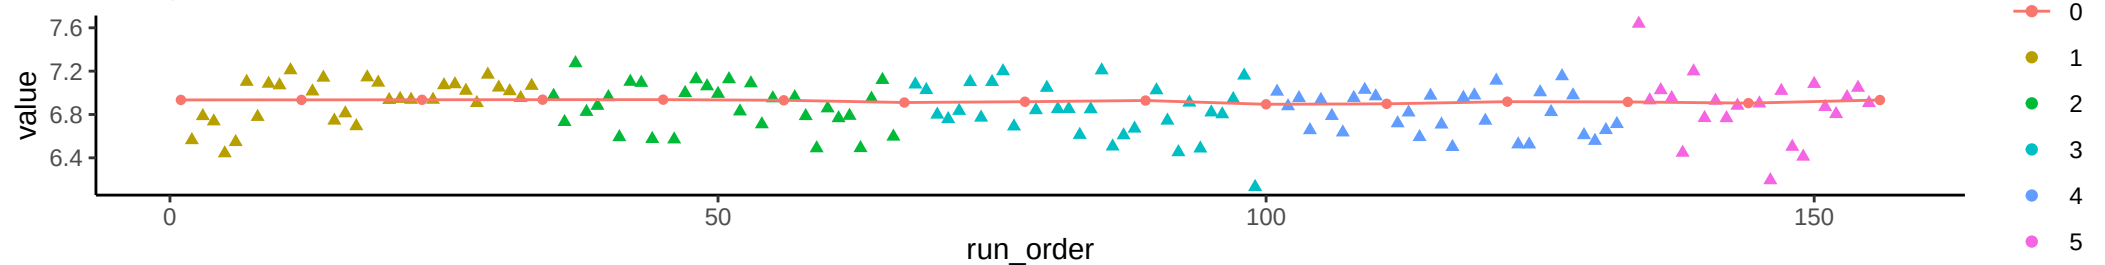

Compound: L-2-Aminobutyric Acid

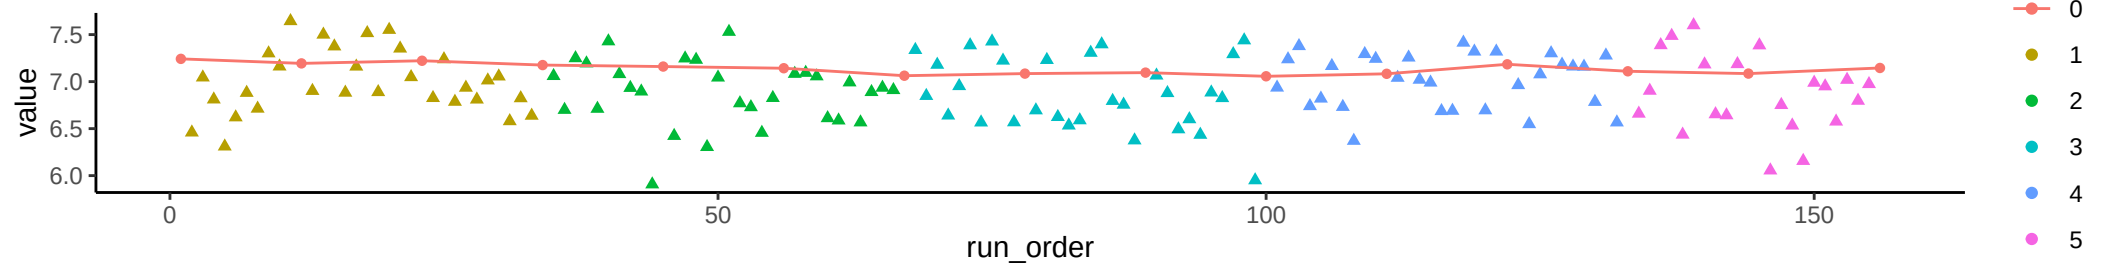

Compound: L-Kynurenine

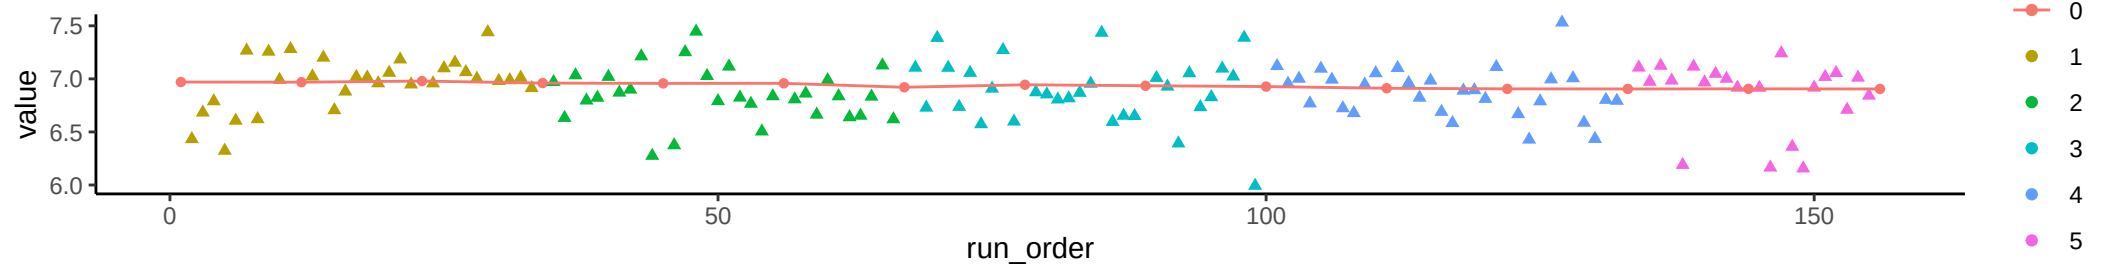

Compound: Lactate

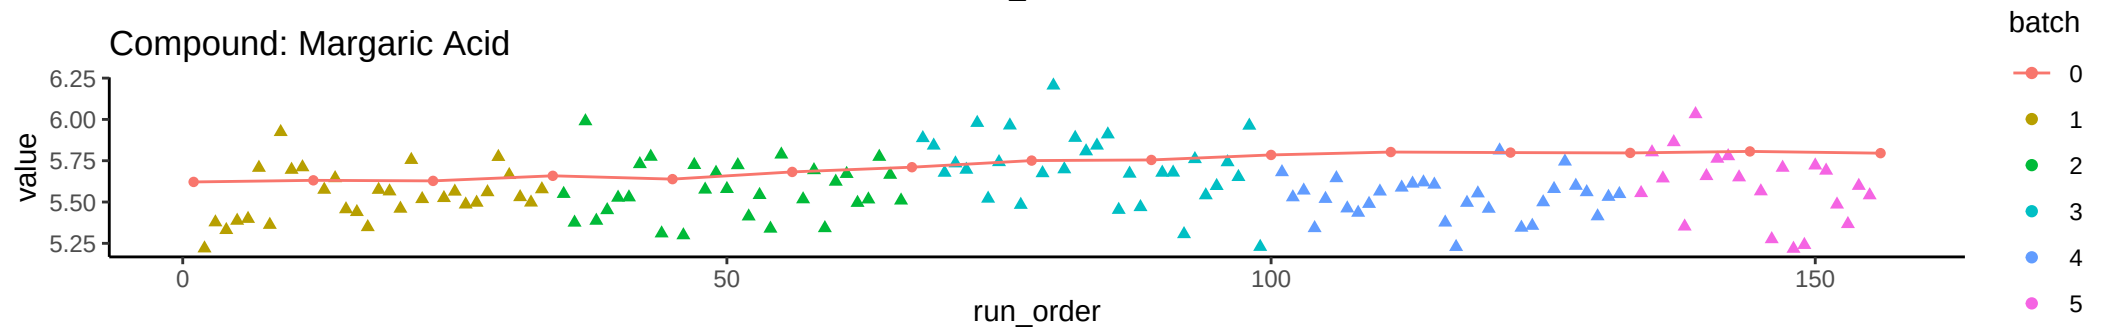

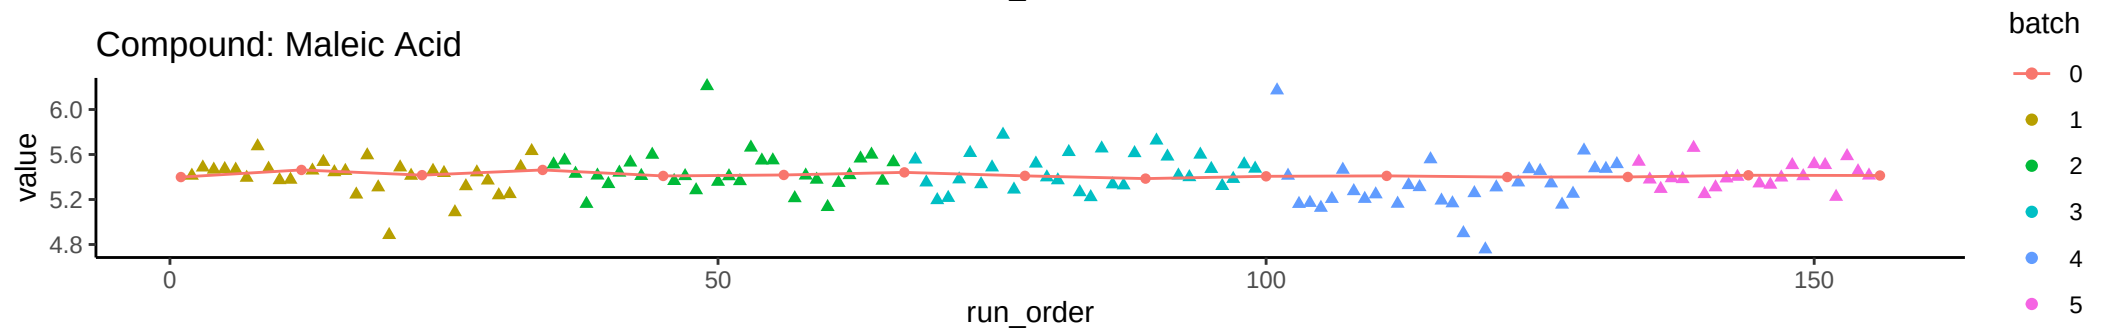

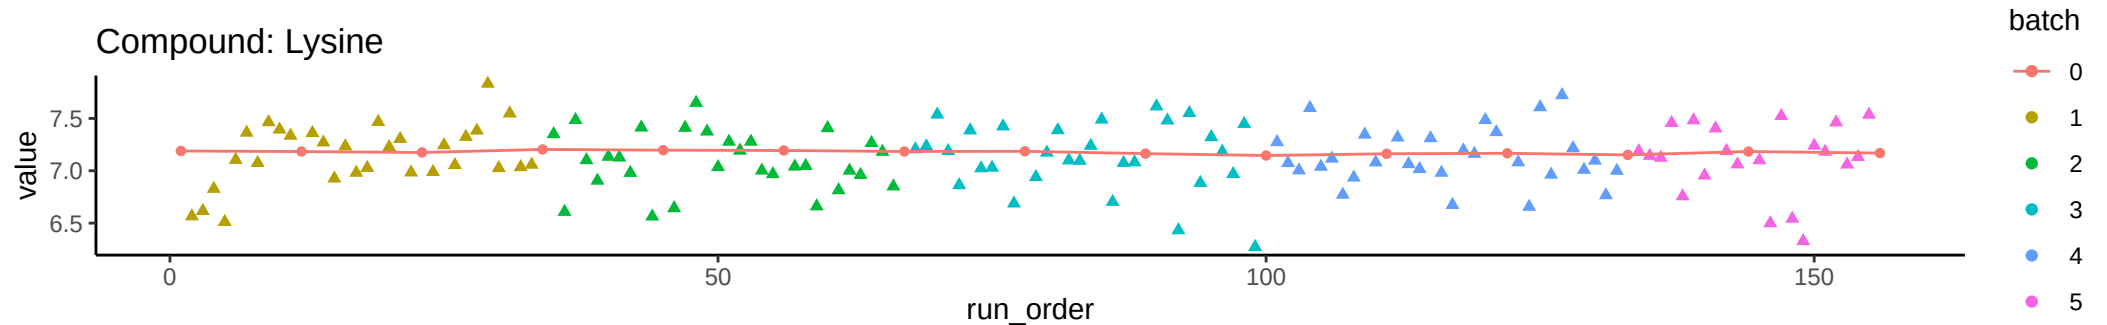

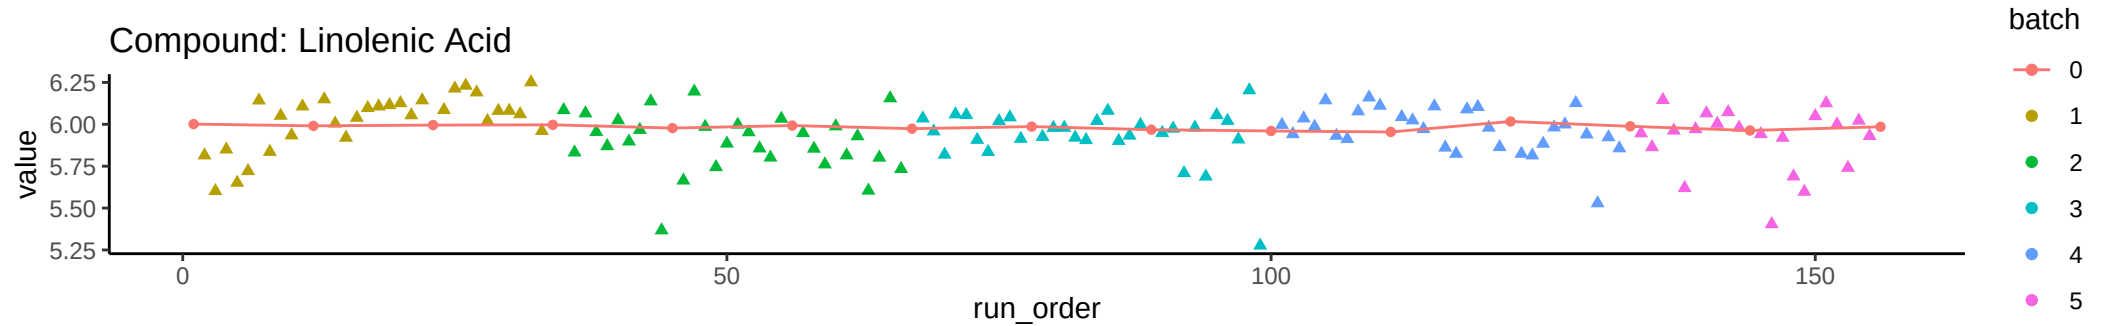

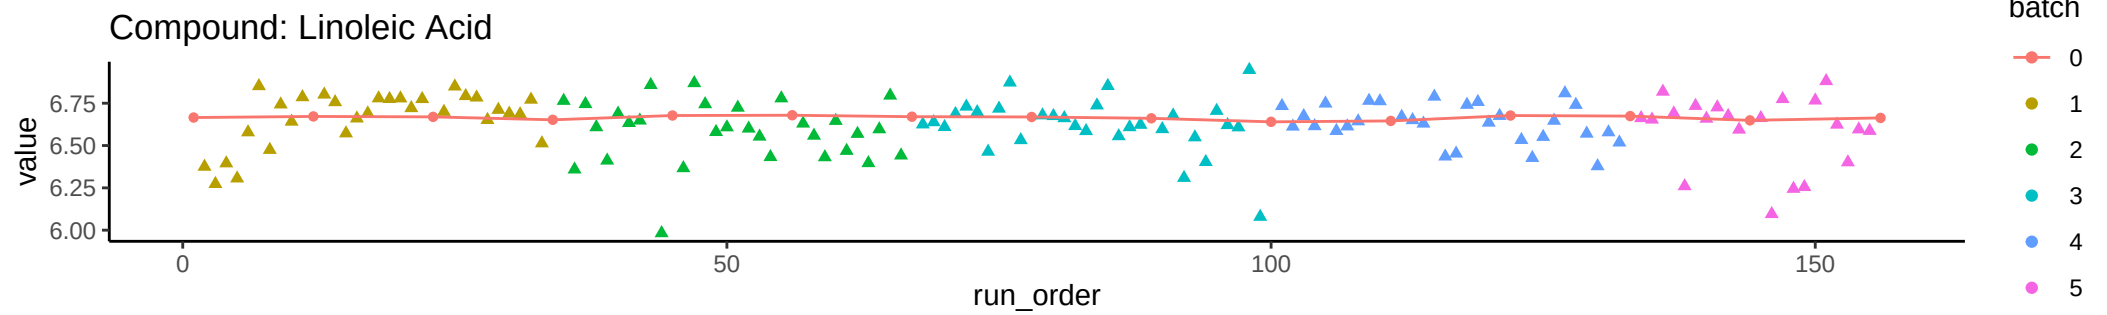

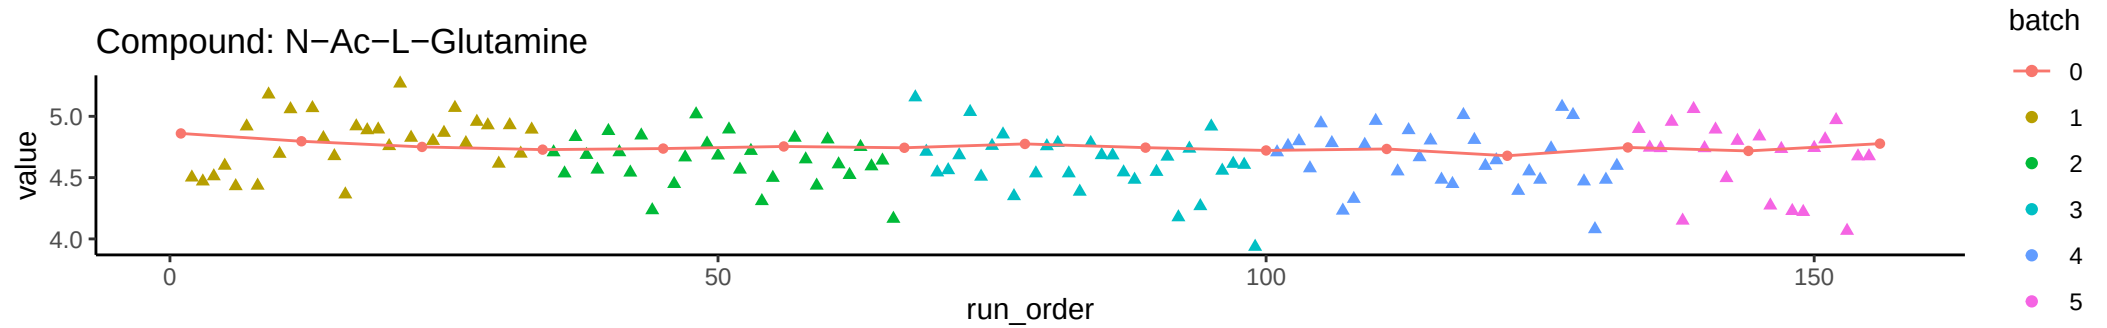

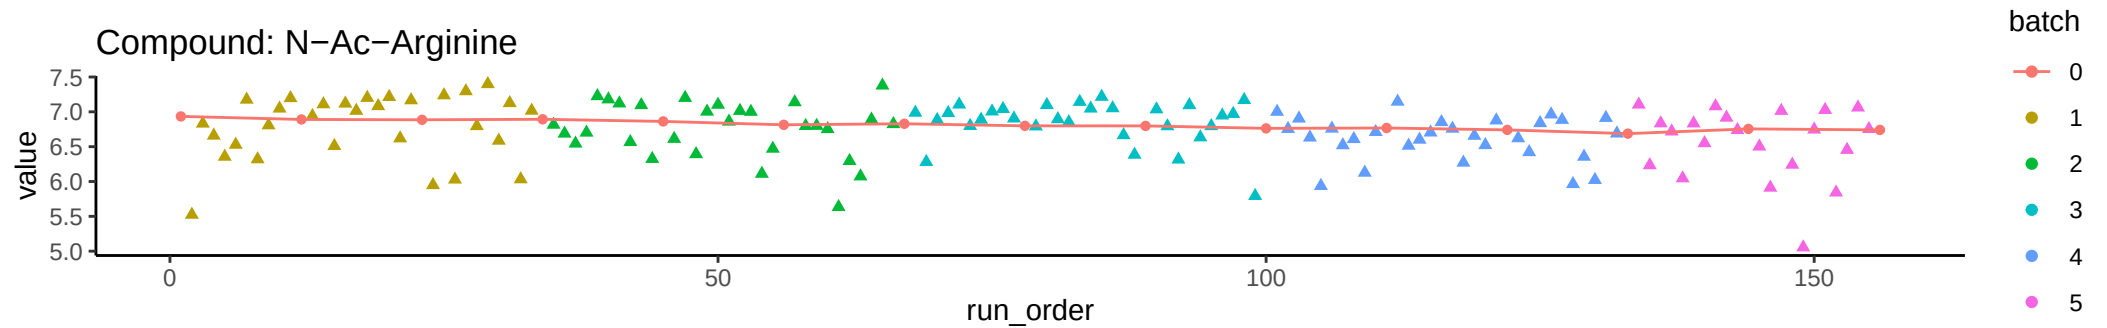

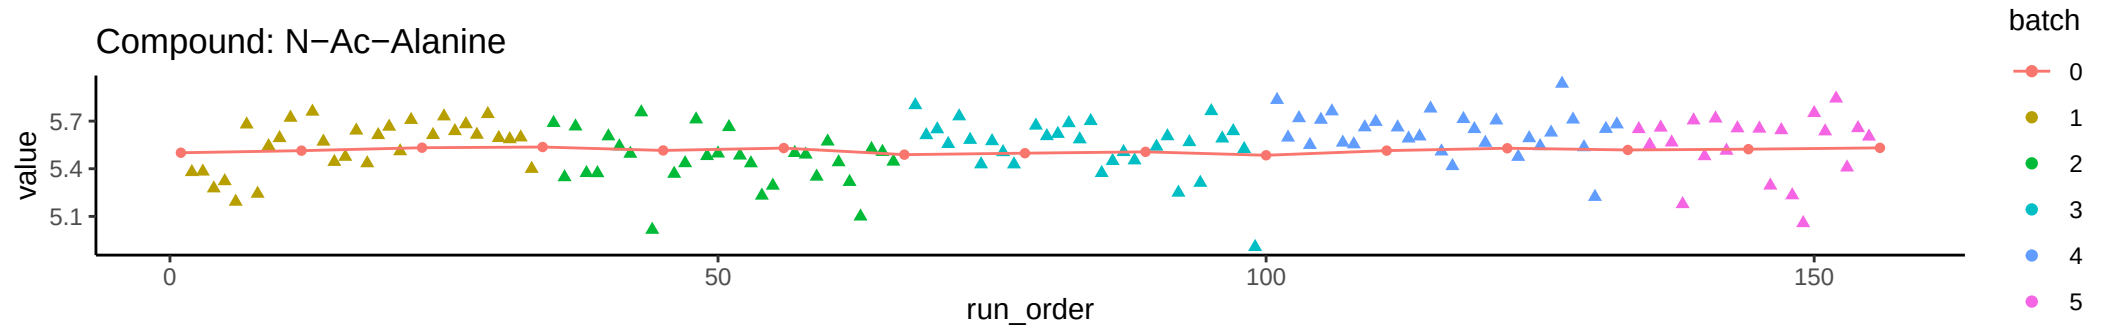

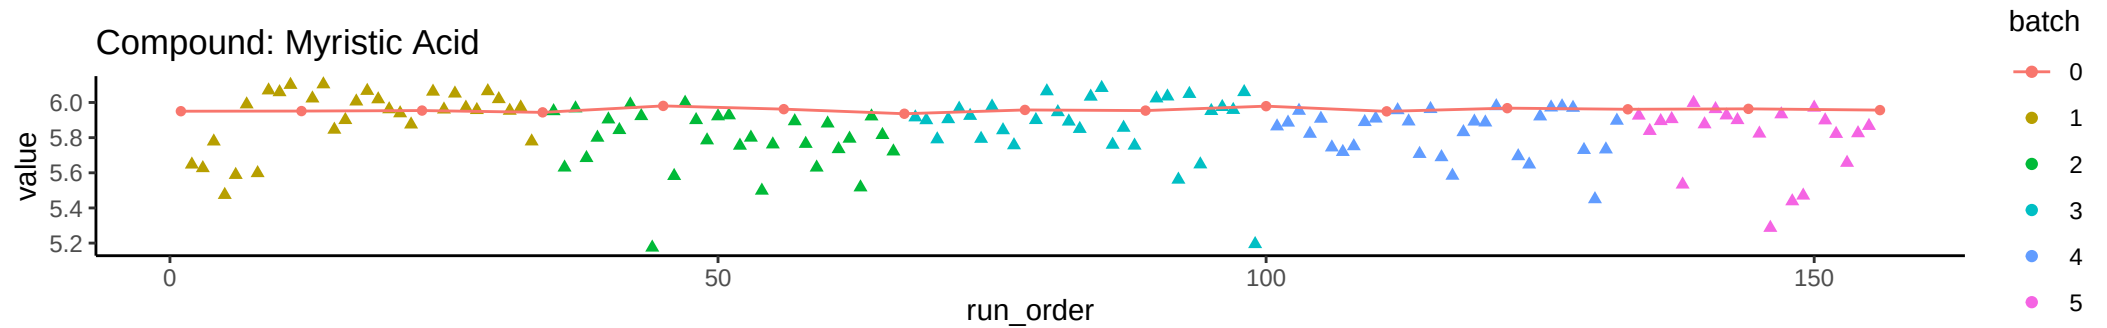

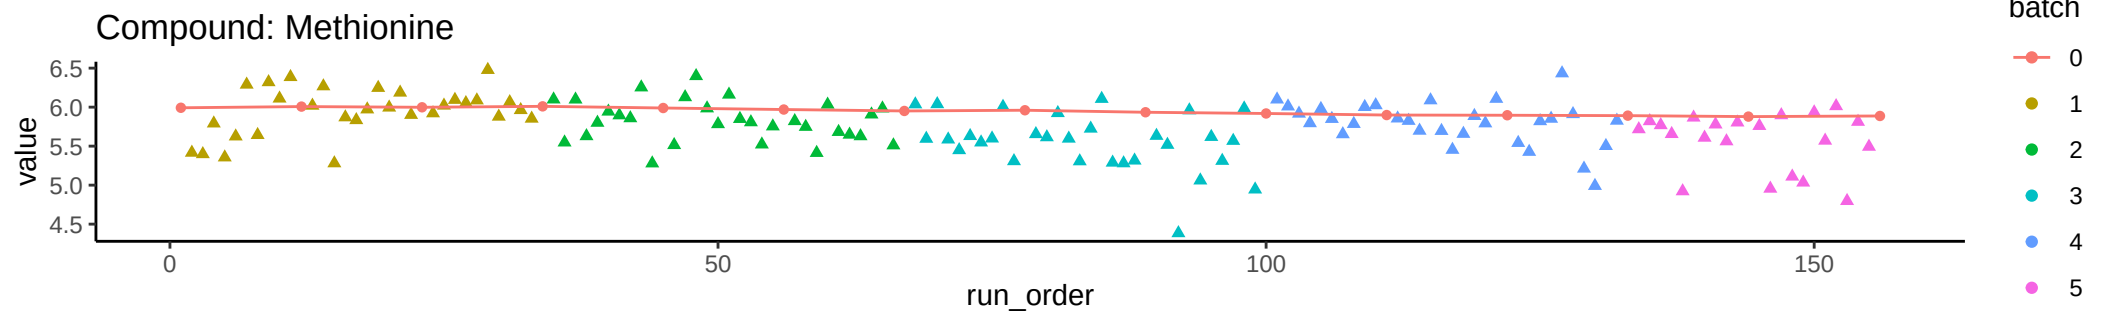

Compound: Lactose/Trehalose

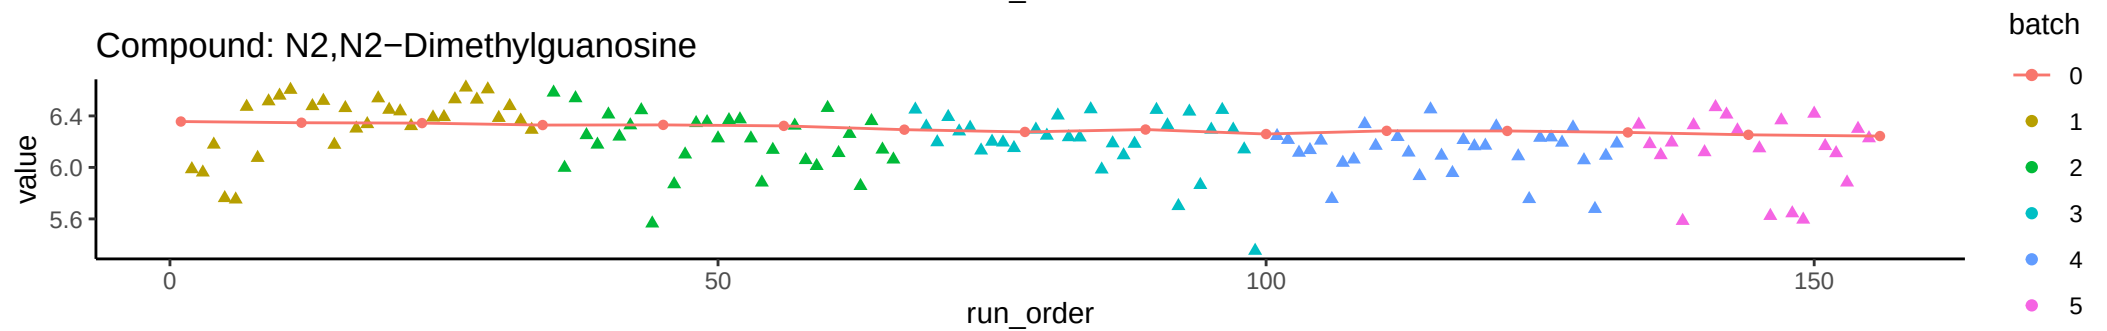

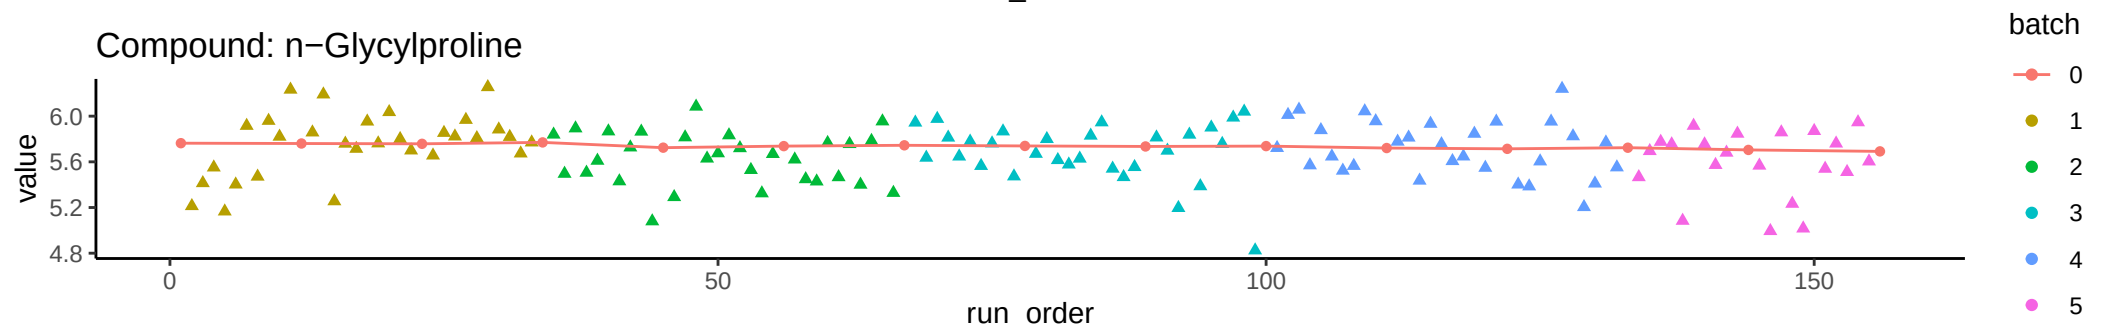

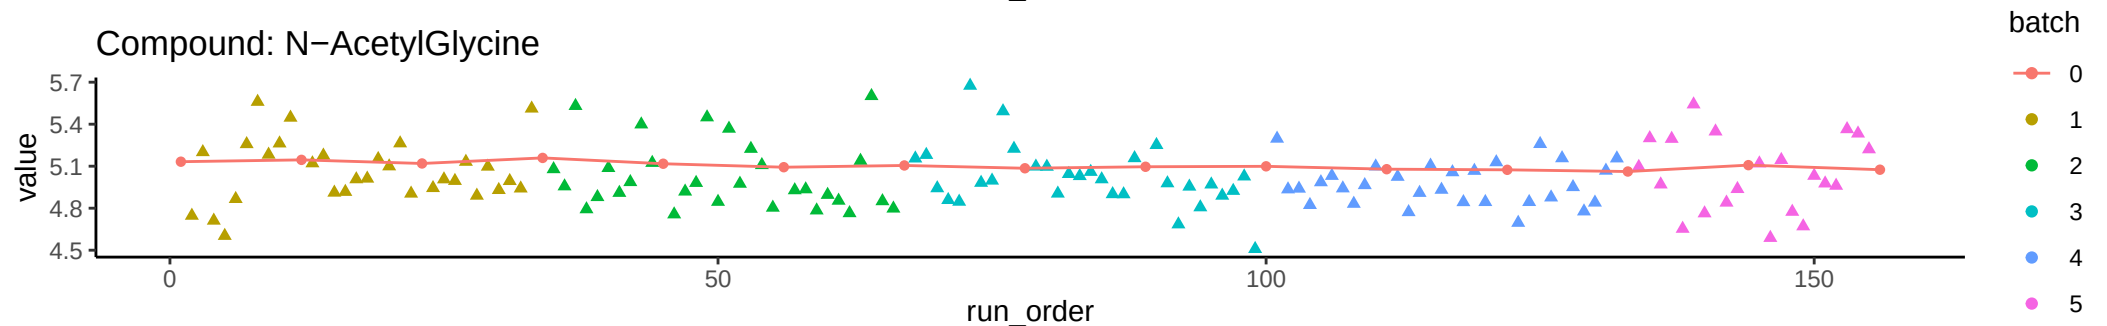

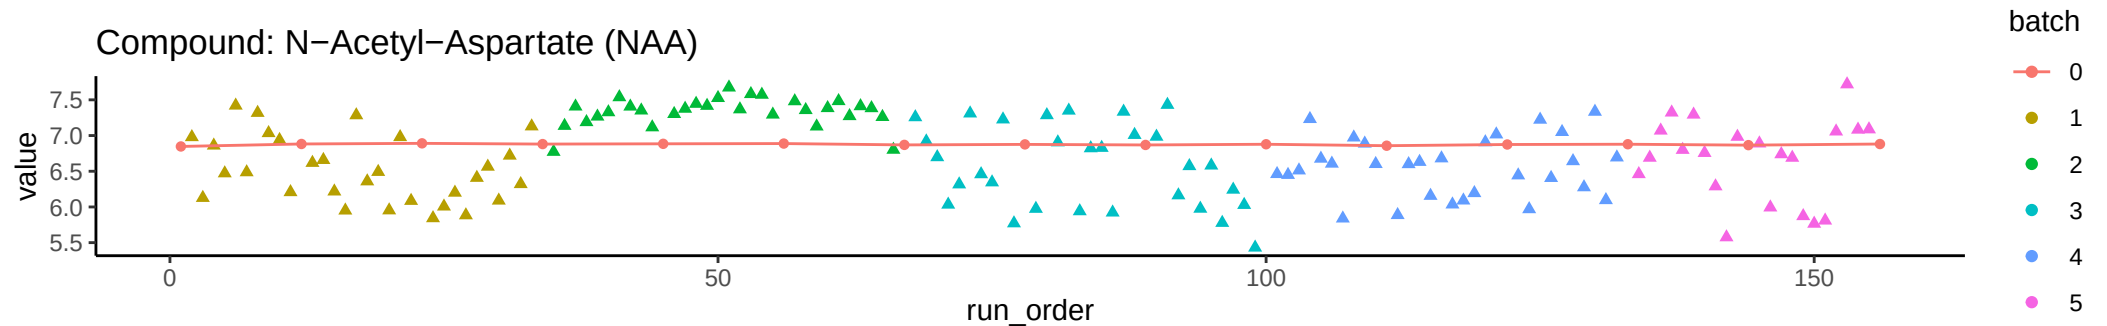

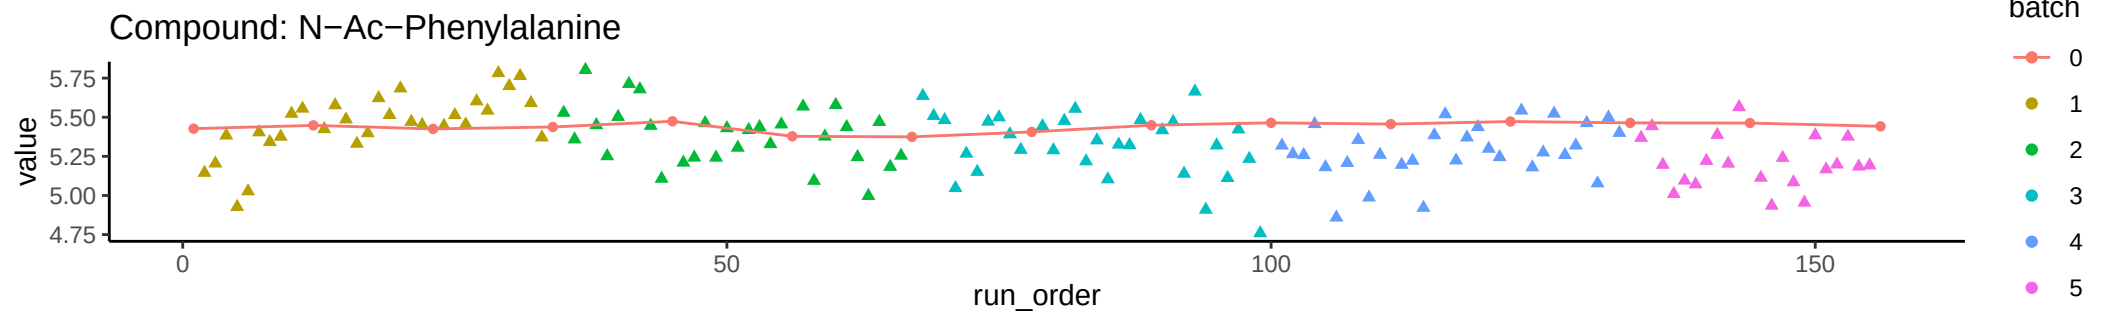

Compound: Leucine /D-Norleucine

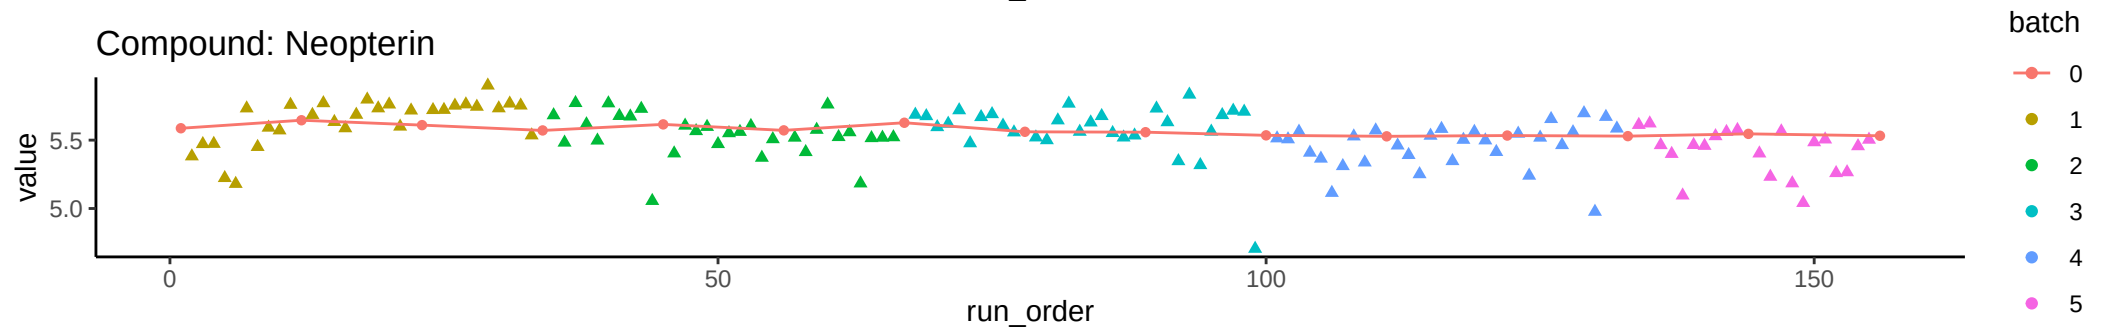

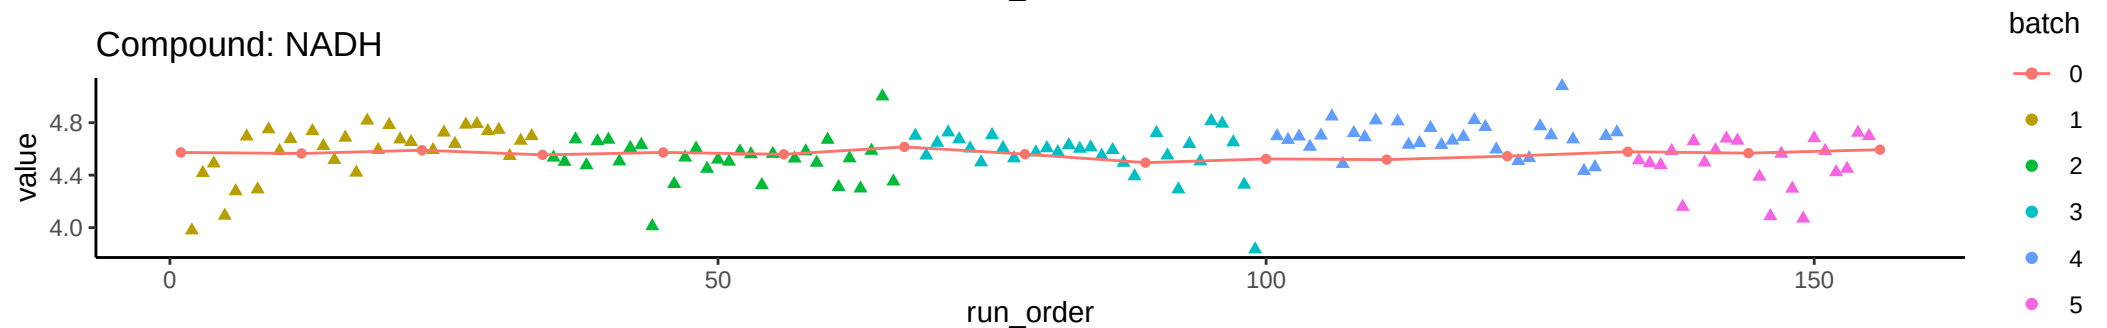

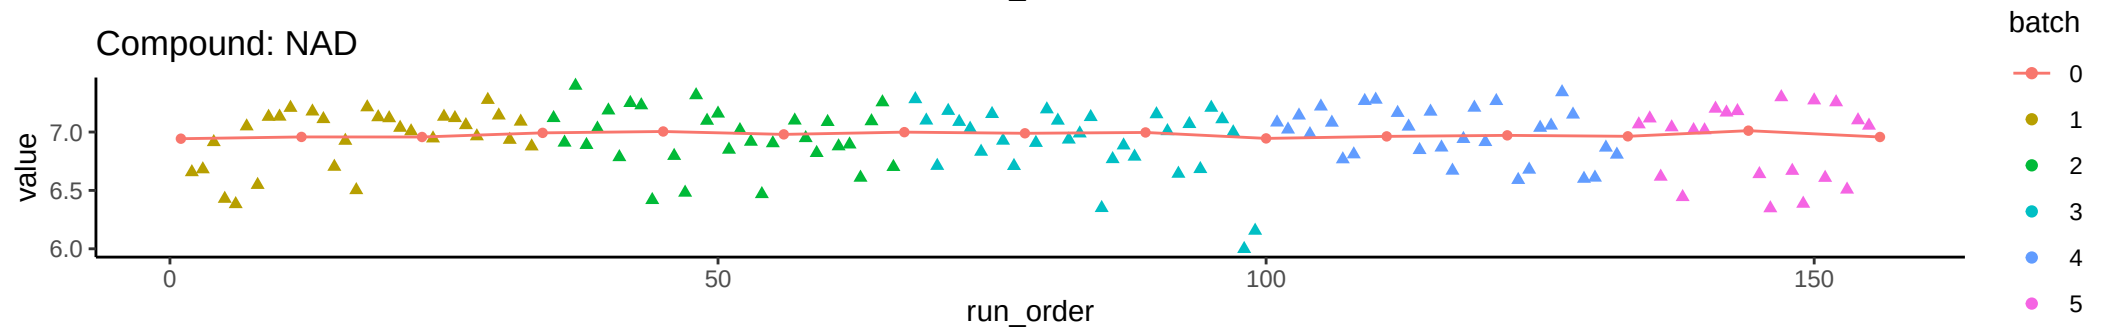

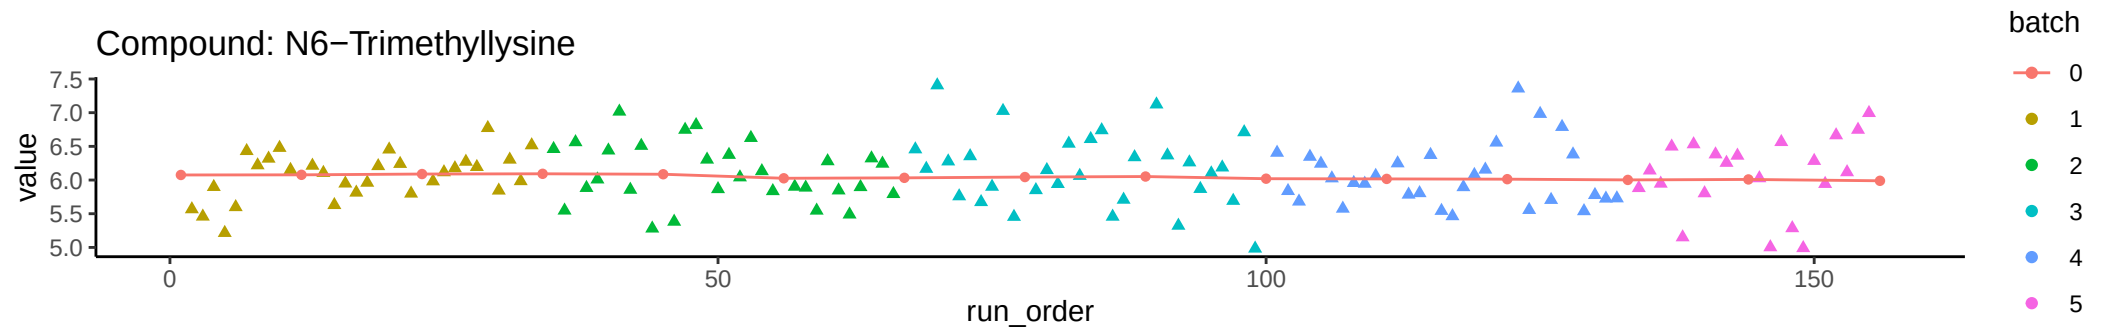

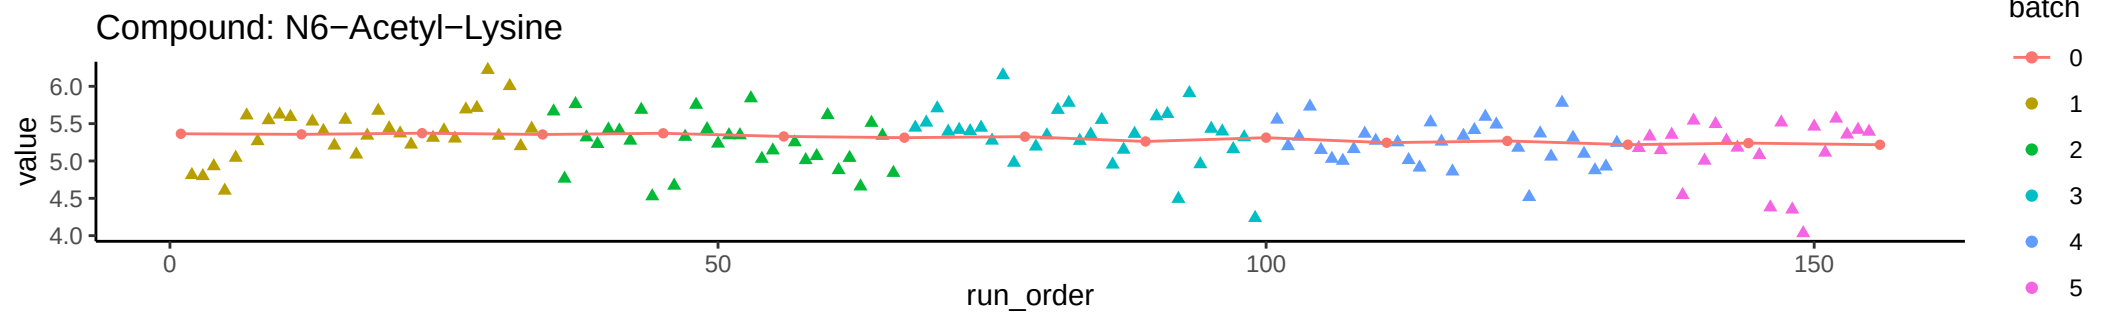

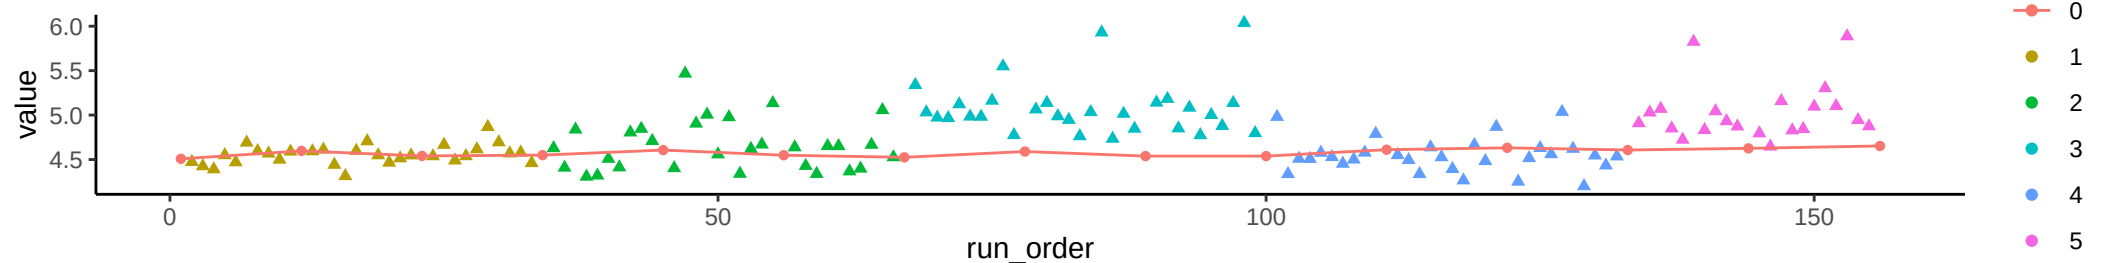

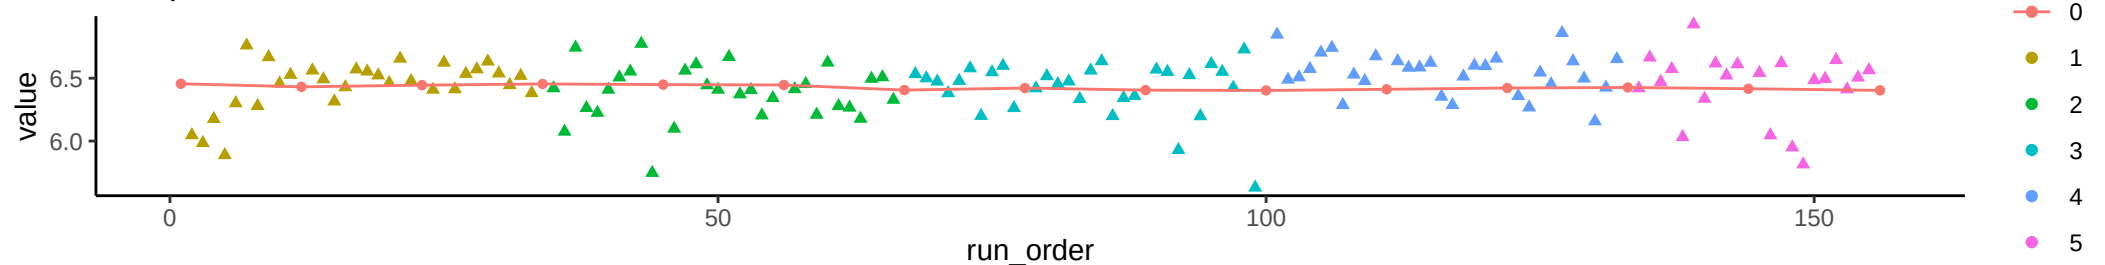

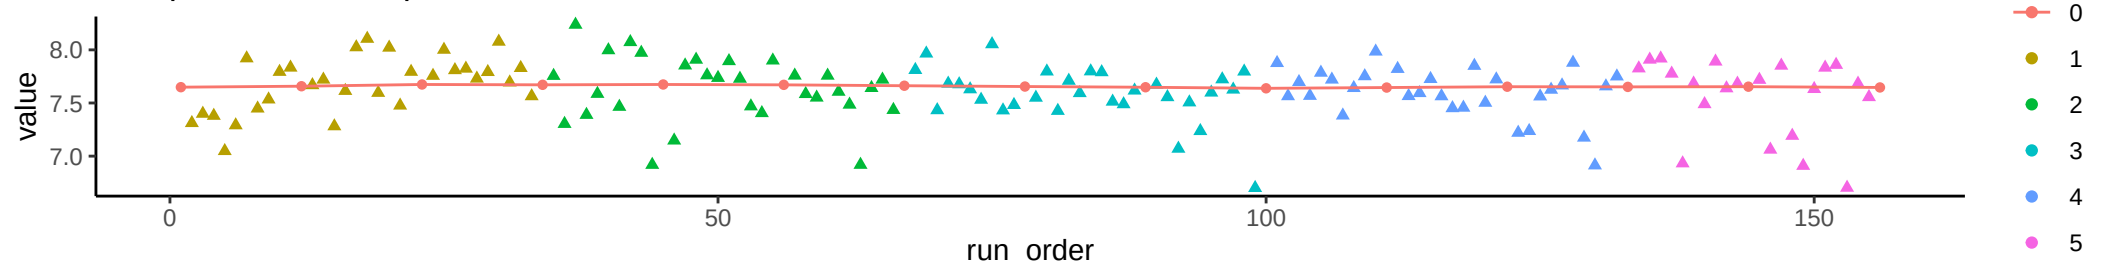

Compound: Niacinamide

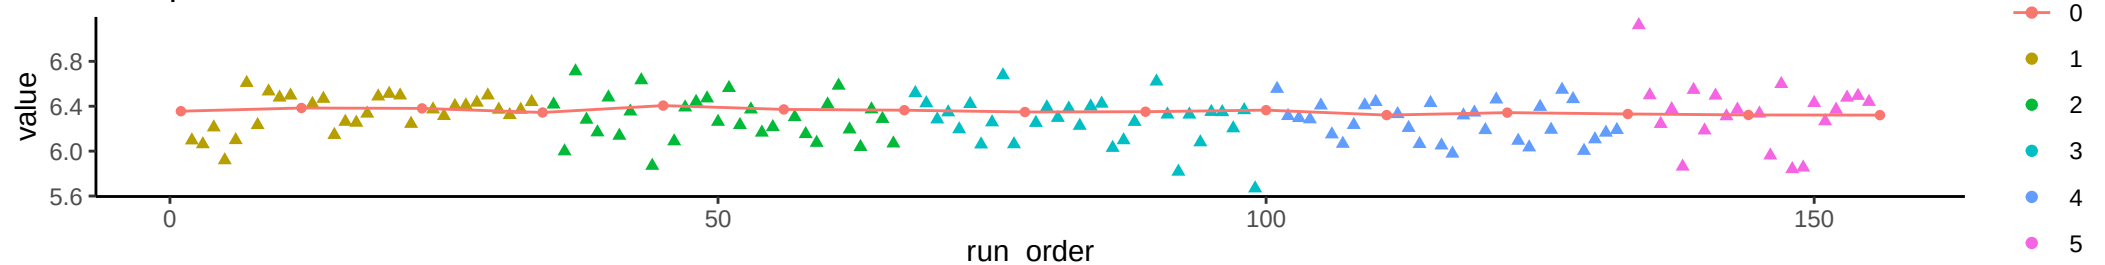

Compound: Nicotinic Acid

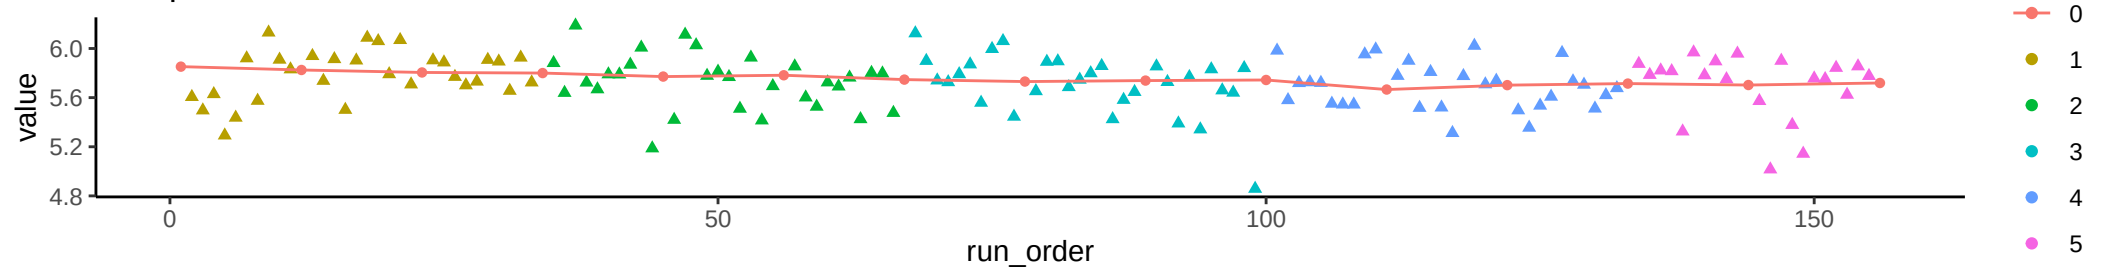

Compound: o-Phosphoethanolamine

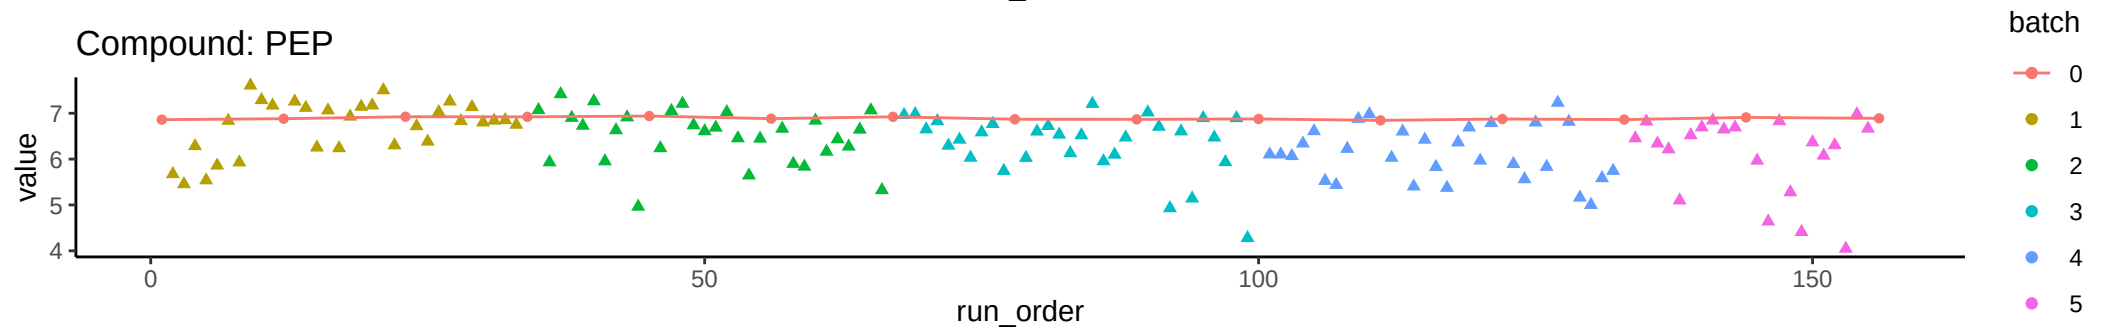

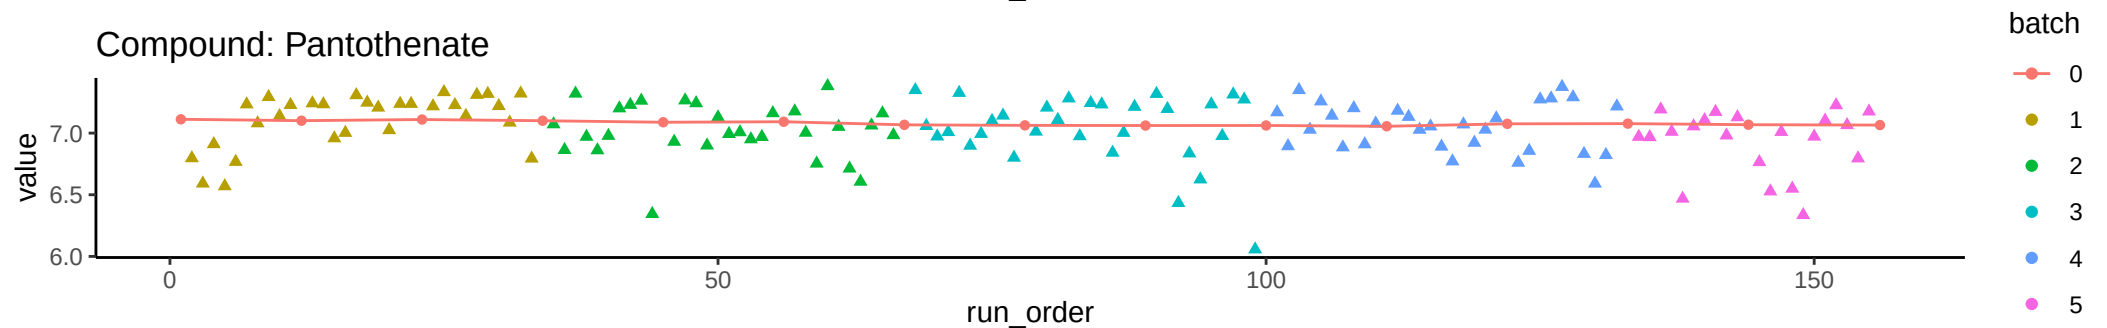

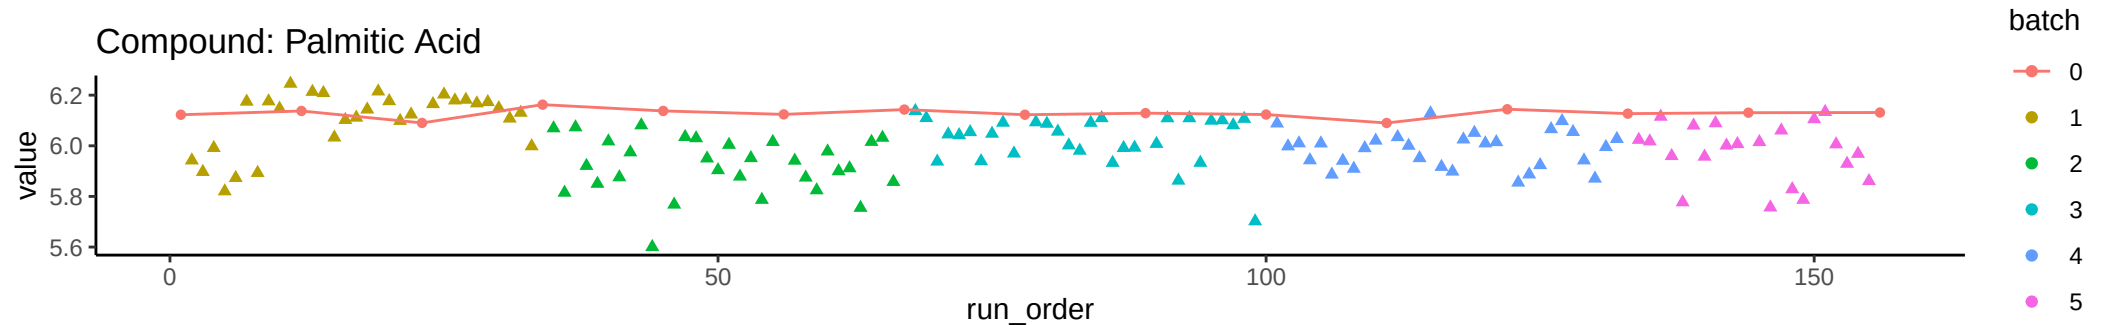

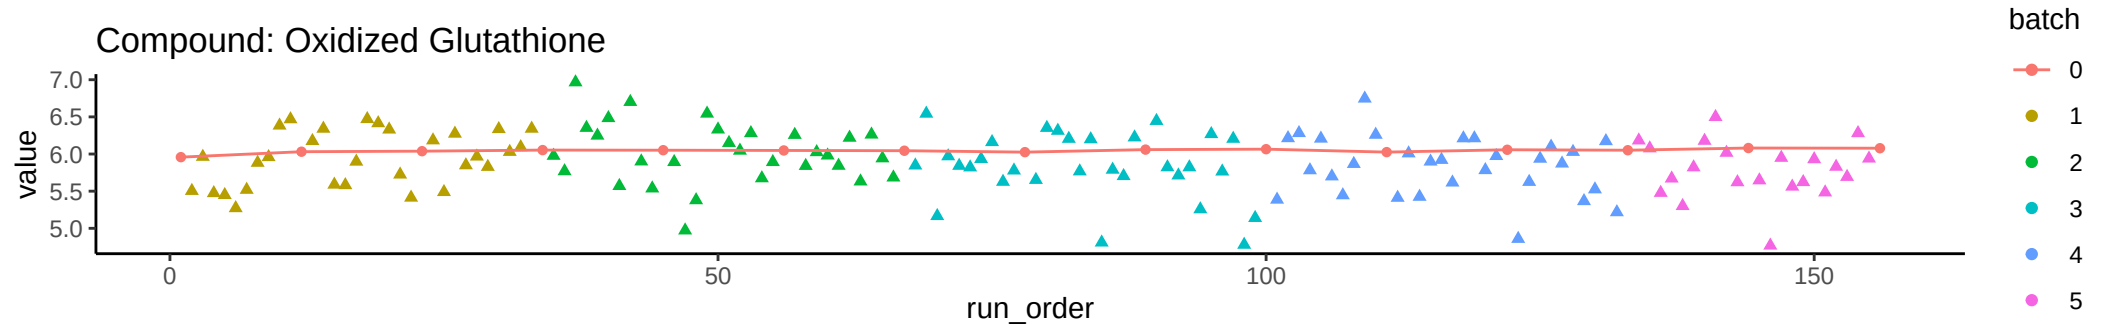

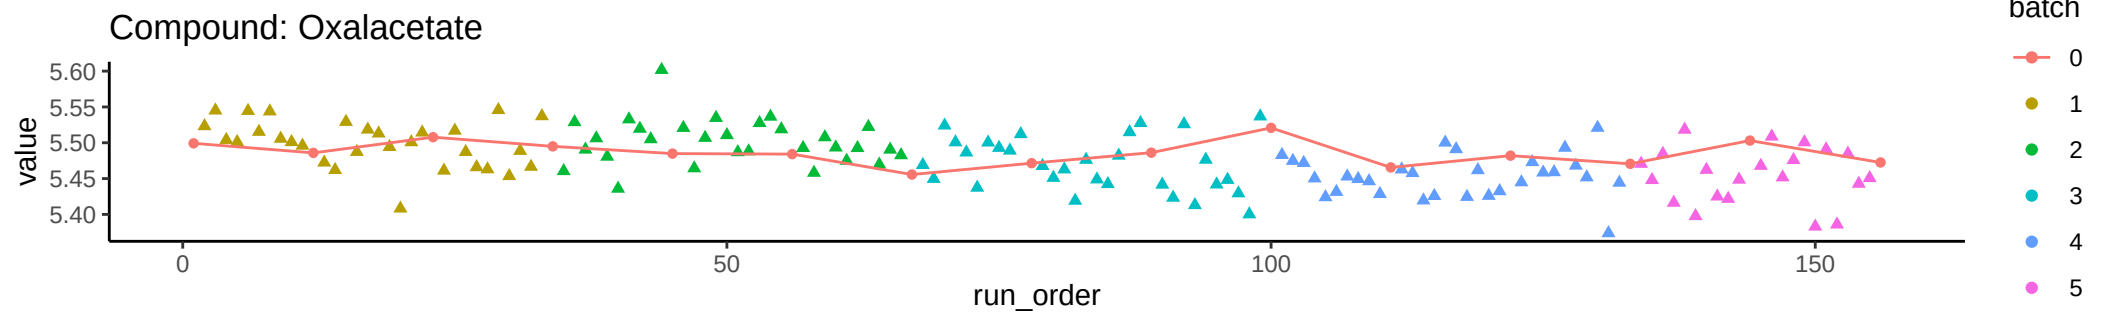

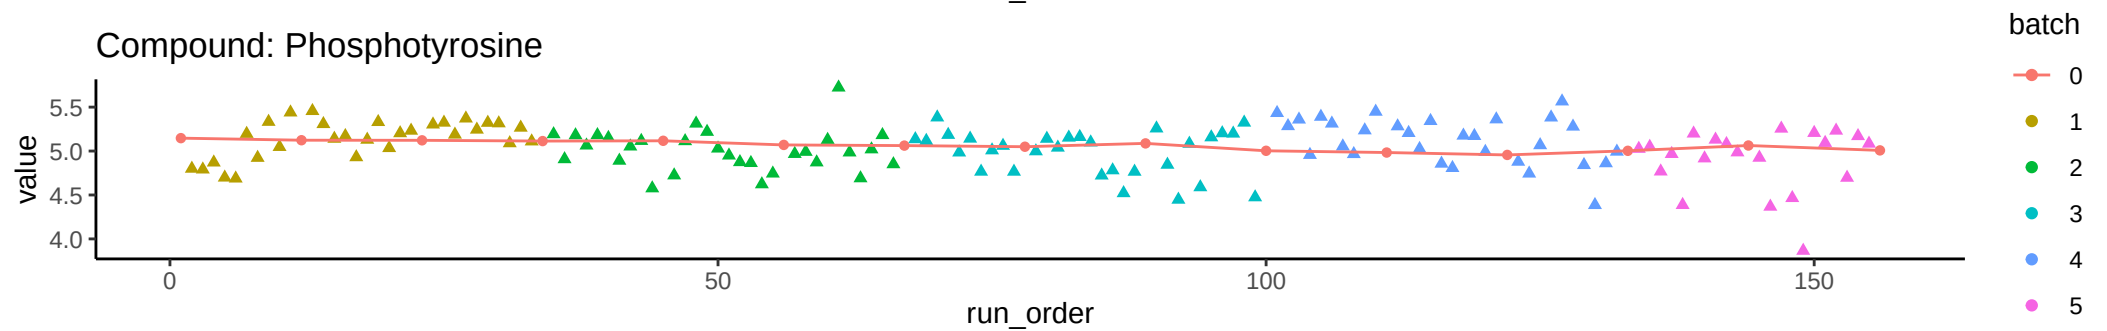

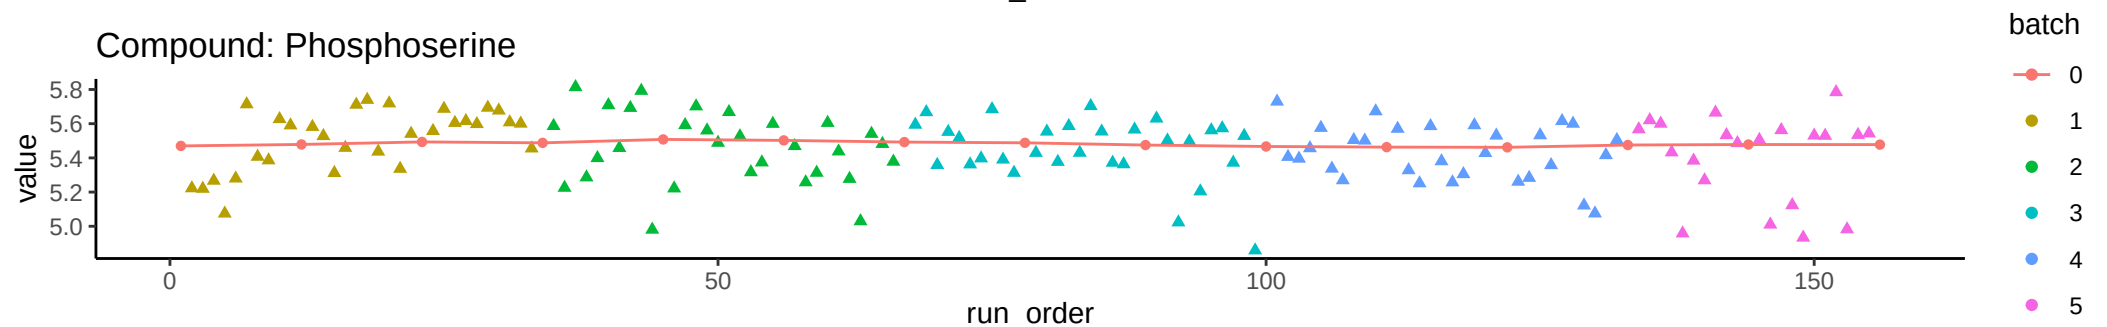

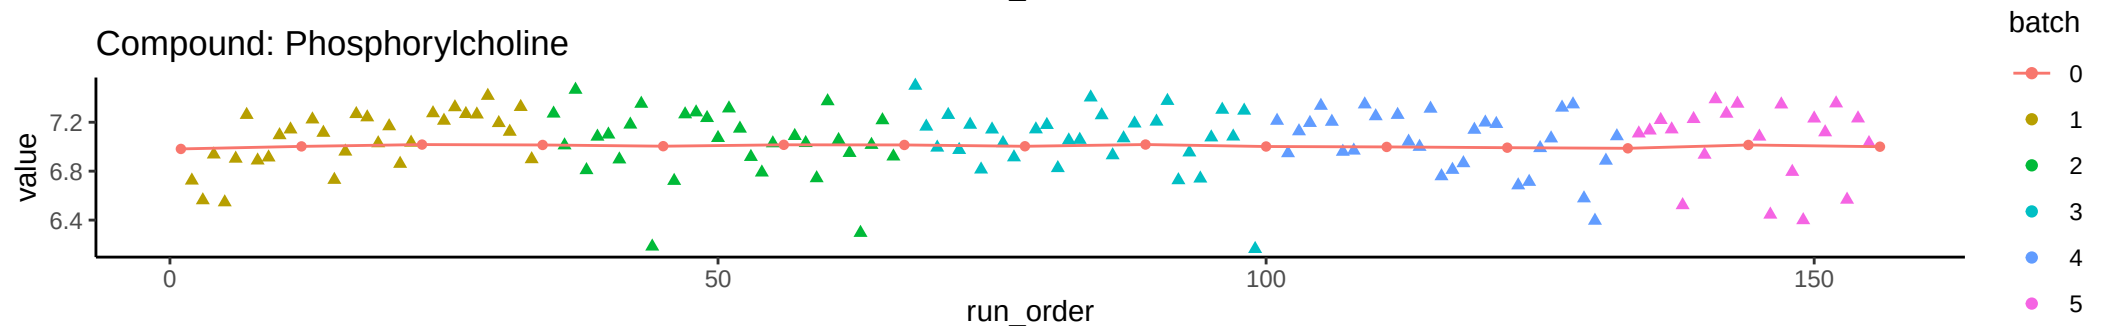

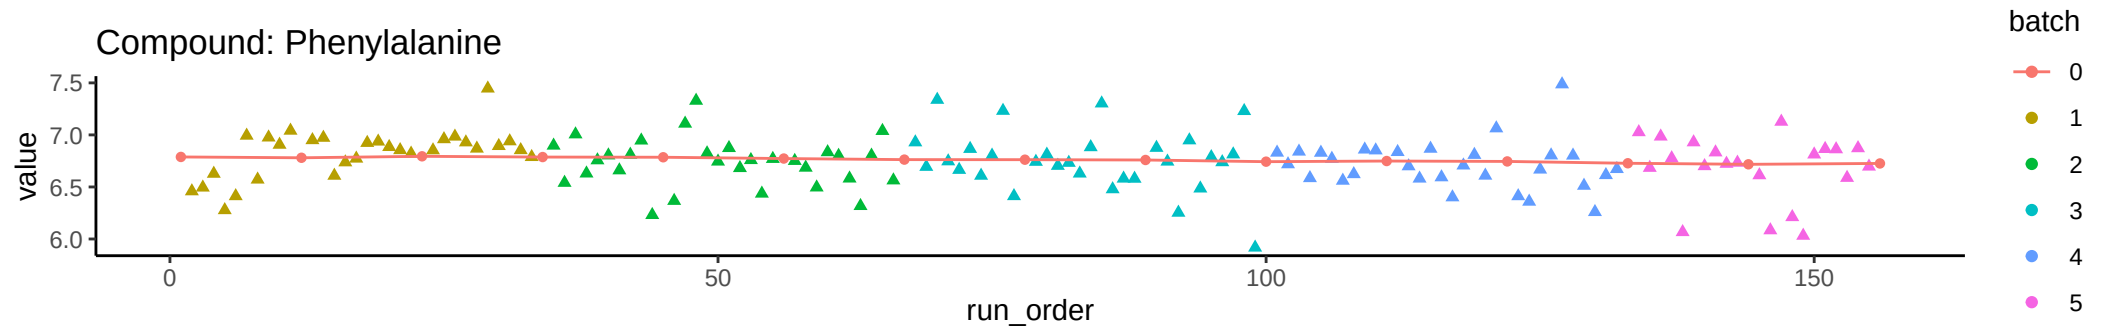

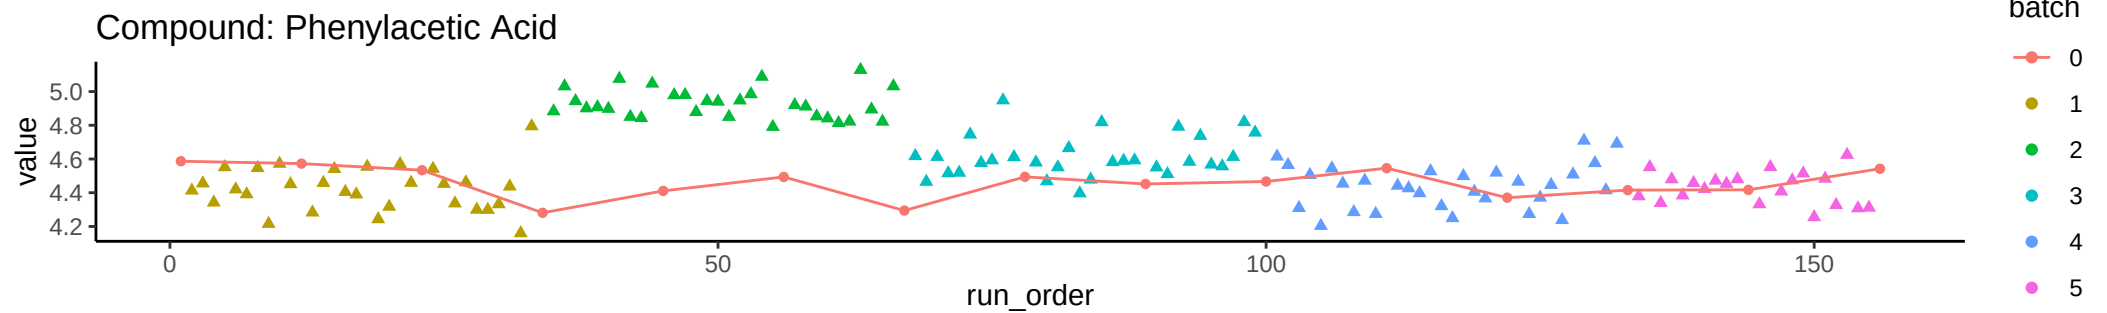

Compound: Ornithine

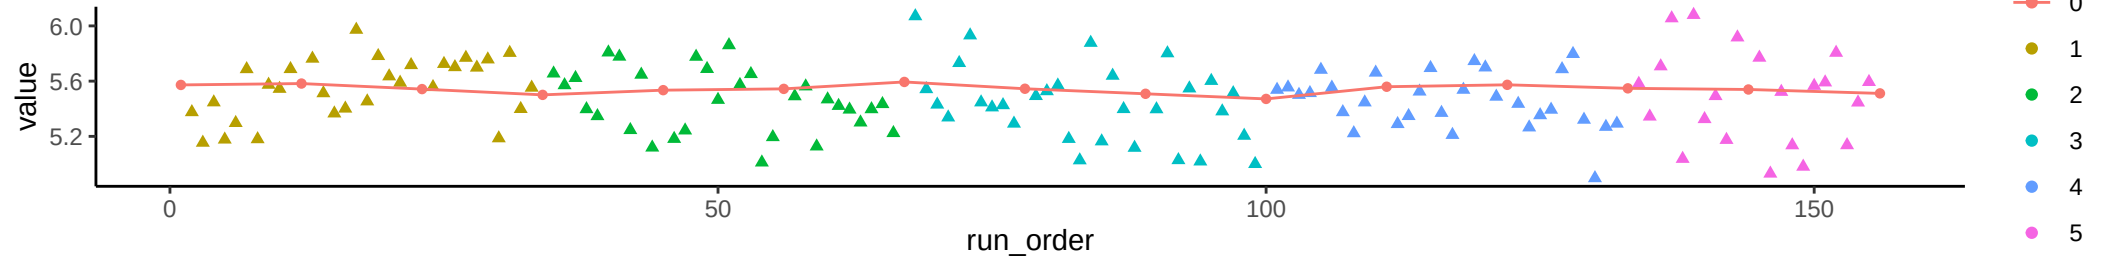

Compound: Orotate

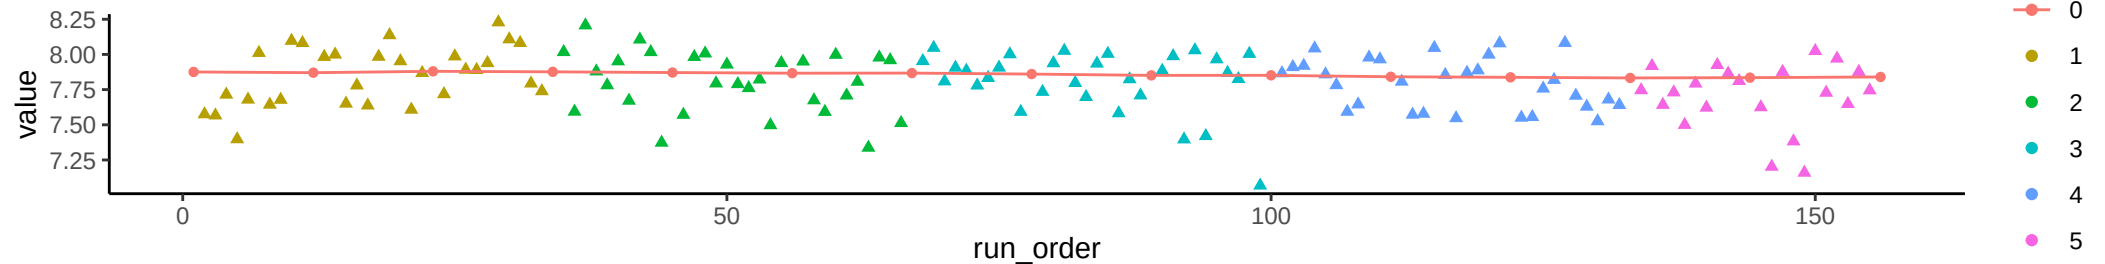

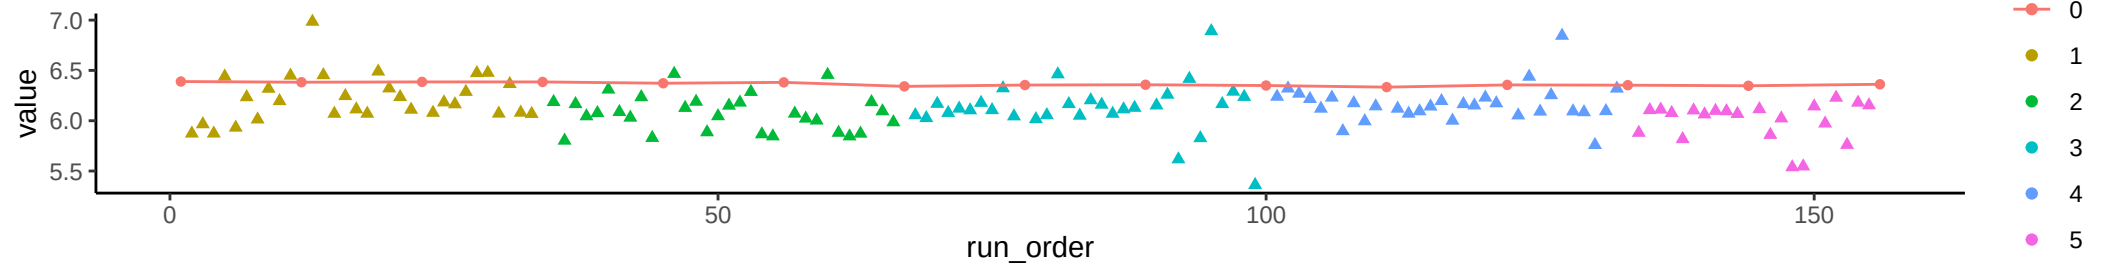

Compound: Pipecolate

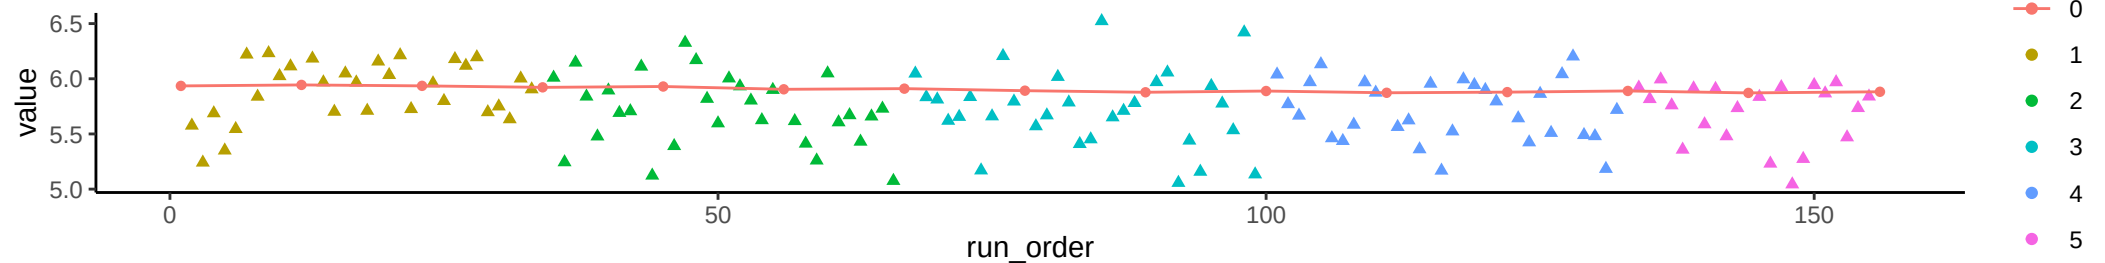

Compound: Proline

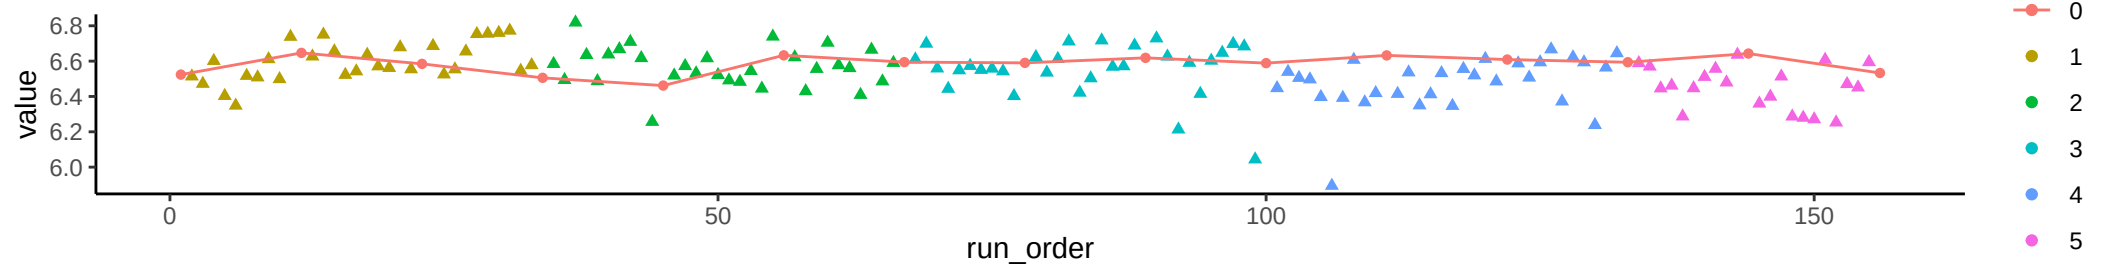

Compound: Pseudouridine

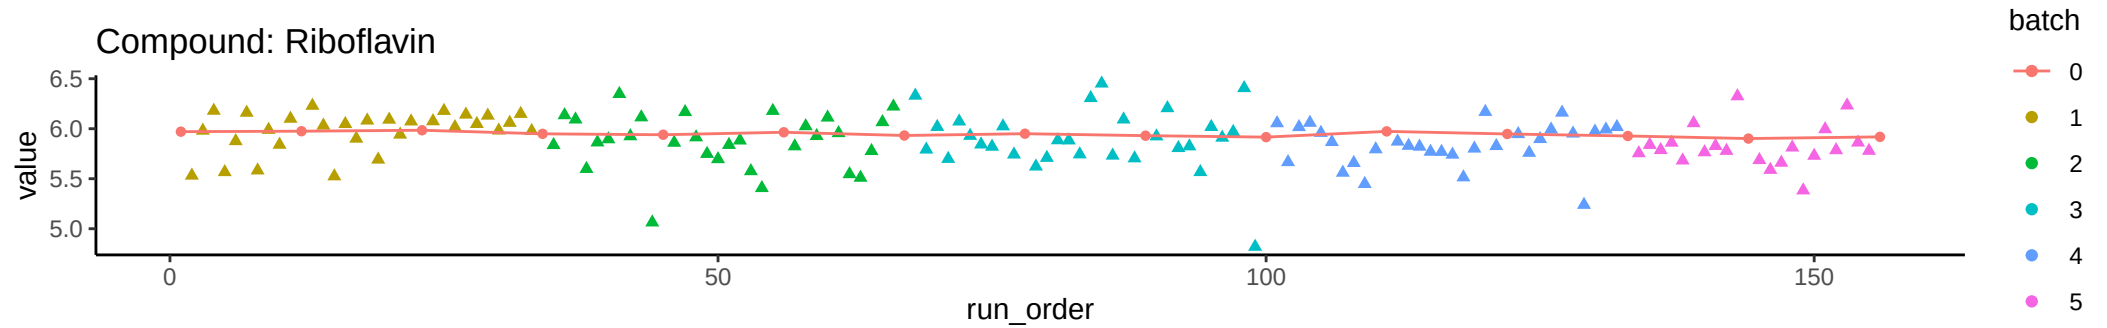

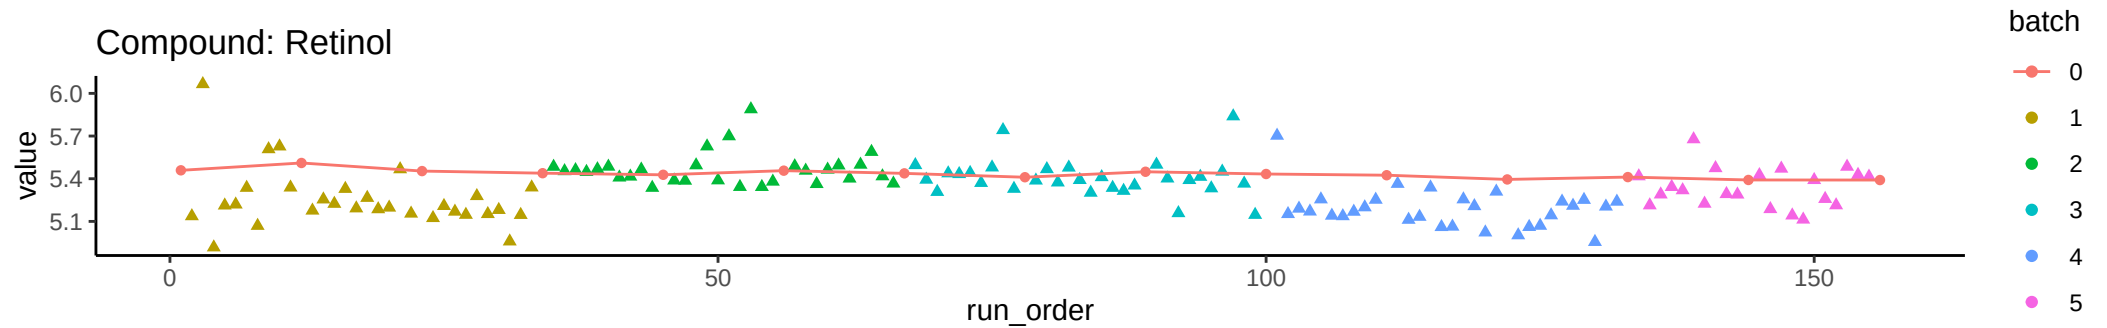

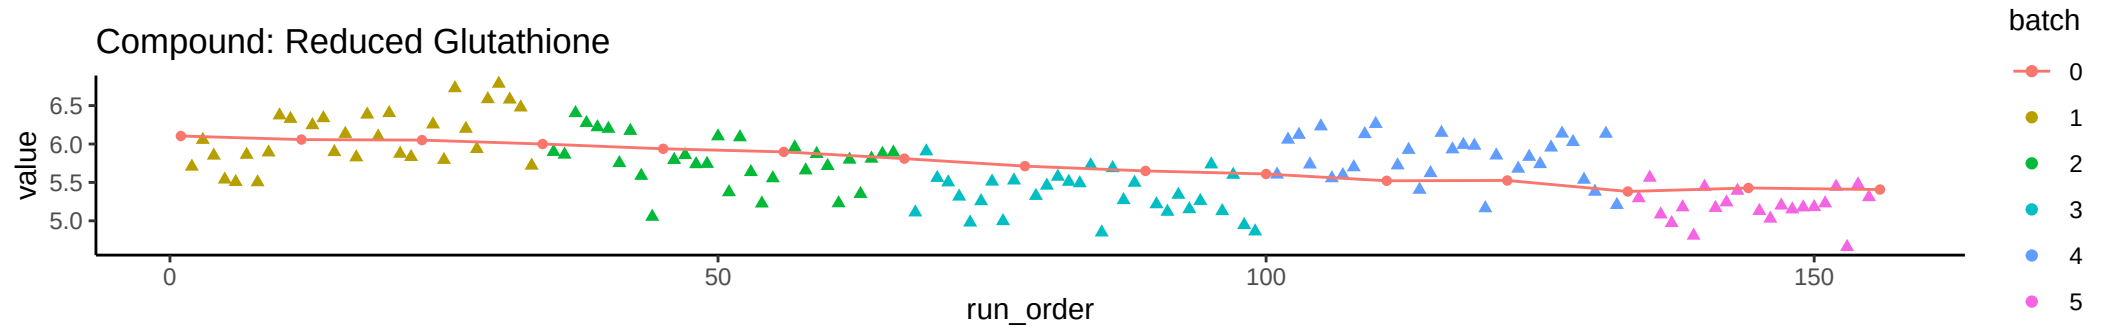

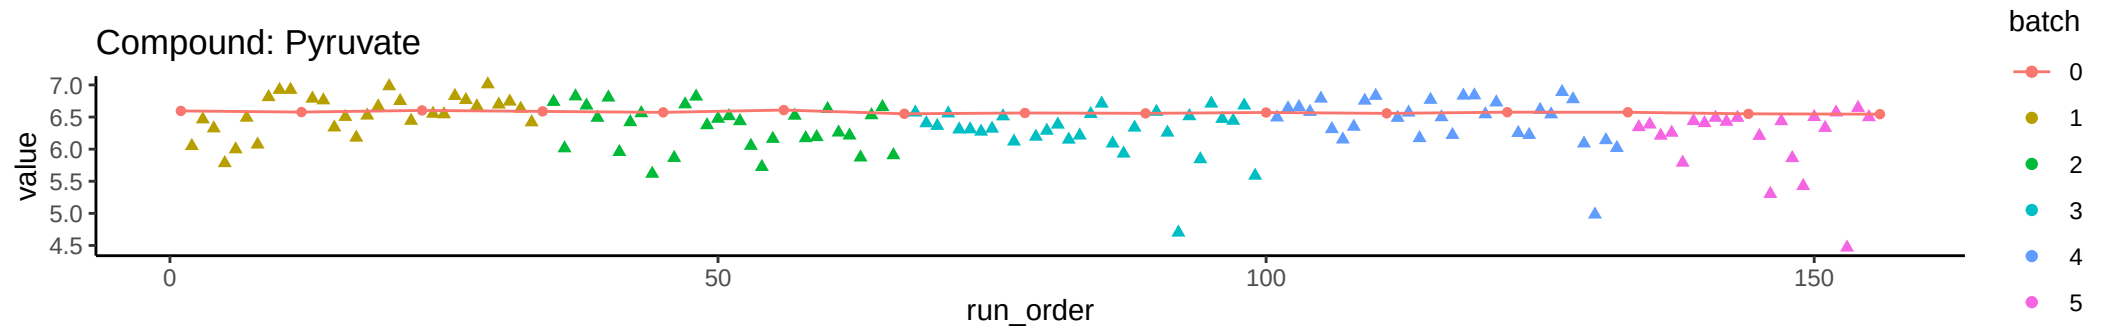

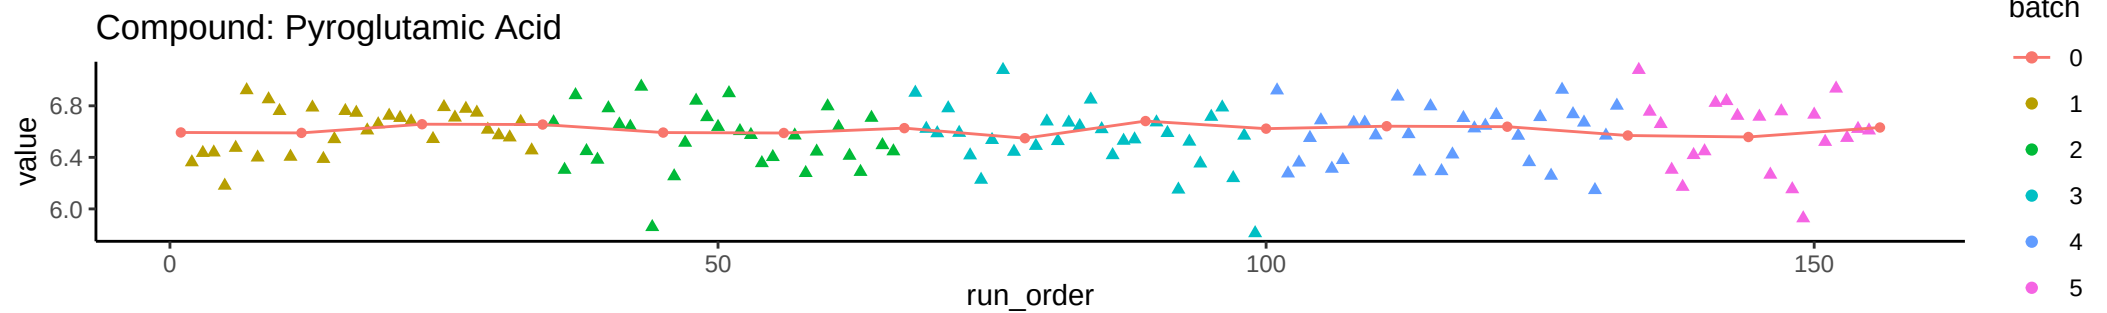

Compound: Putrescine

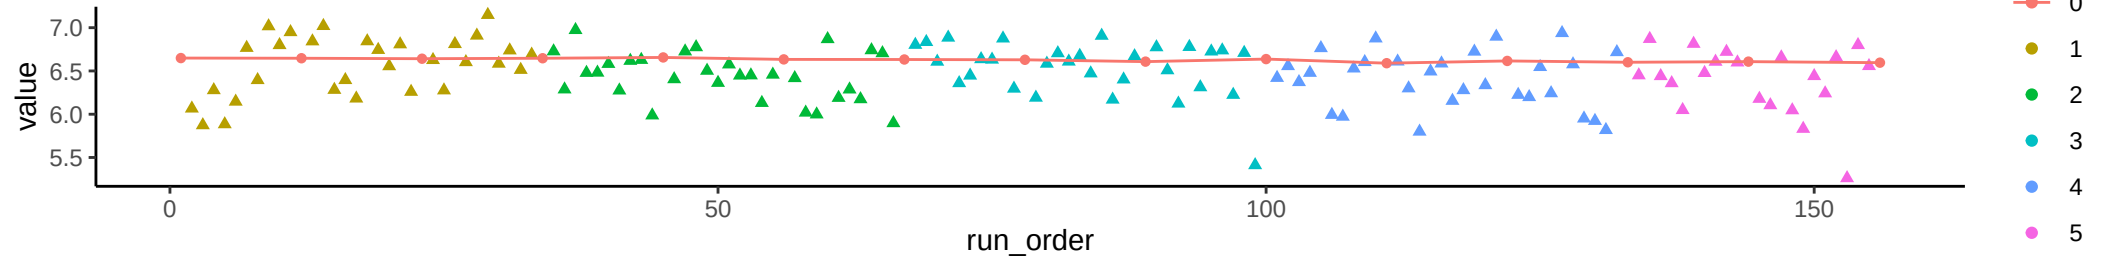

Compound: Pyridoxamine

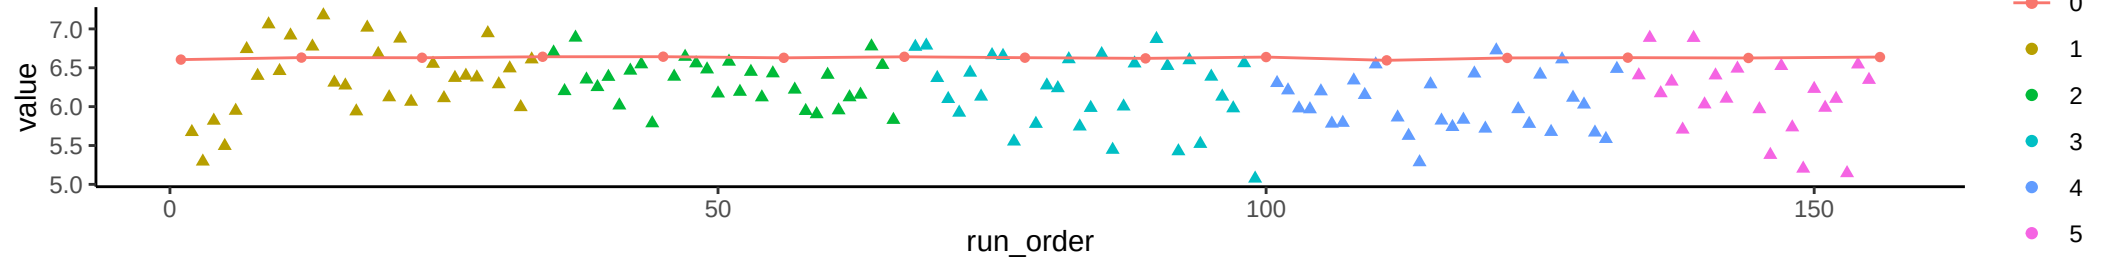

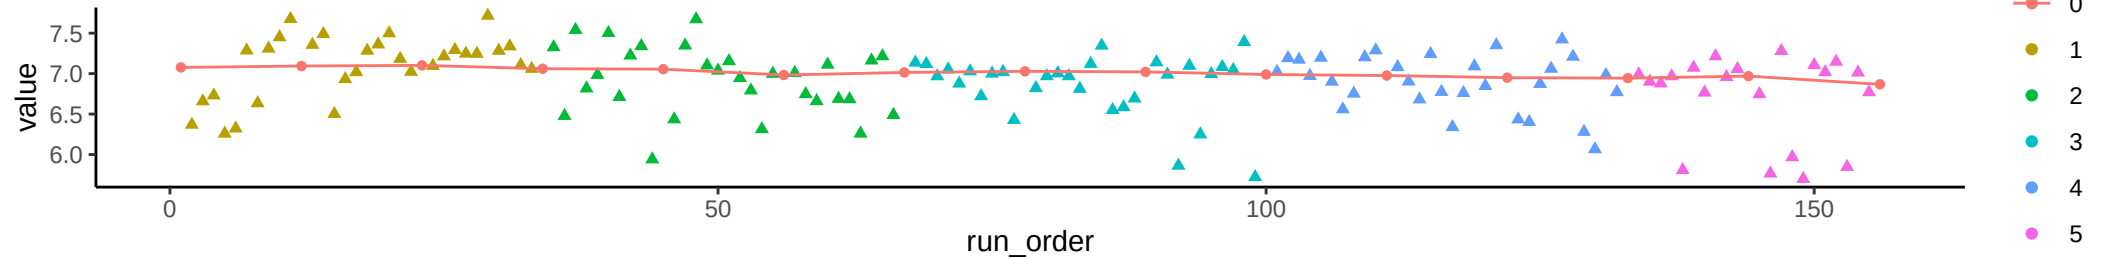

Compound: Ribose-5-P

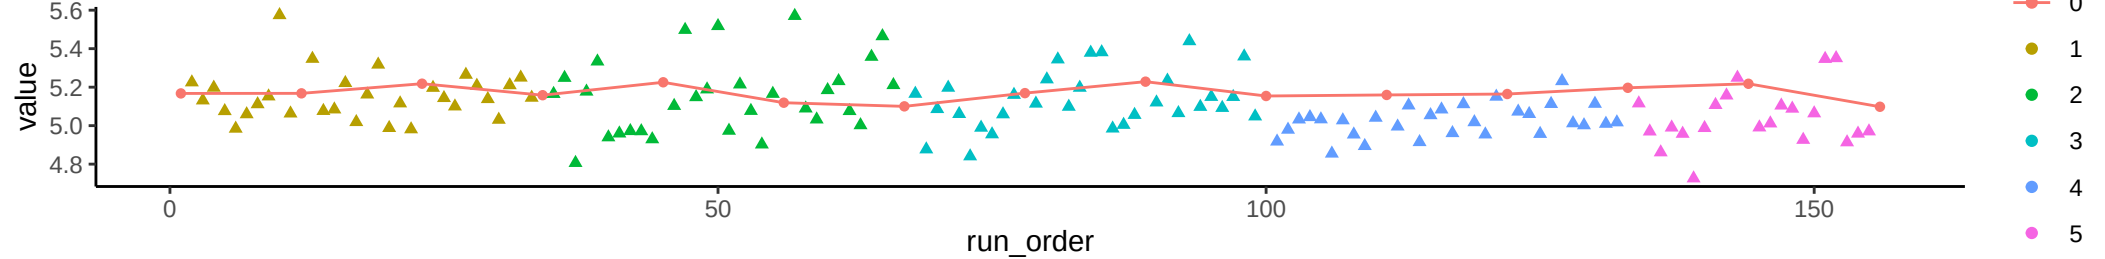

Compound: Ribulose 5-Phosphate

Compound: S-Adenosylmethionine (SAM)

Compound: S-Methylcysteine

Compound: SAH
